My name is Ms. Caitlyn, and I am the school nurse at Project Before at Selover. I have been a nurse since 2013. Prior to working at Project Before at Selover, I was working in the private sector in a hospital, where I continue to work in a per diem fashion. I would like to pursue becoming Board Certified in School Nursing when I am eligible to do so.

I have an open-door policy with my students and parents/guardians. I welcome calls from parents with any questions or concerns. I maintain a safe, clean, healthy, and happy environment for the students. Students know they can come and confide in me at all times.

Bachelor of Science in Nursing (BSN)- Magna Cum Laude

Associate in Applied Science in Nursing (AAS-Nursing)

Board Certified Medical Surgical Registered Nurse

Board Certified Gerontological Registered Nurse

Telemetry Certified Registered Nurse

Stroke Certified Registered Nurse

ACLS Certified

BLS/AED Certified
