Wellness Policy Assessment Tool

Form 357 Rev 12/15

This template provides information on wellness policy goals and practices within the LEA. Use this tool to track progress and gather ideas on ways to create a healthier school environment. A separate assessment should be completed for each school or at a minimum, each school level. The wellness policy and completed assessment must be available to the public.

☒ Elementary School☒ Middle School☒ High School

Yes No

III. Nutrition Promotion

Our district's written wellness policy includes measurable goals for nutrition promotion.

We promote healthy eating and nutrition education with signage, use of creative menus, posters, bulletin boards, etc.

We have reviewed *Smarter Lunchroom* techniques and evaluated our ability to implement some of them.

We place fruits and vegetables where they are easy to access (e.g. near the cafeteria cashier or near the front of the line).

We ensure students have access to hand-washing facilities prior to meals.

We annually evaluate how to market and promote our school meal program(s).

We regularly share school meal nutrition, calorie, and sodium content information with students and families.

We offer taste testing or menu planning opportunities to our students.

We participate in Farm to School activities and/or have a school garden.

We only advertise and promote nutritious foods and beverages on school grounds (e.g. buildings, playing fields, etc.).

We price nutritious foods and beverages lower than less nutritious foods and beverages.

We offer fruits or non-fried vegetables in:

☐ Vending Machines☒ School Stores☒ Snack Bars☒ à la Carte

We have nutritional standards for foods/beverages served at school parties, celebrations, events, etc.

We provide teachers with samples of alternative reward options other than food or beverages.

We prohibit the use of food and beverages as a reward.
