

## Sunrise Elementary School School & Community Goals 2023-2026

Vision Statement: Empowering students, staff and the community to RISE up to their potential.

### Goal 1

**Establish a schoolwide social emotional program that supports student self-regulation and PBIS RISE expectations.**

#### **What does it Look Like at Sunrise**

- Increase in student ability to self-regulate.
- High level of staff implementation of the program.
- Decrease in office handled referrals.

### Goal 2

**Increase family involvement by providing opportunities to engage and involve families in the school community.**

#### **What does it Look Like at Sunrise**

- Consistent attendance at after school events with the goal of 15% of family attendance as compared to student enrollment.

### Goal 3

**Provide professional development for the Sunrise staff to increase knowledge of effective engagement strategies to use in the classroom.**

#### **What does it Look Like at Sunrise**

- Increase in purposeful and planned implementation of engagement strategies in all classrooms.
