Safe Technology and Digital Citizenship – Usually done in January

Net Smartz Assembly Scheduled was held in

Dec. **Went great!**

- IV. Misc. Business:

A. Budget Dive and Looking Forward – Doug

There is a projection that our Snow Horse enrollment is declining and is projected to decrease by approximately 50 students next year (2023-2024). Next year, we will not have access to the government ESSR funding. Both of these factors impact the amount of funding we will have next year. As a CC we will analyze and prioritize teachers' needs and preferences to make decisions and allocation of the Trust Lands funds.

Doug went over how the main focus is to plan for this upcoming school year. We discussed what things, that in the current budget we should keep and what could be cut out, (i.e. WIN Aides, TA's, educational programs, ect) that help benefit our teachers and students the most. Jennifer Rodda had reached out to the teachers to see what their top picks were and shared that information with us. In February's meeting we will focus on the educational goals we have for the Land Trust Funds. In March's meeting we will focus on the budget. In April's meeting we will focus on wrapping things up.

- V. Adjournment – Lori Ann Berg motioned to end, Doug Forsgren 2nd  
Next meeting will be Monday February 13th @ 3:45 P.M. in the Library
