The School Plan for Student Achievement

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This plan is designed to meet schoolwide program planning requirements.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the School Site Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

Stephanie Hobert				X	
Tobie Mitchell				X	
Kelly Travis				X	
Number of members in each category	1	3	1	5	

English Learner Advisory Committee Membership

Education Code Section 52176 (a) states that each school with more than 20 English Learners shall establish a school level advisory committee. Parents or guardians, or both, of EL pupils who are not employed by the district shall constitute a majority of the committee.

Name of Members	Administrator	Certificated Staff	Classified Staff	Parents/Guardians of English Learners	Other
Deanna Baczek	X				
Grace Papp				X	
Number of members in each category	1			1	

(If the members of a properly constituted English Language Advisory Council (ELAC) voted to give over their governance to the School Site Council (SSC), please list the names of those people who voted. Giving over governance needs to be re-voted every 2 years.)

☐ The ELAC has voted to give governance to the SSC on this date: _____

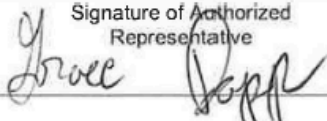

☐ The name of the parent ELAC representative to SSC is: _____

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district Governing Board for approval and assures the board of the following:

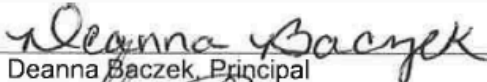

- 1) The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
- 2) The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.
- 3) The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

English Learner Advisory Committee

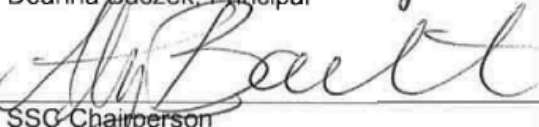

Signature of Authorized Representative

- 4) The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.
- 5) This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.
- 6) This SPSA was adopted by the SSC at a public meeting on: November 16, 2021

District information

District Profile

Ventura Unified School District is the third largest district in the county and located on the California coastline, 63 miles northwest of Los Angeles. Just under 17,000 students in grades transitional kindergarten through twelve receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of 17 elementary schools, 4 middle schools, 3 comprehensive high schools, 1 continuation high school, and 1 alternative high school.

During the 2020-21 school year, Ventura Unified School District served 15,871 students in grades TK-12 including 11.1% students with disabilities, 15.9% English learners, 54.4% socioeconomically disadvantaged, 0.4% migrant education, 2.7% homeless, and almost 0.5% identified as foster youth.

District Promise

When it comes to delivering an education that prepares students for a future in the world today, a one-size-fits-all approach no longer suffices. Students must be able to think critically, approach problem-solving with agility and creativity, be open to exploration, and adapt to new ideas and pathways they will invariably encounter throughout their lives.

At Ventura Unified School District, we cultivate a wealth of diverse academic programs so every student in our community has the chance to explore and engage with a learning environment that not only challenges them academically, but also promotes their growth as people, scholars, and citizens of the world, in an open and positive environment.

Our passion is to help the children in our schools find their passion—academically and personally—believing that each and every student has a brilliant future ahead of them.

District Pillars

We are committed to providing:

- a safe, healthy, and positive learning environment in every school
- rigorous and relevant academics that challenge each student
- engaging settings that stimulate curiosity and empower students to have a voice in their learning
- real world experiences and connections in and out of the classroom to cultivate creativity, critical thinking, and an appreciation for the world in which we live
- consistent, enthusiastic and unwavering encouragement of each and every child—so they can discover who they want to become and be academically, personally, and socially

Our young people are the future of our community and our world. It is incumbent on all of us to become deeply involved in their success, so each student has the freedom, support and resources they need to find their future.

For the future of every student.

District Logo

Our logo, the open wave, was inspired by VUSD's connection to the California coast and the possibilities that lie ahead for our students. The ocean, and all that it represents, is a fitting metaphor for the optimism and energy embodied by our people, schools, and district. The logo unifies our schools and programs with a bold, abstract signature that connotes an open, cresting wave. The clean lines that comprise the open wave signify the opportunities students are offered by our district through its variety of programs and schools. The color blue leads our bold and varied color palette since it stands for confidence, wisdom, and intelligence.

District Vision

In the Ventura Unified School District all students will receive an exemplary and balanced education fostering a lifelong passion for learning and engagement. We demand excellence of ourselves because our supportive community has entrusted us with their children.

District Mission

The Ventura Unified School District will educate all students in safe, healthy, and high performing schools. We will inspire all students to excel academically, honor the unique qualities and diverse backgrounds of all students, build supportive relationships, guide all students to reach their full potential, motivate all students to successfully pursue their chosen life path, and engage all students to become responsible and contributing members of society.

District Governing Principles

Every student can learn. We will make decisions in the best interest of students. We will value and celebrate diversity, and treat all people with dignity and respect. We will operate in a fiscally responsible manner. We will work as a team. We will maintain a working environment that promotes professional growth and excellence. We will celebrate and recognize success, creativity and achievement through a variety of indicators. We will embrace families and the community as partners in education.

School Information

During the 2020-21 school year, Elmhurst School served 388 students in grades TK-5 following a traditional school calendar. Student enrollment included 16.5% students with disabilities, 17% English learners, 71.1% socioeconomically disadvantaged, 6.2% homeless, 1% foster youth, and 0.3% migrant. Elmhurst is the home school for the Severely Learning Impaired Special Day Classes serving approximately 40 students from kindergarten to fifth grade.

School Vision

The Elmhurst Community is a team of students, teachers, staff, and families that works together and values each student for their unique qualities and diverse backgrounds. Every student will be given a safe, healthy, nurturing environment in which to learn grade level standards. Intervention programs have been developed for students needing extra support. We embrace the building of self-esteem in each child by advancing respect of self and others.

Student Enrollment by Student Group – 2020-21

Comprehensive Needs Assessment

Elmhurst Elementary School completed a comprehensive needs assessment survey of all students enrolled, including migratory students, which included the analysis of student performance in relation to the state academic content standards. During leadership team meetings, grade level collaboration, and staff meetings, administration and leadership team members considered the results of the following to identify areas of strength and weakness:

- ✓ Analysis of Student Performance Data:
 - ELPAC Reports
 - District Benchmarks
 - CAASPP Reports
 - Formative Assessments
- ✓ California School Climate Survey (CHKS)

Conclusions from the needs assessment survey were used to identify SPSA goals and program support goals.

Transition from Preschool to Kindergarten

Ventura Unified School District Office of Educational Services, Child Development Programs Division, manages and coordinates early childhood programs to support the social, emotional, physical, and educational needs of the child in a safe and healthy environment. Teaching staff are fully credentialed through the California Commission on Teacher Credentialing. Support staff are well trained and knowledgeable of community resources, mental health, social services, health, and nutrition.

The Ventura Unified School District's Curriculum and Instruction Division oversees the following programs:

- **Jumpstart State Preschool Program:** Through a contract with the California Department of Education, Ventura Unified School District operates 14 half-day Jumpstart State Preschool programs. The Jumpstart Program is under the auspices of Ventura Unified School District Office of Educational Services, Child Development Programs.

Our State Preschool programs are designed to prepare children for successful entry to kindergarten. Our curriculum offers children opportunities to learn by being actively involved with developmentally appropriate materials in the areas of language, cognitive, social, emotional, creative, and physical development. We value each child as a unique individual and foster a healthy sense of self. We use integrative curriculum that is founded on theories of High Scope and the NAEYC Curriculum Guidelines for Young Children. We pride ourselves in being part of VUSD Language Arts Standards. Jumpstart utilizes a developmental continuum and benchmarks to document and evaluate student learning. It is the goal of Jumpstart to help minimize the gap between pre-K and the K-5 school system and to increase Kindergarten readiness.

When you visit the Jumpstart classrooms you will observe a print rich environment supporting the developmental process of early literacy. Notably, the importance of a culturally and linguistically sensitive learning environment is demonstrated. Children are engaged daily in language/ literacy lessons, as well as ten developmentally based center activities. Children receive a “no cost” nutritionally balanced meal each day. Each Jumpstart Preschool classroom is composed of a Site Leader (Director) and two qualified Classroom Teachers. The program is structured to provide back-to-back instruction, more commonly known as team teaching.

Children receive a “no cost” nutritionally balanced meal each day. Each Jumpstart Preschool classroom is composed of a Site Leader (Director) and two qualified classroom teachers. The program is structured to provide back-to-back instruction, more commonly known as team teaching. Morning and afternoon sessions are offered.

The Jumpstart State Preschool Programs offer morning and afternoon sessions at:

- E.P. Foster Elementary
 - Montalvo Elementary
 - Portola Elementary
 - Sheridan Way Elementary
 - A.T.L.A.S.
 - Will Rogers Elementary
- **Transitional Kindergarten (TK) Program:** The Ventura Unified School District's Curriculum and Instruction Division oversees the Transitional Kindergarten Program. The TK program is offered at the following school sites within the Ventura Unified School District:
 - Citrus Glen Elementary School
 - Elmhurst Elementary School
 - Junipero Serra Elementary School
 - Lemon Grove School
 - Lincoln Elementary School
 - Loma Vista Elementary School
 - Sheridan Way Elementary

Bully Prevention, Violence Prevention, and Substance Abuse Curricula

All persons are to be treated with dignity and respect; therefore, the district, schools, students, parents/guardians and community have an obligation to promote mutual respect and safe, harmonious relations that support dignity and equality. The Ventura Unified School District has in place policies, procedures, and practices that are designed to reduce and eliminate bullying and harassment as well as processes and procedures to address incidents of bullying and harassment when they occur.

Elmhurst Elementary School's behavior standards are aligned to district standards, including the application of standards for bullying behavior fairly and consistently. Elmhurst Elementary School follows district guidelines, policies and procedures according to the Education Code as well as school rules pertaining to related matters such as bullying suspension and expulsion, student expression, and the rights and responsibilities of students.

School administration and teaching staff are qualified to identify, manage, and respond to unacceptable behaviors to support a safe and respectful learning environment. Elmhurst Elementary School's staff have adopted site-based goals to build a healthy environment to reduce classroom disruptions, increase student safety, and motivate student learning.

Elmhurst Elementary School has adopted the following district-approved programs aimed at keeping students safe at all times and promoting healthy habits and choices.

- **The Great Body Shop** - includes curricula about harassment/bullying for K-5.
- **CHAMPS**
- **Digital Citizenship**
- **Recognition Awards for Character Traits**
- **Counselor** – individual and group counseling for anger management
- **Second Step** – A research-based program to promote the social-emotional development, safety, and well-being of children. The program will be implemented during the 2021-22 school year at Anacapa Middle School.

Community Resource Guide

The Ventura Unified School District publishes a Community Resource Guide for its student, parents, and community. The guide is available at the district office and on the district website www.venturausd.org. The guide provides local and community resource contact information for:

Purpose and Description

Briefly describe the purpose of this plan (State whether Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement or Additional Targeted Support and Improvement)

The purpose of this plan is to ensure that we are appropriately identifying and addressing the needs of Elmhurst Elementary School students via our Schoolwide Program, as well as ensure that the funding afforded to the school is being utilized in the most efficient manner possible.

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Elmhurst Elementary School's plan to meet the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state and local programs is to focus on the designated goals of the Ventura Unified School District's LCAP, while using data specific to Elmhurst's students to plan accordingly.

The data shows that students are entering kindergarten lacking basic number sense and letter identification. Many cannot identify their own name in writing. Our students that participate in CAASPP testing are still demonstrating the need for more intensive intervention to assist them in meeting the goals for both Mathematics and English Language Arts.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Personnel Involved:	Date:
Elmhurst Staff	Spring – Fall 2021 – Meetings held on 3/3/21, 3/31/21, 5/5/21, 6/2/21, 8/23/21, 10/6/21, 11/3/21, emails, and Inservice Days.
Parents	September 2021 – Back to School Night
School Site Council	Fall 2021 – Meetings held on 10/5/21, 10/19/21, 11/2/21, 11/16/21

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.
(COMPLETE ONLY IF CSI OR ATSI SCHOOL)

Not applicable.

Goals, Strategies, Expenditures, and Annual Review

Goal 1:

Increase Student Achievement – Increase student achievement for all students while decreasing performance gaps.

Identified Need:

A disproportionate number of students enter kindergarten without any prerequisite skills for school attendance and success, including identification of their name, alphabet, and numbers. This requires the school to meet them where they are, and then move forward. There is a need to offer targeted intervention in both English Language Arts and Mathematics to students in grades kindergarten through fifth grade.

Annual Measurable Outcomes:

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
ELA Scores	<p>Grade 3 - CAASPP ELA Summative: 9% Exceeded, 13% Met Standard, 30% Nearly Met Standard, 48% Did Not Meet Standard</p> <p>CAA ELA Summative: (3 tested) 100% Level 1</p> <p>Grade 4 - CAASPP ELA Summative: 16% Exceeded, 14% Met Standard, 43% Nearly Met Standard, 27% Did Not Meet Standard</p> <p>CAA ELA Summative: (2 tested) 50% Level 1, 50% Level 3</p> <p>Grade 5 - CAASPP ELA Summative: 20% Exceeded Standard, 31% Met Standard, 20% Nearly Met Standard, 29% Did Not Meet Standard</p> <p>CAA ELA Summative: (1tested) 100% Level 1</p>	Positive growth in all areas as measured by CAASPP and CAA test results.
Math Scores	<p>3rd Grade - CAASPP Math Summative: 7% Exceeded, 13% Met Standard, 28% Nearly Met Standard, 52% Did Not Meet Standard CAA Math Summative: (3 tested) 100% Level 1</p> <p>4th Grade - CAASPP Math Summative: 14% Exceeded Standard, 9% Met Standard, 54% Nearly Met Standard, 23% Did Not Meet Standard</p>	Positive growth in all areas as measured by CAASPP and CAA test results.

	<p>CAA Math Summative: (2 tested) 50% Level 1, 50% Level 2</p> <p>5th Grade - CAASPP Math Summative: 13% Exceeded Standard, 16% Met Standard, 33% Nearly Met Standard, 38% Did Not Meet Standard</p> <p>CAA Math Summative: (1 tested) 100% Level 1</p>	
VUSD Screeners	Students are below average in their scores on Oral Reading Fluency, Letter and Number identification, and site words.	Provide opportunities to assist students in having scores more commensurate with district averages.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

Transitional Kindergarten, kindergarten, first, second, third, fourth and fifth grade students.

Strategy/Activity

Hire competent teachers and ensure they participate in district training and teach as effectively as possible.

Evaluations will be completed as efficiently as thoroughly and in a timely manner. Teachers will be given opportunities to observe their peers (substitutes will be provided), and will receive ongoing feedback and communication regarding both site and district goals. Open lines of communication will exist between the administration, teachers, and their mentors.

Opportunities will be provided, as they arise, for Elmhurst teachers to participate in AVID training both onsite and off site. We hope to be able to take a group of teachers to the AVID Summer Institute in July. We were registered to attend during the summer of 2020, but the in-person training was cancelled due to Covid and only offered online. The teachers would prefer to attend in-person training.

Proposed Expenditures for this Strategy/Activity

Amount(s)	Source(s)
Minimal financial cost unless we attend the AVID Conference - \$5,000	Supplemental (AVID)

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

Kindergarten students in general education classes.

Strategy/Activity

Students in kindergarten will begin their school year participating in an alphabet “boot camp” to ensure they know their letters and sounds.

Teachers will take data before and after the “boot camp” to ensure growth. Concerns will be addressed by offering intervention in English Language Arts, and Social-Emotional needs will be addressed via classroom presentations and small groups. Both “Kelso’s Choice” and “Second Step” curriculum will be utilized to meet Social-Emotional needs.

Proposed Expenditures for this Strategy/Activity

Amount(s)	Source(s)
\$250	Supplemental

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

Students in need of English Language Arts intervention as indicated in district screenings.

Strategy/Activity

Students will be offered opportunities to participate in targeted English Language Arts and Math Interventions classes.

An intervention teacher will be available to work with students that need additional assistance with English Language Arts and Math. The teachers will use the “Sonday” English Language Arts curriculum, and “Bridges” math curriculum. Teachers will also incorporate additional strategies and resources to meet the needs of their students. The English Language Arts intervention teacher will also utilize Reading A-Z & Raz Kids Licenses.

Students will be placed based on needs, per district screenings and classroom assessments, and available space. Participation will be evaluated at the end of each trimester.

Proposed Expenditures for this Strategy/Activity

Amount(s)	Source(s)
\$35,000 for ELA Intervention Teacher \$240 for ELA Intervention Teacher	Title 1 Supplemental
Reading A-Z & Raz Kids Licenses - \$250	Restricted Lottery
Math Intervention Teacher	The district is paying for a Math Intervention teacher this year.

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students will benefit.

Strategy/Activity

Social Emotional needs will be addressed school wide both individually, and in groups.

“Second Step” and “Kelso’s Choice” curriculum will be used school wide to address social emotional needs. “Second Step” will be taught by classroom teachers and incorporated into morning announcements. The counselor will do “Kelso’s Choice” presentations in classrooms, and all teachers, the principal, and the counselor will incorporate the basic tenets of the curriculum when meeting with students and conferring with parents. The counselor will meet with small groups to address more specific needs such as grief, anxiety, etc.

Proposed Expenditures for this Strategy/Activity

Amount(s)	Source(s)
No additional site costs.	The district is paying for a full-time counselor this year.

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

English Language Learners and Transitional Kindergarten/Kindergarten/First grade students.

Strategy/Activity

A general education para educator will be hired to work with teachers where needed to assist with small groups, activities, taking MAP assessments, focusing on behavior, etc.

By providing a bilingual paraeducator, our English Language Learning students are offered the opportunity to meet with her for individualized help. She will be on site daily, for a limited number of hours, to work with students that need assistance with language acquisition. Additionally, she will provide assistance in our communication with our Spanish speaking families.

Proposed Expenditures for this Strategy/Activity

Amount(s)	Source(s)
\$13,315 - Bilingual Paraeducator	Supplemental Funds
Estimate \$13,000 - General Education Para Educator	Title 1

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students will benefit.

Strategy/Activity

Students will have access to individualized read aloud books to take home and read with their family. Books will be offered in both English and English/Spanish.

Books will be available to give to students to ensure that they have ample access beyond what is available in the library. Donated books will be available for students to keep, as well as books from the "We Both Read" program that will enable students and their parents to read together and grow the love of reading. These books will focus on skills such as alphabet letters and sounds, the joy of reading, phonics, English/Spanish translations, reading fluency, etc., and will be available in English and English/Spanish. The students may keep the books and begin to grow their home library.

Proposed Expenditures for this Strategy/Activity

Amount(s)	Source(s)
\$1,000	Title 1

Annual Review:**SPSA Year Reviewed: 2020-21**

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

During the 2020-2021 School Year, most students were taught remotely and for fewer minutes than they typically have in a school day. Many students had poor attendance and were not completing work online. Therefore, we did not reach our goal in terms of seeing the growth we had hoped to see. Once some students returned to a Hybrid schedule in April (for half days), we were able to address deficits and show greater growth. Lower class sizes were a plus, and "looping" students from one grade to the next with their teachers was very beneficial during Distance Learning.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

COVID impacted our students greatly both due to contracting the virus, and due to having to learn remotely. Younger students were unable to access work virtually without the support of a parent due to their age. Students do not learn the necessary social skills when learning away from the classroom and with the restrictions of Covid during our brief period of Hybrid learning from April to June of 2021 (two minimum days a week).

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

VUSD is piloting a new assessment program, called MAP, that shows more detailed information in progress/readiness for both reading/language arts and math. Elmhurst has also hired a Math Intervention teacher to work with students on deficits in mathematics. We will continue working on the goal of increasing student achievement for all students while decreasing performance gaps. Our plans to address these needs can be found in the strategies we are implementing. Classes were not "looped" into the 2021-2022 SY due to a return to onsite learning and due to our fluctuating numbers and budgetary concerns. Our kindergarten numbers grew to capacity, while our upper grades had fewer students.

Goal 2:

Student Connections to School - Provide a safe and secure environment for all staff and students.

Identified Need:

Many of the students at Elmhurst Elementary School are in need of Social Emotional skills learning. Additionally, student attendance is impacting student learning due to too many days missed. There are a number of reasons for poor attendance ranging from social emotional stresses to lack of knowledge by their parents regarding the importance of steady attendance. Undesired behaviors often result in students that are lacking social emotional skills.

Annual Measurable Outcomes:

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Suspension Data	No students were suspended.	No students suspended.
ELA Scores	Same as in Goal #1 above.	Same as in Goal #1 above.
Math Scores	Same as in Goal #1 above.	Same as in Goal #1 above.
Attendance Data	No actual data available, but we did hold SART meetings and make many home visits during the 2020-2021 SY.	Improved attendance for all students.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students will be served.

Strategy/Activity

Elmhurst generally funds a counselor for an additional .2 FTE to meet the needs of students. The counselor teaches lessons in class/virtually to address social emotional needs, offers a variety of groups to address anger, grief, conflict management, problem solving, etc., and utilizes the Kelso's Choice curriculum to assist students in making desired choices. Additionally, she makes referrals for students, does an evening virtual story reading once a month, makes home visits with the principal, works directly with the principal in addressing behavior concerns, and is a vital member of our Student Study Team. She also attends events, such as awards ceremonies and school events, as our eagle mascot.

Proposed Expenditures for this Strategy/Activity

Amount(s)	Source(s)
No cost this school year	VUSD is funding a full-time counselor for the 2021-2022 school year.

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All student groups at Elmhurst.

Strategy/Activity

Elmhurst will continue to strive to improve student attendance by educating parents and providing incentives to students for improved attendance, fewer tardies, attending Saturday Attendance Academies, etc.

Parents received a letter addressing the importance of attendance and their child's educational success. All families received an Elmhurst refrigerator magnet with the VUSD calendar on it showing the days students are in school, minimum days, conferences, and days they are on break. The calendar also has the attendance line phone number and the email address to report absences.

Students will be recognized bimonthly at the Elmhurst Awards Assemblies for various attendance improvements. They will meet with the principal and counselor during lunch to receive their choice of incentive (Elmhurst pencil, magnet or window cling, certificates, attendance bag tags) and be given personal recognition for their accomplishment.

Students that do not receive recognition will be counseled on how they can be recognized next time by making attendance changes. Unfortunately, sometimes the students' poor attendance is out of their control and in the hands of their parents.

The principal and attendance clerk will continue to have phone conferences and personal conferences with parents to discuss attendance, and will utilize the VUSD SARB board as needed.

Multiple ways of communicating with parents will be utilized to remind parents: email, phone calls, newsletters, calendars, Parent Square messages, etc.

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All student groups will benefit from this strategy.

Strategy/Activity

Elmhurst piloted the *Second Step* curriculum that focuses on social emotional learning. All teachers were trained last year, and teachers in grades kindergarten through grade 5 began using the lessons. The district adopted the program. The program is now being used in grades TK-5 and all teachers have ample materials/kits. With time, we expect to see added benefit from continuing with this program. Beginning in November, the principal makes an all school announcement in the morning with a weekly focus. The topic is incorporated into conversations/discussions with both parents and students.

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students will benefit from this goal.

Strategy/Activity

Build relationships amongst staff members, students and family members by focusing on positive interactions, communication, conferences, phone calls, and culture building activities.

Staff building activities will continue to be held during the year, staff meetings will include discussions on relationship building, the principal will make positive calls/send positive emails home, teachers will conference with parents, etc. Site wide, we use positive "notes" to distribute to students to recognize positive behavior, kindness, hard work, etc. The "notes" have an area to tear off at the bottom, to be entered into a drawing at the end of each month. The prizes vary depending on the winner, some have chosen to pick something from the treasure box, while others chose the opportunity to eat lunch with various staff members. Students retain their "note" to take home and share with their family. The notes are on gold paper and are now referred to as "Golden Tickets."

Awards are now done via Zoom or in individual classes. The student's family is notified that they will be recognized, and the principal presents their award and speaks about them in front of their peers, then sends their awards home. This has been very well received by teachers, students and families.

Annual Review:**SPSA Year Reviewed: 2020-21**

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Elmhurst continues to pivot daily to do what we can to meet the needs of our students, staff and community members. State and local guidelines change frequently, and we adapt to this guidance. We also work collaboratively as a staff when discussing various activities/events to be sure we are doing what is best for our Elmhurst family and what staff members are comfortable with.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

There may be additional expenses incurred if we discover unanticipated needs for our students. An example of one such need is purchasing underwear, socks, shoes, etc., for students in need, when we can't find donations to cover it.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Throughout the SPSA you will see yearly modifications adapted to meet the needs of the current students on campus as well as their families and our staff members. When teachers have something that will enable them to more effectively meet the needs of students, it is important that we provide it for them.

Goal 3:

Family Involvement - Increase parent and community involvement.

Identified Need:

Increasing parent and community involvement continues to be an area of growth for Elmhurst. We continually try new ideas to meet the needs of our families and encourage them to be more active/knowledgeable in what is happening at their child's school.

Annual Measurable Outcomes:

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Parent, Staff & Friends Organization Membership	All positions have been filled for the 2021-2022 school year.	We would like to have all of the PSFO board positions filled every year with increased parental involvement when we have events/activities.
English Language Advisory Committee participation	Attendance at ELAC meetings has dropped. No one, other than site personnel, attended the meetings held in 2020-2021.	ELAC meetings will have parents in attendance. Meetings will be held at differing times in order to encourage participation.
Activities and programs held at the school will have parents and community members in attendance.	Elmhurst has increased parent attendance and involvement in the last few years, but we'd like it to increase even more.	Involving community groups with the activities at Elmhurst, as well as increasing the number of parents in attendance, and actively participating, in their child's school.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

Elmhurst would like for the parents of all students to be actively involved in their school community.

Strategy/Activity

Frequent contact with parents both in person, via Parent Square, the calendar, letters home, phone, Class Dojo, and by visiting with parents at school events. We used to send home our School Parent Connection Newsletter in both English and Spanish every month with brief articles and ideas/suggestions on how parents can interact with their children to provide better learning opportunities, as well as health tips, and ways parents can get involved in the school, but it has been discontinued. We will be looking for new ways to communicate these topics. We will send personal invites to parents, may offer a Book Fair opportunity for parents to purchase books (we gave away free books in the 2020-2021 SY), and providing school spirited items such as pens, pencils, stickers, and masks to improve school spirit amongst students, parents, and staff

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students will be impacted by this goal.

Strategy/Activity

Encourage and support our PSFO in providing a wide range of parent involvement activities such as our Fall Into a Good Book Fall Festival, Loteria Night, Kindness Rocks Project, Ninja Warrior Fundraiser, Beautification Days, AVID Night, Classroom Read Alongs, Lunch with your student, and "Grandparents Day" when grandparents or other family members will come to school and eat lunch with the children. Outside organizations that consist of primarily elderly individuals will be contacted to come and participate so that no one is left out.

Due to the pandemic, some of these activities were able to take place last school year, but others were cancelled/postponed. As elementary aged students begin receiving vaccines, we will gradually open up our campus to include more "in person" activities.

So far, during the 2021-2022 school year we have had drive through food nights, restaurant eat out nights, Picture Day, a Fall Into a Good Book drive through event, classroom "pumpkin patches" on site", etc. The PSFO is currently working on creating a winter themed drive through.

Additionally, Elmhurst participated in Ventura Unified School District's annual School of Choice Night to share what our school has to offer with the local community.

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

Special Education students and any other students that can benefit.

Strategy/Activity

Elmhurst provided a "calming room" at our Fun Fall Festival in 2019 for students that may have been over-stimulated. We will seek to include this at all future events (when we are able to return to activities on site) as a place students and families can go to take a break from the noise and activity.

No expense involved	N/A

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

Students with special needs as well as all students.

Strategy/Activity

In conjunction with the PSFO, Elmhurst will again try to offer a Sensory Night. We offered this in 2018 and it was quite successful. We will offer more sensory opportunities for students with special needs, as well as students in general, to have opportunities to explore sensory activities and create sensory crafts.

In 2019 we had a Sensory Walk created in the lower hallway that students are able to access daily. We created/painted obstacle courses and sensory activities on our playground in the spring of 2021.

\$500	PSFO and Title 1

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students will benefit from this strategy.

Strategy/Activity

Provide solutions that may be impacting parent involvement by providing childcare during our AVID Night or any other event held on campus to allow parents the opportunity to experience the evening without young children distracting them or keeping them from attending.

Schedule our ELAC Meetings during the school day to see if that improves attendance. Continue to reach out to parents and the community to give them opportunities to be as involved as they'd like. Personal invitations often make a big difference on whether people participate.

Annual Review:**SPSA Year Reviewed: 2020-21**

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

We were able to fill all positions on the PSFO for the 2020-2021 School year. We continue to try new ideas to encourage family involvement by offering new ways for involvement, providing guidance, etc. Our families have been very receptive to the drive through events we have held the last couple of years, so we will continue to work on creative ways to provide safe involvement, even though they may look different than what we previously did. Hopefully, there will come a time when we can invite families back onto campus for our Family Picnics.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Expenditure amounts will vary depending on whether we are able to hold events in person on campus and the number of participants. When families request something that they believe will benefit our site, we listen and do what we can. We will be trying some new ideas during our winter Drive Through Event (name still to be determined).

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We have to be flexible with these goals this year due to the continued uncertainty of Covid, vaccinations, etc. We will continue to strive to meet them in the best way possible, but how we do that may end up differing from the set actions. If we have learned one thing from Covid, it's that we must be flexible and ready to adapt to change.

2021-22 Centralized Support for Planned Improvements in Student Performance

VUSD - Program Support Goals

The Assessment, Accountability, and Program Evaluation (AAPE) Department provides direction, coordination, and assistance to schools in carrying out a District Title I program for disadvantaged students. These include areas of program development, School Plan Review, management, legal compliance, evaluation, fiscal accounting, staff development, and community advisory processes, as well as responsibility for District and state required reports and documents. The Director and teacher specialists provide technical assistance for schools.

Multilingual/Multicultural Education

The VUSD Multilingual and Multicultural Education Department supports programs that prepare English Learners at all grade levels for college and career success. Department staff supports English Learner identification, parent notification, annual assessment routines, reclassification procedures and compliance monitoring.

Program models offered for English Learners in VUSD include Structured English Immersion, English Language Mainstream and Dual Language Programs. The department supports program design, planning and articulation, professional development, curriculum selection, program evaluation, parent involvement, management of fiscal resources, and community awareness.

Migrant Education student services are provided to eligible students and families as part of the Multilingual and Multicultural Department.

The Multilingual and Multicultural Department supports world language instruction and multilingualism in VUSD schools through course development, curriculum selection, and professional development.

VUSD promotes and celebrates multilingualism with the VUSD Multilingual Recognition Seal and the California State Seal of Biliteracy. The Department assists schools in providing this recognition for graduating seniors each year.

District translation support is offered through the Multilingual and Multicultural Department and by staff at many schools.

VUSD collaborates with the Mexican Secretary of Public Education to provide educational opportunities at our Plaza Comunitaria located at Sheridan Way School.

Curriculum & Instruction

The Curriculum & Instruction Department provides leadership and support for VUSD staff by coordinating the development, alignment, and implementation of standards, assessments, curriculum, instruction, staff development, and support services to ensure each student meets or exceeds grade level content standards. The education of the whole child, academically, as well as socially and emotionally, is our goal.

Gifted and Talented Education

The Gifted and Talented Education Office provides direction, coordination, and assistance in carrying out the GATE Program. This includes accounting, management, legal compliance, evaluation, placement and identification, the community advisory processes, as well as providing District and state required reports. Assistance to schools is provided by the GATE Coordinator and secretary.

Migrant Education

The Migrant Education Program provides for the coordination and implementation of various services in partnership with the Ventura County Office of Education, and the local colleges and universities. Services include identification and recruitment, monthly parent advisory committee meetings, early child development supports, supplemental instruction, summer school, emergency medical services, Spelling, Speech & Debate Tournaments, college tours, academic counseling, credit recovery courses, Family Literacy Programs, Migrant Family Conference, informational events, computer program trainings, accounting, management, legal compliance, evaluation, as well as providing district and state required reports. Services are provided to academically support

and ensure that migratory students receive the appropriate opportunities to help reduce with the educational disruption and other problems as a result of repeated moves. Service to the schools are provided by the Migrant Education Coordinator and the Migrant Liaison/Recruiter.

Indian Education

The Indian Education Program is a federally-funded program serving only American Indian or Alaskan Native students in all grade levels who have an Indian Student Eligibility Certification Form 506 completed by their parents and on file in our Indian Education Office. The main focus of the program is to encourage all students of American Indian descent to finish high school and attend college. The Indian Education program was implemented to reduce the high drop-out rate among Native Americans throughout the United States

Elementary grade students (K-6) are engaged in a rigorous, standards-based hands-on Indian Education curriculum and reading development. Students participate in fun activities which explore their Native American history, heritage, and culture. Intervention and tutoring are available based on individual progress in meeting state proficiency standards and basic skills acquisition.

All qualifying 6-12 students have access to counselors who are experienced in working with students of American Indian and Native Alaskan descent in the areas of personal and academic counseling as well as tutoring in all areas of the middle school and high school curricula. Students in grades 6-9 are engaged in cultural presentations, heritage lessons, successful time management and study skills lessons, goal setting for middle school success and high school expectations, thinking about college and post high school educational and career planning, and basic skills support for language, reading and mathematics. Students in grades 9-12 are provided career counseling which includes information about special grants, scholarships, and financial assistance, and are engaged in activities to facilitate a better understanding in such areas as individual tribal history and history of other tribes.

Instruction and support are administered at each qualifying student's school site through a series of monthly sessions which may include 1) small group instruction based upon reading and language development, through interactive discussion, 2) hands-on learning activities, 3) booklets, and 4) computerized lessons. The school's Indian education teacher or 6-12 counselor work with the district's Indian Education Coordinator to develop a specialized curriculum and appropriate support services. Tutoring services are determined by the school administrator and Indian Education Coordinator.

VUSD - Parent Involvement Policy

The Governing Board recognizes that parents/guardians are their children's first and most influential teachers and that sustained parent/guardian involvement in the education of their children contributes greatly to student achievement and a positive school environment. The Superintendent or designee shall work with parents/guardians and family members to jointly develop and agree upon policy and strategies to meaningfully involve parents/guardians and family members in district and school activities at all grade levels; advisory, decision-making, and advocacy roles; and activities to support learning at home.

Parents/guardians shall be notified of their rights to be informed about and to participate in their children's education and of the opportunities available to them to do so.

The district's local control and accountability plan (LCAP) shall include goals and strategies for parent/guardian involvement and family engagement, including district efforts to seek parent/guardian input in district and school site decision making and to promote parent/guardian participation in programs for English learners, foster youth, students eligible for free and reduced-price meals, and students with disabilities. (Education Code 42238.02, 52060)

The Superintendent or designee shall regularly evaluate and report to the Board on the effectiveness of the district's parent/guardian and family engagement efforts, including, but not limited to, input from parents/guardians, family members, and school staff on the adequacy of involvement opportunities and on barriers that may inhibit participation.

Title I Schools

The Superintendent or designee shall involve parents/guardians and family members in establishing district expectations and objectives for meaningful parent/guardian and family engagement in schools supported by Title I funding, developing strategies that describe how the district will carry out each activity listed in 20 USC 6318, as contained in the accompanying administrative regulation, and implementing and evaluating such programs, activities, and procedures. As appropriate, the Superintendent or designee shall conduct outreach to all parents/guardians and family members. (Education Code 11503; 20 USC 6318)

When the district's Title I, Part A allocation exceeds the amount specified in 20 USC 6318, the Board shall reserve at least one percent of the funding to implement parent/guardian and family engagement activities and shall distribute at least 90 percent of those reserved funds to eligible schools, with priority given to high-need schools as defined in 20 USC 6631. The Superintendent or designee shall involve parents/guardians and family members of participating students in decisions regarding how the district's Title I funds will be allotted for parent/guardian and family engagement activities. (20 USC 6318)

Expenditures of such funds shall be consistent with the activities specified in this policy and shall include at least one of the following: (20 USC 6318)

Support for schools and nonprofit organizations in providing professional development for district and school staff regarding parent/guardian and family engagement strategies, which may be provided jointly to teachers, principals, other school leaders, specialized instructional support personnel, paraprofessionals, early childhood educators, and parents/guardians and family members

Support for programs that reach parents/guardians and family members at home, in the community, and at school

Dissemination of information on best practices focused on parent/guardian and family engagement, especially best practices for increasing the engagement of economically disadvantaged parents/guardians and family members

Collaboration, or the provision of subgrants to schools to enable collaboration, with community-based or other organizations or employers with a record of success in improving and increasing parent/guardian and family engagement

Any other activities and strategies that the district determines are appropriate and consistent with this policy. If the district also receives funds under federal Title IV, Part E, to coordinate and enhance family engagement programs, the Superintendent or designee shall inform parents/guardians and organizations of the existence of Title IV. (20 USC 6318)

The district's Board policy and administrative regulation containing parent/guardian and family engagement strategies shall be incorporated into the district's LCAP in accordance with 20 USC 6312. (20 USC 6318)

The Superintendent or designee shall ensure that each school receiving Title I funds develops a school-level parent/guardian and family engagement policy in accordance with 20 USC 6318.

District and school-level parent/guardian and family engagement policies and administrative regulations shall be distributed to parents/guardians of students participating in Title I programs and shall be available to the local community. Parents/guardians shall be notified of the policy in an understandable and uniform format and, to the extent practicable, provided in a language the parents/guardians can understand. (20 USC 6318)

Non-Title I Schools

The Superintendent or designee shall develop and implement strategies applicable to each school that does not receive federal Title I funds to encourage the involvement and support of parents/guardians in the education of their children, including, but not limited to, strategies describing how the district and schools will address the purposes and goals described in Education Code 11502. (Education Code 11504)

Elmhurst Elementary School Parent Involvement Policy

Elmhurst
School Parent Involvement Policy
2021 - 2022

Elmhurst Elementary School shall provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, parents of students with disabilities, and parents of migratory students, including providing information and school reports required under Section 6311 in a format and, to the extent practicable, in a language such parents understand.

While we are beginning the year with some restrictions, which will impede certain activities from taking place, we are leaving them on as options in the event we are able to allow parents onto campus.

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. Parents should stay informed of upcoming events and school activities through the monthly calendar, the school website, the PSFO website, weekly classroom reports, Parent Square communication, district calls/emails/texts, and informational flyers. Some participation on site may be limited due to COVID protocols.

School – Parent Compact

**Elmhurst Elementary
School****School – Parent Compact****What is a school-parent compact?**

A school-parent compact is a written commitment that describes the expectations of all members of a school community.

Developed together:

Parents, students, teachers, and staff members worked together to develop our school-parent compact. This compact is specially developed to meet the needs and goals of our school and our students.

District Goals:

We are committed to providing:

- A safe, healthy and positive school environment in each school
- Rigorous and relevant academics that challenge each student
- Engaging environments that stimulate curiosity and empower students to have a voice in their learning.
- Experiences and connections of the real world inside and outside the classroom to cultivate creativity, critical thinking, and an appreciation of the world we live in.
- A consistent, enthusiastic and unwavering stimulation of each of the children, so they can discover who they want to become academically, personally and socially

Elmhurst Elementary School Goals:

The goals of the school and the goals of the district's LCAP are:

- Increase student achievement for all students while decreasing achievement gaps
- Provide a safe environment for all staff and students.
- Increase parent and community involvement

Teacher / School Responsibilities:

We believe that all students can learn. To ensure a bright future for each student we will:

- Create a safe and welcoming learning environment.
- Provide high-quality curriculum and instruction in an engaging learning environment that allows the student to meet common basic California standards through:
 - Rigorous curriculum
 - Differentiated instruction that is driven by data
 - Follow the Response to Intervention Model
 - Learning opportunities Practices
- Communicate frequently with parents about student achievement, academic progress and behavior through multiple modes of communication.
- Model a growth mindset for all of our students
- Invite families to volunteer and welcome families to participate in their children's learning.

SSC Chairperson:

The block contains a large, stylized handwritten signature in black ink. To the right of the signature is a cartoon illustration of a female teacher with dark hair, wearing a green shirt, sitting on the floor and reading a book to a group of five diverse young students who are also sitting on the floor.

10/19/21

Student Responsibilities:

Students at Elmhurst Elementary School joined the staff to develop ideas on how they can succeed in school:

- I will show responsibility by keeping organized, be punctual and come to school prepared.
- I will read every day, I will study and I will finish my homework
- I will have a positive attitude and I will be kind to others
- I will participate in the class discussion and ask academic questions.
- I will take care of my school and treat everyone with respect.

My personal learning goal is: _____

To reach my goal, I will do: _____

Family Responsibilities:

I want my child to be successful in all walks of life. To ensure my child's academic success this school year, I will:

- Nurture my child's social and emotional health and ensure that my child understands his or her valuable contribution to their community.
- Make school attendance a priority by ensuring that my child arrives at school on time daily, prepared and ready to learn.
- Encourage academic responsibility at home by limiting electronic devices, setting time for reading and assignments, and creating a quiet study space.
- Communicate regularly with my child's teacher and the school via email, phone call, daily agenda and scheduled conferences.
- Reinforce the expectations of the school, the bus and the classroom.
- Expand learning at home through family discussions, task completion, and create opportunities for new research ideas.

When possible, participate in the school community of my student by volunteering in the classroom, the library, PSFO or preparing materials at home.

Parent Involvement:

There are many opportunities for parents to participate and learn about Elmhurst Elementary School. Family Night / AVID (Advancement Via Individual Determination) Standards / SSC (School Site Council) / ELAC (English Learner Advisory Committee) / PSFO (Parents, Staff, Friends, Organization) / Back to School Night / Awards Assemblies / Open House / School Newsletters / Website / PSFO Social Network Please contact our school to learn more about these opportunities or contact our parent organization at ElmhurstPSFO@gmail.com or <https://www.elmhurstventura.com/>

Communication on student learning:

Elmhurst Elementary School is committed to providing two-way communication with families about student learning through the following methods:

- Elmhurst website
- Newsletters
- Phone / email
- Parent conferences / report card

Professional Development Plan

Elmhurst Elementary School believes strongly in providing all employees opportunities to develop professional skills and abilities as well as acquire training on current trends aimed at improving student achievement. The goals developed for this year's school plan have identified the areas and groups of teachers that will require additional support and training to ensure students meet state proficiency targets. The School Accountability Report Card, also included in this plan, provides: 1) an overview of the basic structure of staff development practices at the site and district level, and 2) site-based areas of concentration.

During the 2021-22 school year, teachers at Elmhurst Elementary School will focus on the following trainings:

- Advancement Via Individual Determination (AVID)
- Lockdown Safety
- NWEA MAP Assessments
- Social Emotional Learning (SEL)

PRINCIPAL'S MESSAGE

The purpose of the School Accountability Report Card is to provide parents with information about the school's instructional programs, academic achievement, materials, facilities, and the staff. Information about Ventura Unified School District is also provided.

Parents and community play a very important role in the school. Understanding the school's educational program, student achievement, and curriculum development can assist both school and community in ongoing program improvement.

Elmhurst Elementary School is the only AVID school in the Ventura Unified School District. AVID (Advancement via Individual Determination) teaches students fundamental learning, study and academic behavioral skills. It is designed to be embedded into daily instruction. It encompasses writing, collaboration, organization, and reading, and utilizes research-based strategies that have proven to be successful.

At Elmhurst Elementary School, we model and encourage having a growth mindset, focus on character development and the importance of kindness and equity. In 2020 we had the Ventura County Teacher of the Year and in 2021 we worked on our AVID room and created a butterfly garden at the front of the school. We are working to develop our science lab, and are continually expanding our technology opportunities. We have recently begun a beautification project to try to give our school a "face lift." In 2019-2020 the school mural, "Elmhurst, Where Kindness Matters" was completed by a local artist on the front wall of the school. We also had a "Sensory Walk" painted in our lower hallway." Additionally, we

collaborate with our middle and high school students to provide diverse learning opportunities.

We have made a commitment to provide the best educational program possible for our students. The excellent quality of our program is a reflection of our highly committed staff. We are dedicated to ensuring that Elmhurst Elementary School is a welcoming, stimulating environment where students are actively involved in learning academics as well as positive values. Through our hard work, we will challenge our students to reach their maximum potential.

We encourage you to:

Read to your child - It is a great way to expand their vocabulary, model the love of reading and spend quality time together. Make attendance a priority - When students are absent from school, for any reason, they are missing learning opportunities. Get involved - Join the PSFO, become a School Site Council member, represent Elmhurst at monthly PAC meetings with the superintendent, volunteer in the classroom or library, help at recess, or assist in organizing a school event.

District Vision Statement

In the Ventura Unified School District all students will receive an exemplary and balanced education fostering a lifelong passion for learning and engagement. We demand excellence of ourselves because our supportive community has entrusted us with their children.

District Mission Statement

The Ventura Unified School District will educate all students in safe, healthy, and high performing schools. We will inspire all students to excel academically, honor the unique qualities and diverse backgrounds of all students, build supportive relationships, guide all students to

DISTRICT & SCHOOL DESCRIPTION

Ventura Unified School District

Ventura Unified School District is the third largest district in the county and located on the California coastline, 63 miles northwest of Los Angeles. More than 16,000 students in grades transitional kindergarten through twelve receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of 17 elementary schools, 4 middle schools, and 5 high schools.

Elmhurst Elementary School

Elmhurst Elementary School serves students in grades transitional kindergarten through five following a traditional calendar. At the beginning of the 2020-21 school year, 388 students were enrolled, including 16.5% in special education, 17% qualifying for English Language Learner support, 6.2% homeless, 1% foster youth, 0.3% migrant, and 71.1% qualifying for free or reduced price lunch.

Elmhurst Elementary School is the "home" school for the severely learning impaired special education program which provides services to approximately 40 students throughout the Ventura Unified School District and neighboring school districts within the region.

LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP)

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP).

The SARC provides the following information relevant to the State priority: Basic (Priority 1)

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- School facilities are maintained in good repair

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical sequences or programs of student.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8)

- Pupil outcomes in the subject area of physical education

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3)

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5)

- High school dropout rates; and
- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6)

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

PARENT INVOLVEMENT

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. Parents stay informed on upcoming events and school activities through ParentSquare, school newsletters, teacher newsletters, the school website, PSFO Facebook and Instagram page, teacher websites, the PSFO website, and flyers. Contact the school office manager or PSFO President at (805) 289-1860 for more information on how to become involved in your child's learning environment.

STUDENT ACHIEVEMENT

California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well

students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

Physical Fitness

In the spring of each year, Elmhurst Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's website www.cde.ca.gov/ta/tg/pf/.

The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years."

SCHOOL FACILITIES & MAINTENANCE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Elmhurst Elementary School's original facilities were built in 1960; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. Campus repair or improvement projects for the 2020-21 school year includes the following:

2020-21 Campus Improvements:

- Painting of the playground hopscotch, sensory walks, alphabet and activity obstacle course
- Begin work on AVID presentation room
- Work on the butterfly garden
- Painting of mural

Every morning before school begins, the day custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians (one full-time and one part-time) are assigned to Elmhurst Elementary School. The day custodian is responsible for:

- General Cleaning and Custodial Functions
- Restrooms
- Cafeteria Setup/Cleanup
- Routine Maintenance

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Office Areas
- Restrooms
- Classrooms
- Routine Maintenance

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal, two paraeducators, and four ground supervisors are strategically assigned to designated entrance areas, the breakfast area and playground. During recess, the principal and campus supervisors monitor playground activity. The principal, noon supervisors, and paraeducators monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal and campus supervisors monitor student behavior to ensure a safe and orderly departure.

Elmhurst Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Elmhurst Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most recent school safety plan was reviewed, updated, and shared with school staff in November 2021 and throughout the year at faculty meetings.

Campus culture promotes a secure learning environment. All persons are to be treated with dignity and respect. The district, schools, students, parents/guardians and community have an obligation to promote mutual respect and safe, harmonious relations that support dignity and equality. Bullying and harassment are not tolerated. The school district has in place policies, procedures, and practices that are designed to reduce and eliminate bullying and harassment as well as processes and procedures to address incidents of bullying and harassment when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

Facilities Inspections

The district's maintenance department inspects Elmhurst Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Elmhurst Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on October 4, 2021. During fiscal year 2020-21, all restrooms were fully functional and available for student use at the time of the inspection.

The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

Data collected during the 2020-2021 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

CLASSROOM ENVIRONMENT

Discipline & Climate for Learning

Elmhurst Elementary School's discipline policies are based upon a schoolwide discipline plan and Guidelines for Success, which are used as guides to develop school rules, develop behavior management programs, promote responsibility, promote respect, and minimize classroom disruptions. Teachers clearly identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior in the classroom. At grade level assemblies, the principal emphasizes the importance of following expectations for student behavior. Elmhurst Elementary School employs CHAMPS, a positive behavior support program focused on improving classroom behavior, establishing clear behavior expectations, reducing misbehavior, motivating students to

put forth their best effort, increasing academic engagement, and teaching students to behave respectfully and to value diversity. Elmhurst also utilizes "Kelso's Choice" to assist with decision-making, as well as daily announcements, classroom lessons, and school rules. Elmhurst Elementary School began utilizing the "Second Step" social emotional curriculum during the 2019-20 school year.

Chronic Absenteeism

The following chart identifies the chronic absenteeism rates by student group for Elmhurst Elementary School for the 2020-21 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

Class Size

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

CURRICULUM & INSTRUCTION

Instructional Materials

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials for K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education, and instructional materials for 9-12 are aligned to state standards and approved by the district's board of education.

Ventura Unified School District is currently piloting History-Social Science curriculum in the 2021-22 school year with adoption and implementation anticipated for the 2022-2023 school year. Currently, supplemental bridge materials are being used to support the implementation of the new History-Social Science state framework.

On September 21, 2021, the Ventura Unified School District Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #21-25 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English Learners, in the district to the extent that each pupil, including English Learners, has a standards-aligned textbook and/or instructional materials to use in class and to take home,

which may include materials in a digital format but shall not include photocopied sheets from only a portion of a textbook or instructional materials copied to address a shortage, (2) that all students who are enrolled in the same course within the district have standards-aligned textbooks or instructional materials from the same adoption cycle, (3) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/Language Arts, including the English Language Development component of an adopted program, 4) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 5) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to core subject areas, districts are required to disclose in their SARC the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2021-22 school year, Ventura Unified School District provided each student, including English Learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Staff Development

All curriculum and instructional improvement activities at Ventura Unified School District are aligned to the California State Standards. Staff development concentrations are selected and identified based on State Standards implementation, the new science standards, teacher surveys, and district initiatives. Findings from formative assessment results indicate that reading, writing, and mathematics are the primary focus areas.

During the 2019-20, 2020-21, and 2021-22 school years, the teachers at Elmhurst Elementary School had the opportunity to participate in districtwide staff development training focused on:

- 2019-20 Trainings:
 - History-Social Science
 - Multi-Tiered Systems of Support (MTSS)
 - Next Generation Science Standards
 - School Safety
 - Social Emotional Learning (SEL)
 - Special Education
 - Strategies for Formative Assessments
 - Technology Training
 - Universal Design for Learning

- 2020-21 Trainings:
 - Behavior Team's Role during Distance Learning (Special Education)
 - Canvas Basics & Gradebook
 - Distance Learning Plans
 - Elementary Resource
 - English Learner Support and Review and ELPAC
 - Facilitated Canvas Course Customization Support (Special Education)
 - GATE Icons
 - Google Basics
 - Grade Level Meetings with District Lesson Builders
 - Paraeducator Role during Distance Learning

Supplemental site-based training takes place during faculty and grade level meetings. The principal identifies teacher training needs based upon parent survey results, teacher input, teacher evaluations, and the Healthy Kids Survey. During the 2020-21 school year, Elmhurst Elementary School's staff development activities concentrated on:

- AVID Strategies
- Canvas
- Multi-Tiered Systems of Support (MTSS)
- Seesaw
- Technology Training
- Universal Design for Learning (UDL)

The district also offers supplemental professional development to follow up and support year-round and ongoing programs centered around reading, writing, and math and tied to either specific strategies to improve student learning or district-adopted curriculum materials. Supplemental professional development is offered throughout the school year on early student release days, after school, on designated staff development days, and during substitute release time. Teacher Content Specialist Teams work with school site administrators and teaching staff to provide support and training to ensure the successful implementation of the Common Core Standards.

The Ventura County Teacher Induction Consortium is a two-year, individualized, job-embedded system of mentoring, support and professional learning that begins in the teacher's first year of teaching for newly credentialed teachers in California. The program is accredited by the Commission on Teacher Credentialing

(CTC) and is administered by the Ventura County Office of Education (VCOE), Educator Support and Effectiveness (ESE) department, in coordination with a consortium of 18 school districts, local charter schools, private schools, and 5 university partners.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Ventura County Superintendent of Schools as well as the Ventura Unified School District. Profession and subject specific offerings are consistent with the California Content Standards. Classified support staff may receive job-related training from district representatives; training activities and workshops are designed to enhance and extend job performance.

PROFESSIONAL STAFF

Counseling & Support Staff

Elmhurst Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally.

The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Elmhurst Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Teacher Preparation and Credentials

The charts below identify the number of teachers at Elmhurst Elementary School, Ventura Unified School District and the State who are 1) fully credentialed; 2) intern credential holders who are properly assigned; 3) teachers without credentials and misassignments; and 4) credentialed teachers who are assigned out-of-field under ESSA.

The charts also report Elmhurst Elementary School information related to 1) the number of teachers on permits and waivers; 2) the number misassigned; 3) the number of vacant positions; 4) the number of credentialed teachers authorized on a permit or waiver; 5) the number of local assignment options; 6) the percent of misassignments for English Learners; and 7) the percent with no credential, permit or authorization to teach.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

SARC DATA

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Elmhurst Elementary School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Ventura Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials sections was acquired in October 2021 and the school facilities section was acquired in November 2021.

DISTRICT EXPENDITURES

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2019-20 salary comparison data was the most recent data available at the time this report was published.)

Expenditures Per Student

For the 2019-20 school year, Ventura Unified School District spent an average of \$11,605 of total general funds to educate each student (based on 2019-20 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE web site at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the following table reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

School Site Council Bylaws

SSC Chairperson: Alex Bault 10/20/20

ELMHURST SCHOOL SITE COUNCIL BYLAWS**ARTICLE I**

Name of Council

The name of this council shall be the Elmhurst School Site Council.

ARTICLE II

Role of Council

The Single Plan for Student Achievement (SPSA) shall be developed and recommended by the School Site Council (SSC). The SSC, following approval of a SPSA by the Ventura Unified School District (VUSD) governing board, shall have ongoing responsibility to review with the principal, teachers, other school personnel, and pupils the implementation of the SPSA and to assess periodically the effectiveness of such program. Modifications or any improvement to the SPSA shall be developed, recommended, and approved or disapproved in the same manner. The SSC shall carry out all other duties and responsibilities assigned to it in the Education Code of the State of California.

ARTICLE III

Membership

The needs and resources of the SPSA require that staff membership include broad representation of parents and staff, including socioeconomic and ethnic groups represented in the school attendance area. The minimum standards for the representation on the SSC shall be: the principal and representatives of teachers at the school, other school personnel selected by other school personnel at the school, and parents of pupils attending the school selected by such parents.

The SSC shall be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel and (b) parents or other community members selected by parents. Classroom teachers shall comprise the majority of those persons representing school staff.

SSC members representing parents or other community members shall not be employees of Elmhurst School.

All members of the SSC shall serve for a two-year term. However, in order to achieve staggered membership, one-half, or the nearest approximation thereof, of the members representing parents or community members and one-half, or the nearest approximation thereof, of the members representing teachers and other school personnel (except the principal) shall serve for a one-year term only during the first year of the SSC's existence. After the first year of the SSC's existence, all terms shall be two years in length. At the first regular meeting of the SSC, a chance method shall be used to determine which member shall serve one-year terms. At the conclusion of a member's term, said member may be reelected for another term of office.

Section 3 - Voting Rights

Each member shall be entitled to one vote and may cast that vote on each matter submitted to a vote of the SSC. Absentee ballots shall not be permitted.

Section 4 – Termination of Membership

A member shall no longer hold membership should he or she cease to be a resident of the area or no longer meets the membership requirements under which they were selected, e.g. a parent becomes employed by Elmhurst School. Membership shall automatically terminate for any member who is absent from all regular meetings for a period of three consecutive meetings. The SSC, by affirmative vote of the majority of all of the members, can suspend or expel a member.

Section 5 – Transfer of Membership

Membership in the SSC is not transferable or assignable.

Section 6 – Resignation

Any member may resign by filing a written resignation with the VUSD governing board.

Section 7 – Vacancy

Any vacancy on the SSC shall be filled for the remainder of the school year by appointment by the chairperson. If the unexpired term is for another full year thereafter, the term for that year shall be filled by the regular selection process.

ARTICLE IV

Officers

Section I – Officers

The officers of the SSC shall be a chairperson, vice-chairperson, secretary and such other officers as the SSC may deem desirable.

Section 2 – Election and Term of Office

The officers of the SSC shall be elected annually and serve for one year or until each successor has been elected.

Section 3 – Removal

Any officer may be removed by a majority vote of all members sitting on the SSC whenever, in the judgment of the SSC, the best interests of the SSC would be served thereby.

Section 4 – Vacancy

A vacancy in any office because of death, resignation, removal, disqualification, or otherwise shall, by special election, be filled by the SSC for the unexpired portion on the term.

Section 5 – Chairperson

The chairperson shall preside at all meetings of the SSC and may sign all letters, reports, and other communications of the SSC. In addition, the chairperson shall perform all duties incident to the office of chairperson and such other duties as may be prescribed by the SSC from time to time.

Section 6 – Secretary

The secretary shall keep the minutes of the meetings, both regular and special, of the governing board and shall promptly transmit to each of the members, to the school district, and to such other persons as the SSC may deem, true and correct copies of the provisions of these bylaws; be custodian of the SSC records; keep a register of the address and telephone number of each member of the SSC, which shall be furnished to the secretary by such member; and in general, perform all duties incident to the office of secretary and such other duties as from time to time may be assigned to the office by the chairperson or the SSC.

ARTICLE V

Committees

Section 1 – Subcommittees

The SSC may establish and abolish subcommittees of its own membership to perform duties as shall be prescribed by the SSC. At least one member representing teachers and one member representing parents shall make up the subcommittee. No subcommittee may exercise the authority of the SSC.

Section 2 – Other Standing and Special Committees

The SSC may establish and abolish standing or special committees with such composition and to perform such duties as shall be prescribed by the SSC. No such committee may exercise the authority of the SSC.

ARTICLE VI

Meetings of the School Site Council

Section 1 – Regular Meetings

SSC shall meet regularly at least five times a year.

Section 2 – Special Meetings

Special meetings may be called by the chairperson or by majority vote of the SSC.

Section 3 – Place of Meetings

The SSC shall hold its regular meetings and its special meetings in a facility provided by the school and readily accessible by all members of the public, including handicapped persons.

Section 4 – Notice of Meetings

Public notice shall be given of regular meetings at least 72 hours in advance of the meeting. Any change in the established date, time or location must be given special notice. All special meetings shall be publicized. Any required notice shall be in writing; shall state the day, hour, and location of the meeting and shall be delivered either personally or by mail to each member not less than 72 hours or more than two weeks prior to the date of such meeting.

Section 5 – Decisions of the School Site Council

All decisions of the SSC shall be made only after an affirmative vote of a majority of its members in attendance, provided a quorum is in attendance.

Section 6 – Quorum

The presence of 51% of the total membership shall be required in order to constitute a quorum necessary for the transaction of the business of the SSC. No decision of the SSC shall be valid unless a majority of the members then holding office concur therein by their votes.

Section 7 – Conduct of Meetings

Meetings of the SSC shall be conducted in accordance with the rules of order established by the *Education Code* Section 3147(c), and with *Robert's Rules of Order* or an adaptation thereof approved by the SSC.

Section 8 – Meetings Open to the Public

All meetings of the SSC, and of committees established by the SSC, shall be open to the public. Notice of such meetings shall be provided in accordance with Section 4 of this article.
