General Contractor Process

As of November 7, 2022 I had access to the 99% progress drawings for the building project for the district. The week of November 21st HSR sent the plans out to receive bids from general contractors. We are tentatively looking to receive the bids by December 20, 2022. As part of the bid process there will be a pre-bid walkthrough around December 6, 2022.

Shortly after receiving the bids the Board will review the bids and decide on how to proceed. If everything goes well the Board will choose a general contractor and the process will proceed. The hope is for the project to begin work in late March or early April. Of course weather will play a role of when the construction actually starts.

Once the project begins it is planned to proceed in the following manner. Phase 1, which will include the construction of the classroom wing from the ag building to the east edge of the current main doors and the office addition are planned to be completed in December of 2023. In January and February of 2024 the 1921 section, the 1938 section and the office portion of the building will be torn down. Then in March/April of 2024 the remainder of the classroom wing will be constructed with the intent of being completed by December of 2024.

Some other key transitions will occur during the nearly two-year process. In the summer of 2023 the current library will be converted into three rooms which will eventually be the MS special needs room, the HS Special needs room and a staff workroom. The upper commons will be converted into 3 temporary rooms for use while phase II of the project is being completed. A temporary wall will be built between the stage and the gym to temporarily house the library. Eventually the upper commons will be converted into the new library with two collaboration rooms included in the space.

Looking forward to the next two years it currently seems like it will be an eternity. I am sure once it gets started the time will go by quickly and the project will be completed before we know it. I am very confident that during construction there will be many difficult situations to deal with, but I am just as confident that all involved will make it work.

In the end the community will have a very nice and accessible facility for the students to learn and the community to attend events.

STATE TESTING

ACT Plus Writing---All Juniors

Black Hawk students in grade 11 will take the ACT with writing® which includes Reading, Math, English, Science, and Writing. The ACT is an in-person assessment that will be administered at school.

Save the date for March 7th, 2023

Make up Date: March 21st, 2023

PreACT—All Freshman and Sophomores

The PreACT is a summative assessment that measures what students have learned in the areas of: English, Reading, Math, and Science. The PreACT is an online assessment that may help to predict how a student will perform on the ACT when they reach 11th grade and their readiness for college-level coursework.

March 20th-April 28th-Dates will be finalized by February

Forward Exam Testing Window

The Forward Exam is designed to gauge how well students are doing in relation to the Wisconsin Academic Standards. These standards outline what students should know and be able to do in order to be college and career ready. The Forward Exam is administered online in the spring of each school year at:

- grades 3-8 in English Language Arts (ELA) and mathematics,
- grades 4 and 8 in Science and,
- grades 4, 8, and 10 in Social Studies.

Grades 3-5---March 20th-April 6th

Grades 6-8—April 4th-April 21st

October Employee of the Month

Rachel Wolff

Please join me in congratulating Mrs. Rachel Wolff as the employee of the month. Mrs. Wolff was nominated by multiple peers for her high standards in the classroom, excellent classroom management, but yet good rapport, with students, and her return to coaching volleyball which created a positive, stable experience for those student athletes.

Congratulations Mrs. Wolff.

On October 17th, the junior class attended the Wisconsin Educational Fair on the UW-Platteville campus. Students were given the chance to walk around and obtain information from college representatives, technical college representatives, military staff, and a few trade school agencies. After the event, the class walked around the UW-Platteville campus, ate lunch and ended the day walking up the 266 steps of the Big M just outside of Platteville.

The Black Hawk School District would like to graciously thank Mr. Dick Schliem, who served as a school bus driver for Woodford rural schools and the Black Hawk School District since 1971. Dick drove the BH boys football, basketball, and baseball teams to games from 1976-2018, and was the Ultimate Warrior fan! Dick will always be remembered for his kind heart and big, big smile whenever his students would board his school bus. Seeing Dick's smile was the first and last thing that many of our students saw during their school days! Dick - Thank you for all of your years of service to the Black Hawk School District.

Information on Influenza

The “flu”, also called Influenza, is a very contagious respiratory disease caused by a virus. It starts around November and is usually seen up through March. It can be mild in nature or very severe, requiring hospitalization. It is different from a cold in that it usually comes on suddenly. Common symptoms of the flu are as follows:

- *Fever or feeling feverish with chills—not everyone will have a fever
- *Cough
- *Sore throat
- *Runny or stuffy nose
- *Muscle and body aches
- *Fatigue (tiredness)
- *Headache
- *Children may have vomiting or diarrhea, not common in adults.

Usually when a person gets the flu they can recover in a few days up until 2 weeks. However, pneumonia is a complication of the flu and can be life-threatening. Other complications from getting the flu are bronchitis, sinus infections, and ear infections. The flu can also make certain health conditions worse. For example, adults and children who have asthma will most likely have more asthma attacks because of having the flu.

Flu is spread to others up to 6 feet away by droplets when a person sneezes, coughs or talk. Another way the virus spreads, though not as common, is through touching surfaces with the flu virus and then touching your mouth, nose, or eyes. Washing hands or using alcohol-based hand rub is the single best method for preventing spread of the flu.

Those at higher risk for getting the flu are the elderly, people who have chronic medical conditions, pregnant women, and young children. Influenza is unpredictable, it varies from person-to-person and one season to another. Vaccination is one of the best ways to avoid the illness.

If you or your child gets the flu please stay home until the fever is gone without the use of medicine for at least 24 hours. Limit contact with others and wash your hands often.

Please see the following information for parents and having a child with influenza from the CDC.

RSV...What you need to know?

Symptoms

People infected with RSV usually show symptoms within 4 to 6 days after getting infected. Symptoms of RSV infection usually include

- Runny nose
- Decrease in appetite
- Coughing
- Sneezing
- Fever

Wheezing

These symptoms usually appear in stages and not all at once. In very young infants with RSV, the only symptoms may be irritability, decreased activity, and breathing difficulties.

Care

Most RSV infections go away on their own in a week or two.

There is no specific treatment for RSV infection, though researchers are working to develop vaccines and antivirals (medicines that fight viruses).

Take steps to relieve symptoms

- **Manage fever and pain** with over-the-counter fever reducers and pain relievers, such as acetaminophen or ibuprofen. (Never give aspirin to children.)
- **Drink enough fluids.** It is important for people with RSV infection to drink enough fluids to prevent dehydration (loss of body fluids).
- **Talk to your healthcare provider** before giving your child nonprescription cold medicines. Some medicines contain ingredients that are not good for children.

RSV Prevention

There are steps you can take to help prevent the spread of RSV. Specifically, if you have cold-like symptoms you should

- Cover your coughs and sneezes with a tissue or your upper shirt sleeve, not your hands

[Wash your hands](#) often with soap and water for at least 20 seconds

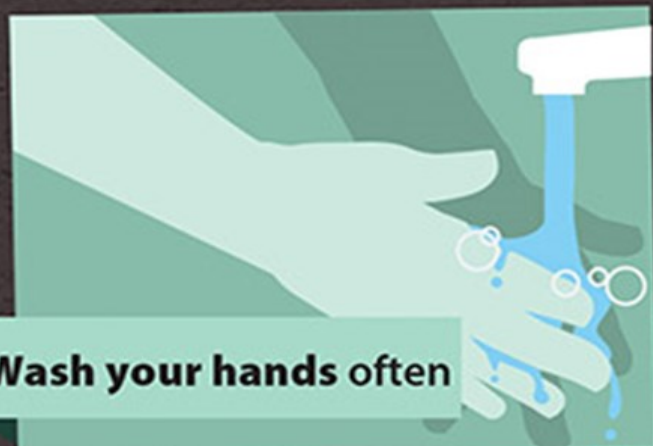

- Avoid close contact, such as kissing, shaking hands, and sharing cups and eating utensils, with others

Clean frequently touched surfaces such as doorknobs and mobile devices

PROTECT YOUR CHILD from RSV

Avoid close contact with sick people

Wash your hands often

**Cover your coughs
& sneezes**

Clean & disinfect surfaces

**Avoid touching your face
with unwashed hands**

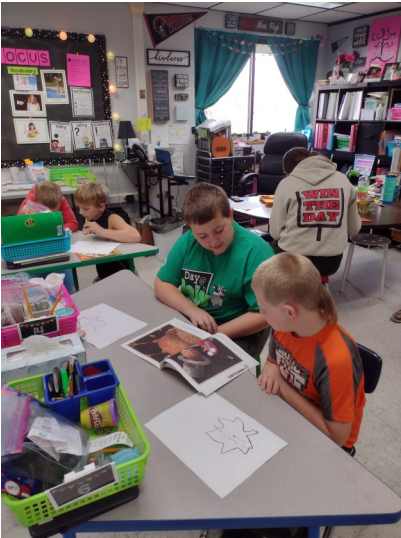

Stay home when you're sick

Black Hawk Forensics

...come see what we are “TALKING” about...

The 2023 Forensics season is just around the corner, and I am excited to be back as head coach. “What is Forensics, though?” some of you may be asking.

It is competitive speaking and drama. Students choose a category or two, a piece within that category -- usually a reading, a cutting from a play, or an original speech -- and perform it at the events listed below.

Typical Saturday competitions begin with three preliminary rounds beginning at 9:00 with and the final round beginning at 2:00 p.m. Medals are awarded to finalists; trophies to 3rd through 1st place. Students typically load the school bus around 6:30 a.m. and return around 5:30 p.m. We will use these early tournaments as practice for the Wisconsin High School Forensics Association’s state festival series of Sub-district, District and State.

Any 9-12 student can join Forensics and compete as a varsity team member. Interested students should attend the informational meeting during school – date TBD. Interested parents are encouraged to e-mail Sheila Bredeson at breshe@blackhawk.k12.wi.us.

Black Hawk FFA

November 2022

Food for America

On November 4th we held food for America at school. This event consisted of many FFA members helping either being group leaders or teaching the elementary kids about a variety of things involving FFA. The purpose of this event was to allow the members to educate the younger generation about what FFA is and the many things involved in it. Some stations we had were plants, equine, goats, dairy, FFA, poultry, harvest, and dairy products. The kids got to go around to each station where we had the members talk about their station and then end the station visit with a fun activity. It was a great day. We appreciate everyone who helped run the event and the teachers who allowed us to teach their kids for the day!

National Convention

In last month's newsletter, I mentioned national convention. However, I was unable to write a day-by-day of what we did as we left the same day the newsletter was due. So as this happened last month I will be talking about the trip this month. On day one our group of eight left school around 10:30 on Tuesday. We spent most of the day traveling after checking in to our Airbnb we went out to Kroger to get groceries and we went to steak and shake for our first dinner in Indianapolis. Then on day two, we woke up bright and early to go to the convention center at 8:00 am. We spent the whole day Wednesday at the convention center until around 3:30 when we headed over

to the Lucas Oil Stadium for the opening session. We were there until 5:30 where we then headed over to Buca di Beppo, an Italian restaurant for dinner. Then after dinner, we went to an escape room called breakout where we, unfortunately, didn't escape but we all still had fun. The next day we started yet another day early with a forger teaching us what we can and can't eat in the wild. Then we headed over to a conservatory and the Indy 500 speedway for tours. After that, we went to Red Robin for dinner followed by axe throwing where everyone got a bullseye to end the third day. On the last day, we went to the convention center for the last time yet again bright and early at about 8:00. We then left at 10:30 to go to Fair Oaks. We spent a good amount of time at Fair Oaks as we took the tour and got lunch. After lunch, we headed back to school and we got back around 7:00 to end our really fun and eventful trip. Finally a big thank you to the alumni for their generous donation towards this trip!

I believe in the future of agriculture

Sportsman's Night

On November 5th we had our annual sportsman's night. This year we had a really good turnout and it was a very successful night. For those who don't know what this night consists of, it is filled with a variety of things: we have a nice dinner, auctions, raffles, walk-throughs, and more. We are extremely grateful for everything Powers Auction does for us as they give us a very nice building to host in as well as tables, chairs, a kitchen, and much more. Thank you, we appreciate everything you guys do for us!

Connect I AM

November 11th we had a group of four girls and four guys go up to the Wisconsin Dells. Those members who went got to participate in a variety of leadership conferences and learned many new things about how to be great leaders. This conference was to help them be confident in their leading abilities within not only our chapter but outside of it as well.

Adopt a Family

The officer team had a meeting to start prep for adopt a family which is approaching quickly. We decided that this was a great thing to do for our community although we need anyone who can help to donate to help us be successful. We are asking for donations like clothing, canned items, children's toys, essential hygiene products, etc. Thank you for your help in making this event a success!

Big Buck Contest & Potluck

November 28th we will have our big buck contest. For this, we ask any hunters who would like to participate to bring in three canned items to donate towards our food pantry as well as a small entry fee. The hunters who win will get a variety of prizes like gift cards, FFA apparel, and more. We also had a potluck along with the contest where we had many attendees and a great variety of food.

Sincerely your 2022-2023 FFA reporter,

Allyse Troemel

Dear Family and Friends:

We are excited to inform you that we are participating in an incredible program that allows us to ear **FREE** classroom equipment and supplies!

Here's How You Can Help!

- Shop at Hartzell's IGA from September 1st, 2022-April 28th, 2023
 - Save your receipts and send them to school with your child
 - Your receipts will earn us points for free classroom equipment donated by the store!
- Please submit your receipts to school by **April 28th, 2023** in an envelope marked

Attention Mrs. Pickett. Thank you!

Recycling and Other Dumpsters

As always the staff and Board thank everyone who has donated to the metal/aluminum can drive. The funds have proven to be beneficial to the staff and students of the school district. The district greatly appreciates the efforts of Powers Auction Service in providing this opportunity.

A couple of notes that we would like to make:

Please do not place items with Freon/coolant in the recycling dumpster

Please do not place TV's or Computer/Related technology in the dumpster

Please do not place trash in the recycling dumpster

The other dumpsters (serviced by Faherty) are for school uses only

We do appreciate the donations. Improper use of the dumpsters costs the district and may result in a net loss.

Sincerely,
Willy Chambers

Parents Club News

THANK YOU to all who ordered and participated in the Fall Fundraiser!
We really do appreciate the support!

A reminder that the Parent's Club meets in the upper commons at 6:00 on the 1st Thursday of the month (we do not meet every month), below are the meeting dates for the remainder of the year:

February 2nd

April 6th

May 4th

A few things you can keep on doing to support the Parent's Club:

Scan your boxtops...if you haven't downloaded the APP, please do so, it's a super easy way to help!

The scrip program, grab some gift cards for birthdays, weddings, showers, the holidays coming up, or just for yourself, it's a great opportunity to support the Parent's Club!

www.boxtops4education.com

Keep an eye out for future fundraisers and activities! A great way to do this is to follow our Facebook page (Black Hawk Parent's Club)

Again we want to thank you for your continuous support! As always, please feel free to reach out to any one of our officer team with any questions or concerns.

We want to wish you all a very Happy and Safe Holiday season!

I would like to thank everyone for their support of the Book Fair this year. It was a great event that everyone enjoyed. Sales from the Book Fair totaled approximately \$5,000 which means that the library earned about half of that in Scholastic Dollars. A portion of this money has been spent on books for classroom libraries. The other portion will be used to buy books or library furnishing to spruce up the library. Thank you for your continued support and for spreading the "Love of Reading" on to your children. As always...

**Happy Reading,
Mrs. McCauley**

We are very proud to announce the dates of our annual baseball camps! Our coaching staff will focus on mechanics and fundamentals, and our Ripon College players will be present to demonstrate and assist. Head Coach Eric Cruise and Assistant Coaches Phil Pupillo and Derek Loomans will direct the camps.

The Ripon College baseball camp has become one of the best in the Midwest. Sessions are designed to provide individual instruction including some video analysis to help each camper apply what they have learned. Development of each camper's skill set, knowledge base, and self-awareness is the goal of every session.

Eric Cruise
Head Baseball Coach

"This camp exceeded our expectations. The coaches' knowledge, passion, and kindness were like no other camp our son has ever participated in to date. Ripon baseball camp has redefined a quality camp standard for us and we will definitely be coming back! They kept the camp moving, provided fun, solid and fundamentally sound activities and challenged each participant to evaluate themselves in skill and character. Thank you for pulling the best out of those in attendance, for genuinely caring for the attendees and sharing your love and knowledge of this wonderful game of baseball."

~ Parent of camper, 2019

"This camp, more than any other, exceeded expectations. The attention to the detail behind the fundamentals was not only emphasized, but each participant received individual instruction."

SCHOOL DISTRICT OF BLACK HAWK

OCTOBER 12, 2022 - REGULAR MEETING

The meeting was called to order at 6:00 pm in the Collaboration Room by President Kerry Holland. The following members were present: Dee Paulson, Jim Baumgartner, Jessica Seffrood, Val Dunlavey, Kerry Holland, Alicia Sigafus and Jason Figi. Also present was Administration of Willy Chambers, Cory Mills and 8 guest.

Motion by Paulson and seconded by Figi to consent to agenda. The motion carried on a voice vote.

Administration Report:

Chambers:

Last week was School Board recognition week. Thank you for your service to the community, the staff, and the students. Your work in this role is not understood by many and is underappreciated by most.

The annual meeting is coming up on October 24, 2022, at 7 PM.

Along with a few staff members, I will be going to look into a FabLab grant through the Wisconsin Economic Development Corporation.

The state budget for 23-25 will be coming up shortly after the election. I believe most of you have heard me mention the fiscal cliff that we will be experiencing for the next biennium budget. WASDA and the AASA will be pushing for a three-prong approach to increase funding: 1. Increase special education reimbursement which decreases fund 10 to fund 27 transfer and makes more money available for all students, A per pupil increase either in the revenue limit or per-pupil categorical aid and lastly non-competitive grants for school-based mental health.

The current revenue limit worksheet is attached. The mill rate is at 6.35 based on the estimated property value provided by Baird. This mill rate is 1.2 below the projected number used for the referendum. You could tax for more to offset the additional debt, considering the current economy I will suggest that the Board leaves the mill rate where it comes out to when everything is done. This will be part of the proceedings at the annual meeting.

Open enrollment has moved in the right direction:

- 2021-2022 OE In FTE 43 which brings in \$393,550
- 2021-2022 OE Out FTE 68.2 which costs \$557,401
- a difference of (\$163,851)

Current

- 2022-2023 OE In FTE 48.7 which brings in \$461,158
- 2022-2023 OE Out FTE 59.9 which costs \$521,728
- a difference of (\$60,570)

The special education staff is working on finishing up the Reading Drives Achievement: Procedural Self-Assessment (RDA: PSCA). The teachers along with Ms. Smith are submitting the last 5 documents needed to complete the review.

Melissa has been working diligently on a daily basis to fill substitute teacher/aide roles. I applaud her for her efforts. Mr. Milz and I on occasion have needed to step in and assist in filling an opening. The staff has been flexible and supportive as well in making things work for all of our students.

Attached you will find a thank you from ASSE - International Student Exchange Programs. Sandy and Stuart Seffrood are hosting Aizhana Tolkunova as an exchange student from Kyrgyzstan.

Milz:

1. Thank you to Parent's Club, B.H. Booster Club, B.H.H.S. Student Council, and Mr. Petitjean for making Homecoming 2022 a fun event for students. Thanks to Jason Herbst and the Jerry Scott family for a wonderful fireworks show. Thank you to Quentin Rood for volunteering to support the fireworks show with music. Also thank you to the area fire departments for being on-site and supporting our fireworks show.
2. Would like to welcome Doug O'Brien, a new social studies teacher to the district. We also would like to welcome new paraprofessionals: Emma Lehman, Jennifer Hicks, and Alyssa Hagen.
3. Thank you to Gratiot, South Wayne, Cadiz, and Woodford Fire departments for hosting our elementary students during Fire Safety this week on Monday and Tuesday.
4. Thank you to Mary Moore and the Gratiot Branch of The First National Bank of Darlington for donating an informational curriculum called "How to Do Your Banking", for our students.
5. Big thank you to the Black Hawk Booster Club for purchasing new speakers and receivers/amp for the gymnasium's sound system. Purchased from Fuzzy's Audio/Video, Fuzzy installed the system on Monday, 10/10.
6. Would also like to thank Parent's Club for supporting our positive behavior reinforcement program, called "GOTCHA", with a \$500 gift towards elementary and middle school incentive days, plus gift card donations for our Gotcha ticket recipients each month.
7. 4K and 5k classes, along with guests, attended the Vesperman Farms Pumpkin Patch field trip on October 7th and October 13. 4th Grade will attend on October 26. Nice to see the families being able to attend once again.
8. Our elementary classes will be having some fall classroom celebrations on October 31. We want to thank the Parent's Club and room parents for helping organize our classroom parties for those days.
9. The freshman class will be attending a cultural production at the Dubuque Heritage Center to watch a production of "Anne Frank: Voices from the Attic", on Monday, October 17.
10. Our junior class will be attending the annual, UW Platteville College Informational Fair on Monday, October 17.
11. On October 21, we are allowing the Black Hawk FFA to host a "Drive Your ATV/UTV to School" event to promote participation in FFA.
12. The FFA officer team and FFA member volunteers will be conducting a Halloween safety session with our elementary students on Monday, October 24.
13. The FFA national convention is taking place the week of October 24. Mrs. Nehs will be taking students to Indianapolis, from October 25 - October 29.
14. Middle school students will be holding a Fall Dance on Friday, October 28 at 1 p.m. Thank you to Parent's Club for helping support the dance for our middle school students.
15. Congratulate to Heidi Teuscher, who was selected as our September Employee of the Month by our staff. Heidi does a tremendous job supporting our elementary students and offering tutoring support after school to some of our elementary students.

Athletic News

- The volleyball team received a #8 seed in the WIAA tournament. Will host Benton High School on Tuesday, October 18. The winner will travel to Seneca on Thursday, October 20.
- M.S. girls' basketball is underway. 1st game is tomorrow in Gratiot @ 5 p.m. 6th graders are being allowed to play this year, due to low 7th/8th-grade participation numbers.

The Black Hawk varsity football team will qualify for its 12th consecutive playoff appearance. Seeding will take place on Saturday, October 15. 1st round of playoffs will be played on October 21, 2022.

Board of Education Report:

Buildings and Grounds Committee met at 5:30 pm went over some details of the building and possibility of not doing anything with upper commons. Will meet at 5:00 pm before the meeting on November 9, 2022.

Public comment was called for - Tim McGuire addressed the issue that we have bullying and nothing is getting done about it. There has been 19 students that have been bullied and the District is not doing anything about it. He then left the meeting.

Discussion Item:

Tim Rupperty from HSR was present and went over the progress of the project. Bid time line is December to get things out and ready for bids.
