

# Definition of Global Citizenship at Taipei European School

The goal of TES is to prepare students who, as part of a multicultural community, are able to engage with the world through an open mind and meet the demands of a global society. They will recognise the interconnectedness between communities and cultures and demonstrate an awareness of their personal impact on the environment and the well-being of others around them. Through active participation and intercultural understanding TES' global citizens will impact others through local, national, and global action, valuing practices such as harmony, inclusion, global perspectives and worldviews. We actively encourage students to show empathy, recognise differences, challenge stereotypes, and take responsibility for their social and physical environment, thereby helping to shape the future.
