## ESSENTIAL SKILLS FOR MIDDLE LEVEL STUDENTS:

### PLANNING FOR HIGH SCHOOL WEBINAR

February 21, 2023, 7:00-8:00 p.m. ET

High school is just around the corner for your 8th grader! Take advantage of the knowledge and expertise of college admissions professionals as they share their tips about making the most of your high school journey. In this webinar, find out about setting goals, taking on new challenges, and making strides to ensure you stand out in college applications. [Register here.](#)

---

**ML Parents:** Please see the slides linked [here](#) for the information we reviewed with students about tardies. We would like to see a decrease in tardies across the middle level. When students arrive late to class, there is a disruption for everyone already in the room ready to start class. We would like to recognize both the students who are arriving on time as well as support students who are struggling. Thank you for your support.

### A Note from Mrs. Hagan Regarding 9th Grade Math Placement

If your child is in Advanced Algebra or Advanced Geometry this year, they will receive a course recommendation letter on Monday (Geometry) or Tuesday (Algebra) of next week. Please look over the letter with your child and discuss their course placement for next year. If you have any questions please reach out to Mrs. Hagan.

### CAREER DAY

Each year your middle school counselors host a career day for our middle school students to participate in a career day where we have had over 60 speakers attend and share insight into the many opportunities our students can explore in their future. We have so much fun making this event a success at Eldorado each year and we hope that some of you will share your precious time with us to talk to our students about your career. Therefore, we are reaching out to YOU to volunteer to be a career speaker or if you can share this with someone that you know who might be interested as well. This event will take place on March 16, 2023. We encourage you to fill out this [Career Day Speaker Interest form](#) ASAP (deadline February 20th).

If you have questions or have ideas to support this event please direct them to Stefanie Abrams- middle school counselor--- [stefanie.abrams@bvsd.org](mailto:stefanie.abrams@bvsd.org) or 720-561-4497.
