When Drew Charter School nurses are notified of a confirmed-positive COVID-19 case, they submit a form to the Atlanta Public Schools (APS) Health Services department and to the DeKalb Department of Public Health. When a positive case is reported amongst Drew students or staff or in an extra-curricular environment, COVID-19 protocols go into effect. The summary below includes self-reported cases, presumptive positive cases and associated exposures reported in the last week among students and staff screened through on-campus drive-through testing or at Drew’s Elementary Academy or Junior/Senior Academy campus during the school week.

Drew - Weekly COVID-19 Summary

	Positive	Test to Stay	Quarantined	Tests
Students	12	143	0	1,493
Staff	2	21	0	273
Grand Total	14	164	0	1,766

*Includes students who were identified during contact tracing as having close contact with a student or staff member who has tested positive for COVID-19

Total Students Identified as School-Based Close Contacts*

*Includes students who were identified during contact tracing as having close contact with a student or staff member who has tested positive for COVID-19; No students tested during virtual school week. Students who opted out of test to stay are included in the TTS totals.

Total Students Tested
