

Summer 2023 Full-Day Programs

Community Education offers programming during the summer months for families requiring child care or full day activities.

SUMMER

Summer Edventures

Preschool (3 by 9/1/22)

Summer Edventures is a full-day childcare program specifically for preschool-aged children age 3 (by 9/1/22) through entering kindergarten. In Summer Edventures, your child will be actively engaged in both indoor and outdoor activities in areas of art, science, music, dramatic play and many more. A rest period is also a part of our daily schedule. We also utilize outside vendors for our on-site fieldtrips to bring the fun to our preschoolers throughout the summer. *All children enrolled in Summer Edventures must be fully potty trained and independent in self-help skills.

Summer Club Care

Entering grades 1-4

Fun-filled summer days are on the way! Club Care curriculum is developed based on the needs and interests of students and with the philosophy that learning is a year-round process.

Students will have the opportunity to go on several fun off-site field trips throughout the summer as well as experience on-site presenters. On field trip days, all students and staff attend the trip. The field trip/site activity costs are included in tuition and each child receives a t-shirt to be worn on field trip days. Additional shirts may be purchased for \$10 each at the time of registration.

Summer PULSE

Entering grades 5-8

The PULSE is designed to meet the needs of older elementary and middle school students as they grow into responsible teens. At times, young people will be outside of the direct supervision of adults with clear expectations about appropriate boundaries and rules. This will apply to certain times on site as well as field trips throughout the summer. Abuse of rules, check-in times, and set parameters will result in loss of privileges. Attention to the needs of young teens and pre-teens will be given and, at times, different age groups will have different boundaries in terms of supervision.

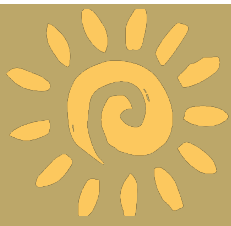

Participants of the PULSE program will have the opportunity to go on field trips throughout the summer. A schedule will be available by early April. In addition to the scheduled trips, PULSE may add impromptu trips as decided by the participants. Ideas will be generated by participants and could include an afternoon movie on rainy days, trips to Dairy Queen, local parks, etc. In order to provide more flexibility to accommodate older children's busy schedules, PULSE families have an option to pick their days of attendance for the summer. Pick your day schedules must be completed by **Friday, April 14th 2023**. After April 14th scheduled days will not be refunded. Additional days may be added as space allows for an additional fee. This year, families may also choose to register using a consistent schedule of 3-5 days per week, the same days each week. Choosing a consistent schedule is accompanied by a \$2/day discount. For those who choose a consistent schedule, vacation days may be requested.

Summer 2023 Full-Day Programs

Vacation Time

Vacation days are allotted based on the number of days per week you are registered. If you are registered 5 days per week, you will receive 5 vacation days, 4 days per week and you will receive 4 vacation days, etc. Once the allotted days have been used, payment is required for any additional absences. **In order to use vacations days, you must have a consistent schedule. Pick your day scheduling for the PULSE does not qualify for vacations days**

Meals

A light breakfast and an afternoon snack are provided daily. Families must provide a bag lunch and beverage daily.

Registration Opens Tuesday, February 21st! Summer registration opens on-line for ALL FAMILIES February 21st at 8:00 a.m. A non-refundable registration fee of \$35 is due at the time of registration.

February 21st – March 1st we will review and process registrations of families currently enrolled in the full day preschool and/or Club Care programs. Beginning March 2nd, we will review and process other registration requests based on the order received and space availability at desired site, until full.
