

CARROLL SCHOOL

February 9, 2023

Dear Carroll School Families:

I am writing to provide you with information about the 2023-24 academic year, including tuition and our School's collective commitments.

The Board of Trustees of the Carroll School has set tuition for the 2023-24 school year at \$61,100. In addition to ensuring a world-class education for our students, the Board continues to support Carroll's strategic priorities of financial assistance and faculty compensation while balancing the financial needs of our families. We are mindful of the economic environment and the impact on families.

We continue to hold our collective commitments around what it means to provide extraordinary, individualized education to students with language-based learning differences at Carroll. We are steadfast in our dedication to empowering our students to become strong self-advocates, confident lifelong learners, and fantastic problem solvers and critical thinkers. And we do this all in an inclusive environment that honors diverse strengths, identities, and lived experiences.

Families will use the Ravenna online tool to complete/sign the enrollment contract and pay the tuition deposit. Please complete both steps by March 1, 2023, to secure your child's spot for fall 2023.
