FAMILY REGISTRATION
NIGHT AT
ATLANTIC HIGH SCHOOL

March 8, 2023

AHS Media Center

anytime from 5:00 PM to 6:30 PM

In January, MOST middle school students were registered for their high school classes. You only need to attend if:

- ⇒ Your child was absent for registration at their middle school
- ⇒ Your child is currently in private or homeschool but plans to attend AHS in the fall
- ⇒ Your child has been accepted to a Career Academy at AHS

****please bring a copy of your student's most recent report card and test scores (if possible). Also, a copy of your academy acceptance email if you applied and were accepted (digital copy is fine).***

This is NOT a required event . MOST middle school students were already registered. If you are unsure if you need to attend, have questions about your child's freshman schedule, or need to make any changes to your child's schedule, please call or email your school counselor.
