

Dear Parents and Students,

On Wednesday, March 8th, **Robbinsdale Cooper High School** and **Robbinsdale Armstrong High School** will administer the ACT College Entrance Exam to all 11th grade students, and to the 10th grade class, later next year. To help students prepare for this test, **Advantage Educational Programs**, in cooperation with **Robbinsdale Area Community Education**, will offer their ACT prep courses to students from **Cooper High School and Armstrong High School**. Are you uneasy about your test-taking skills or unsatisfied with previous ACT results? This may be the course for you. Three different course formats allow students to choose the one that best suits their learning styles and personal circumstances. Students are also able to make up any classes they miss, and all courses may be repeated online at no additional charge. To register for a course at a different location or more information, go to www.AdvantagePrep.net or call 612-222-5108.

In-School ACT Prep Course: Traditional classroom format with in-person instructors who present test-taking strategies, critical review, and time management for all testing areas of the ACT. This 12-hour course meets one day each week for four weeks. **Tuition is \$180.**

Virtual ACT Prep Course: Virtual classroom meets for three hours, one day each week, for four weeks and is taught live, via zoom, by an Advantage instructor who provides instruction and interaction with the students. Internet connection and access to a computer or laptop is required. Class recordings are available for students who need to make up any missed classes. **Tuition is \$180.**

Self-Paced Online ACT Prep Course: Online students prep for the ACT at their own pace and around their busy schedules. Instruction is pre-recorded and provided online via videos and slides. Students may access this course at any time and as often as needed. Upon request, students who are registered for the In-School ACT Prep Course or the Virtual ACT Prep Course can also access this online course at NO ADDITIONAL CHARGE. **Tuition is \$80.**
