**SPACE IS  
LIMITED!**

Non-Title I

**Registration is Now Open!**

### Online Application Process

1. Students are enrolled on a **first come, first serve basis**.
2. Go to: [afterschool.slcschools.org](https://afterschool.slcschools.org).
3. Fill-out the application. You will receive a notification email verifying that we have received your application.
4. This email **DOES NOT** indicate that your student is registered in the Community Education After-School Program.
5. The school administrator and site coordinator of the school building collaborate together to make **ALL decisions involving the enrollment** in the Community Education After-School Program for that school site.
6. **Families will be notified via an email if their student has been accepted or not accepted to the program.**
7. When a site's after-school program reaches capacity, no additional students will be allowed to enroll in that site's after-school program.
8. If an opening in a particular school's after-school program becomes available, that school will communicate the opening to its school community.

### Program Overview

**Daily Rotations include CARE.**

The After-School Program expectations align with the school day expectations & the daily rotations include **CARE** (Café, Academics, Recreation, & Enrichment).

1. **Social and Emotional Learning:** activities geared around helping our students succeed in the classroom and throughout their lives;
2. **STEAM Activities:** **STEAM** (Science, Technology, Engineering, Art, and Math) These activities encourage students to think about real-world problems through design challenges;
3. **Digital Citizenship:** lessons to help students focus on using technology while taking ownership of their digital lives in responsible ways;
4. **Health and Wellness:** activities will be provided that focus on fitness and healthy choices; and
5. **Enrichment Clubs:** students will have access to enrichment opportunities based on interest.
