A New Paradigm for Education Campus

Message from Principal

Hello UYA Families, Black History Month honors the contributions of African Americans to U.S. history. Among the prominent figures are Madam C.J. Walker, who was the first U.S. woman to become a self-made millionaire; George Washington Carver, who derived nearly 300 products from the peanut; Rosa Parks, who sparked the Montgomery Bus Boycott and galvanized the civil rights movement; and Shirley Chisholm, who was the first African American woman elected to the U.S. House of Representatives.

In addition, we have approximately 9 weeks before Michigan's annual six-week testing season begins in April. M-Step is a high stakes assessment! Attendance, daily instruction, tutoring and intervention will be critical. Let's be focused and ready to take action everyday! The results of the various assessments can influence college admissions, teacher evaluations, and whether third-graders are promoted.
