

School District of Black Hawk

The School District of Black Hawk does not discriminate on the basis of race, color, national origin, age, sex, or handicap in educational programs or activities or in employment.

October 2022

Wisconsin School Board Appreciation Week

The Wisconsin Association of School Boards has set Oct. 2-8 as Wisconsin School Board Appreciation Week as a time to build awareness and understanding of the vital function an elected board of education plays in our communities. The Superintendents from Albany, Black Hawk, Brodhead, Juda, Monroe, Monticello, New Glarus, and Parkview are joining together to celebrate Wisconsin School Board Appreciation Week to honor local board members for their commitment to our area school districts and the children and families they serve.

The eight area superintendents share the sentiment that it takes strong schools to build strong communities, and the men and women of our school boards devote countless hours making sure our schools are helping every child learn at a higher level. Our school boards make tough decisions every month and spend many hours studying education issues and regulations in order to provide the kind of accountability our communities expect.

The key work of school boards is to raise student achievement by:

- Creating a vision for what the community wants the school district to be and for making student achievement the top priority;
- Establishing standards for what students will be expected to learn and be able to do;
- Ensuring progress is measured to be sure the district's goals are achieved and students are learning at expected levels;
- Being accountable for their decisions and actions by continually tracking and reporting results;
- Creating a safe, orderly climate where students can learn and teachers can teach;
- Forming partnerships with others in the community to solve common problems; and
- Focusing attention on the need for continuous improvement by questioning, refining and revising issues related to student achievement.

All eight superintendents further state, "School board members give the Albany, Black Hawk, Brodhead, Juda, Monroe, Monticello, New Glarus, and Parkview community members a voice in education decision making. Even though we make a special effort to show our appreciation in October, their contribution is a year-round commitment."

Members of the Black Hawk School District Board of Education Jason Figi, 19 years of service; Kerry Holland, 16 years of service; Alicia Sigafus, 4 years of service; Dee Paulson, 3 years of service; Jessica Seffrood, 2 years of service; Val Dunlavey, 1 year of service; and Jim Baumgartner, 1 years of service.

Supporting Your Student's Emotional Well Being

Normalize the big emotions. Many kids experience a mix of emotions at the beginning of the school year – happy, excited, confident, worried, nervous, overwhelmed, and more. Kids are adjusting to new school routines and expectations, while also trying to navigate friendships and the “social rules” at school. This can be stressful for a variety of reasons.

Some kids may be eager for in-person interactions but can still experience difficulties, especially if they’re going to a different school than before the pandemic or they’ve had minimal contact with peers. Other kids may have experienced less social anxiety or appreciated having more flexibility during remote learning, and they can find it difficult to be around many people again in busy, over-stimulating environments. And some kids might not have any concerns about in-person school, but the sudden increase in social interactions can still leave them emotionally drained.

Go back to the basics. Sometimes, kids just need time and space to feel their emotions and settle into their routines and relationships. Adults can help by going back to the basics of positive parenting: spend quality time together, talk with each other, and give affection and attention. Give each child your full, focused attention for brief but frequent amounts of quality time. Talk with them before and after school, during meals, and at bedtime. These could be casual conversations about things they’re interested in, check-ins about their feelings and experiences, or something in between. Listen to any concerns or feelings they share, and acknowledge what they’re experiencing — “That sounds really hard,” or, “It’s ok to feel that way.” Give affection and attention to reassure them you care for and support them. During calm moments, teach them techniques like deep breathing, yoga, or coping statements (affirmations) so they can use these tools whenever they feel strong emotions.

Help kids problem-solve. If your kids share a concern, resist the urge to solve it for them. Instead, ask what they think could help and if they have ideas about what to do. If they want your assistance, help them define “the problem” – e.g., they don’t understand what their teacher is covering, or they’re having difficulty making friends. Have them brainstorm several ideas of what they could do and help them think through the pros and cons of each option. Encourage them to pick one idea to try, then ask questions, like “What could you do first?”, “What would you say?”, or “When could you try that?” to help them develop a concrete plan. Have them try their plan, then check in periodically to see what worked well, what could have gone better, and if they want to try another idea. This process helps kids develop problem-solving skills they can use in any situation throughout life.

FINAL THOUGHTS: As you support your children’s emotional health, remember to take care of your own physical, mental, and emotional well-being. Do something that helps you rest, recharge, and be a calm, patient, and positive parent.

(Source: California Parenting Institute)

Flu:

A Guide for Parents

Influenza (flu) is a contagious respiratory illness caused by influenza viruses that infect the nose, throat and lungs. Flu is different from a cold, and usually comes on suddenly. Each year flu causes millions of illnesses, hundreds of thousands of hospitalizations, and tens of thousands of deaths in the United States.

Flu can be very dangerous for children. CDC estimates that since 2010, between 6,000 and 26,000 children younger than 5 years old have been hospitalized from flu each year in the U.S. Flu vaccine is safe and helps protect children from flu.

What parents should know

How serious is flu?

While flu illness can vary from mild to severe, children often need medical care because of flu. Children younger than 5 years old and children of any age with certain long-term health problems are at high risk of flu complications like pneumonia, bronchitis, sinus and ear infections. Some health problems that are known to make children more vulnerable to flu include asthma, diabetes and disorders of the brain or nervous system.

How does flu spread?

Flu viruses are thought to spread mainly by droplets made when someone with flu coughs, sneezes or talks. These droplets can land in the mouths or noses of people nearby. A person also can get flu by touching something that has flu virus on it and then touching their mouth, eyes, or nose.

What are flu symptoms?

Flu symptoms can include fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills, feeling tired and sometimes vomiting and diarrhea (more common in children than adults). Some people with the flu will not have a fever.

Protect your child

How can I protect my child from flu?

The first and best way to protect against flu is to get a yearly flu vaccine for yourself and your child.

- Flu vaccination is recommended for everyone 6 months and older every year. Flu shots and nasal spray flu vaccines are both options for vaccination.
- It's especially important that young children and children with certain long-term health problems get vaccinated.
- Caregivers of children at high risk of flu complications should get a flu vaccine. (Babies younger than 6 months are at high risk for serious flu complications, but too young to get a flu vaccine.)
- Pregnant women should get a flu vaccine to protect themselves and their baby from flu. Research shows that flu vaccination during pregnancy protects the baby from flu for several months after birth.
- Flu viruses are constantly changing and so flu vaccines are updated often to protect against the flu viruses that research indicates are most likely to cause illness during the upcoming flu season.

Are flu vaccines safe?

Flu vaccines are made using strict safety and production measures. Millions of people have safely received flu vaccines for decades. Flu shots and nasal spray flu vaccines are both options for vaccination. Different types of flu vaccines are licensed for different ages. Each person should get one that is appropriate for their age. CDC and the American Academy of Pediatrics recommend an annual flu vaccine for all children 6 months and older.

What are the benefits of getting a flu vaccine?

- A flu vaccine can keep you and your child from getting sick. When vaccine viruses and circulating viruses are matched, flu vaccination has been shown to reduce risk of getting sick with flu by about 40 to 60%.
- Flu vaccines can keep your child from being hospitalized from flu. One recent study showed that flu vaccine reduced children's risk of flu-related pediatric intensive care unit admission by 74%.
- Flu vaccine can be life saving in children.

A study using data from recent flu seasons found that flu vaccine reduced the risk of flu-associated death by half among children with high risk medical conditions

and by nearly two-thirds among children without medical conditions.

- Flu vaccination also may make your illness milder if you do get sick.
- Getting yourself and your child vaccinated also can protect others who may be more vulnerable to serious flu illness, like babies and young children, older people, and people with certain long-term health problems.

What are some other ways I can protect my child against flu?

In addition to getting a flu vaccine, you and your child should take everyday actions to help prevent the spread of germs.

Stay away from people who are sick as much as possible to keep from getting sick yourself. If you or your child are sick, avoid others as much as possible to keep from infecting them. Also, remember to regularly cover your coughs and sneezes, wash your hands often, avoid touching your eyes, nose and mouth, and clean surfaces that may be contaminated with flu viruses. These everyday actions can help reduce your chances of getting sick and prevent the spread of germs to others if you are sick. However, a yearly flu vaccine is the best way to prevent flu illness.

If your child is sick

What can I do if my child gets sick?

Talk to your doctor early if you are worried about your child's illness.

Make sure your child gets plenty of rest and drinks enough fluids.

If your child is 5 years or older and does not have a long-term health problems and gets flu symptoms, including a fever and/or cough, consult your doctor as needed.

Children younger than 5 years old – especially those younger than 2 years – and children with certain long-term health problems (including asthma, diabetes and disorders of the brain or nervous system), are at high risk of serious flu complications. Call your doctor or take your child to the doctor right away if they develop flu symptoms.

What if my child seems very sick?

Even healthy children can get very sick from flu. If your child is experiencing the following emergency warning signs, you should go to the emergency room:

- Fast breathing or trouble breathing
- Bluish lips or face
- Ribs pulling in with each breath
- Chest pain

- Severe muscle pain (child refuses to walk)
- Dehydration (no urine for 8 hours, dry mouth, no tears when crying)
- Not alert or interacting when awake
- Seizures
- Fever above 104°F
- In children less than 12 weeks, any fever
- Fever or cough that improve but then return or worsen
- Worsening of chronic medical conditions

This list is not all inclusive. Please consult your medical provider for any other symptom that is severe or concerning.

Is there a medicine to treat flu?

Yes. Antiviral drugs are prescription medicines that can be used to treat flu illness. They can shorten your illness and make it milder, and they can prevent serious complications that could result in a hospital stay. Antivirals work best when started during the first 2 days of illness. Antiviral drugs are recommended to treat flu in people who are very sick (for example, people who are in the hospital) or people who are at high risk of serious flu complications who get flu symptoms. Antivirals can be given to children and pregnant women.

How long can a sick person spread flu to others?

People with flu may be able to infect others from 1 day before getting sick to up to 5 to 7 days after. Severely ill people or young children may be able to spread the flu longer, especially if they still have symptoms.

Can my child go to school, day care, or camp if he or she is sick?

No. Your child should stay home to rest and to avoid spreading flu to other children or caregivers.

When can my child go back to school after having flu?

Keep your child home from school, day care, or camp for at least 24 hours after their fever is gone. (The fever should be gone without the use of a fever-reducing medicine.) A fever is defined as 100°F (37.8°C)* or higher.

*Many authorities use either 100 (37.8 degrees Celsius) or 100.4 F (38.0 degrees Celsius) as a cut-off for fever, but this number can vary depending on factors such as the method of measurement and the age of the person.

Suicide Prevention Newsletter

Suicide Prevention of Southwestern WI

October 2022

Suicide Prevention Awareness Month

Thank You:

- The Families that have made for the donations in memory of their loved ones.
- People Ordering Suicide Prevention T-Shirts for Friday Campaign and hosted/ participated in events in their community for Suicide Prevention Awareness Month.
- Desiree Hair Salon, Mineral Point, for supporting a window display for Sept.
- VA Hospital Suicide Prevention Coordinator, Adam Howarth, for partnering with us to donate blaze orange hunting caps with 988 on them to Southwest WI.

Kindness Project:

The Kindness Project is a new, once a month, community gathering and active learning event. A calendar has been set Oct. – April. In the spring this will be made available on our website for you to duplicate in your community, business, spiritual community or after school program. If you would like the link prior to spring, email SPCICWI@gmail.com

The Kindness Project includes an activity, snack, short video (Mental Health Msg), and items to be collected for donation throughout the month. This can be for all ages. The purpose is to offer a low-pressure situation for individuals to create friendships, and a supportive network. The bonus, they will be learning self-care and getting resources for a positive mind set. Monthly focus will be in the events column of the newsletter.

September Suicide Prevention Awareness

What was distributed this month in Southwest WI:

- 115 Hunting caps distributed promoting, #988
- 35 books distributed to 5 different counties
- Suicide Prevention Swag distributed to 3 counties
- 300 shirts ordered, supporting Suicide Awareness

Building Project Progress

As we move forward with plans for the building project I am sure there are more questions that you have about what is happening. We will work to update the district website with new information and keep you informed.

HSR has moved the timeline up slightly. The plan is to put the project out for bid in December. The intent is to break ground in March/April of 2023. The first phase to be completed in December of 2023. Destruction of the identified portions of the building to happen in January-February of 2024. The start of phase two to occur in March/April of 2024. Finally, the completion of the project by December of 2024.

HSR meets with district personnel twice a month during this time of the project development. Currently, the HSR team meets with us on the second Wednesday of the month. During the Wednesday meetings they meet with district personnel, followed by the board buildings and grounds committee, and culminating with the full board. Then they meet with district personnel on the last Thursday of the month. In many of these meetings key consultants are brought in at appropriate times to assist with the progress. Some of the key consultants include, Focus on Energy, Environmental Management Consulting, Inc., TC Networks (technology), Freezer/Refrigeration consultants and several others.

Individual components of the project have been considered separately due the nature of the project. The district has researched options for the “garage” (the Morton Building), which will be done independently of the main project. The board buildings and grounds committee has started to select finishes which include such things as the exterior finishes and the flooring. The Board also approved the purchase of the switchgear, which is the main electric system controls coming into the building. The early order of the switchgear was necessitated by the current delivery delays in the industry.

There is a lot of work going on to make this project go forward and serve the needs of the district. Currently, much of this work is not outwardly visible. Feel free to reach out with questions. I will gladly answer any questions that I can or find answers when possible. Phone: (608) 234-1581, or chawil@blackhawk.k12.wi.us

Sincerely,

Willy Chambers

Treasurer-Charlissa Collins

Warrior Pack Program News

The Warrior Pack Program will be serving Black Hawk students for the 2022-23 school year. The program provides children with easy to prepare food at times when other resources are not available. Children who are enrolled in the program receive a bag of non-perishable food items, placed discreetly in their locker or backpack at the end of the week. There are no income requirements for families who wish to participate in the program.

The program is funded through private donations and support from Green Cares and Black Hawk food pantries. Due to these generous donations, the Warrior Pack volunteers were able to provide 30 students with backpacks filled with school supplies. This is the first year that our program has been able to do this so thank you to all who donated! A special thank you to the volunteers who helped organize and pack these items

The Warrior Pack Program had an informational table at the Back to School Open House. Families were able to sign up for door prizes, collect information, and enroll their children in the program. Three winners were announced during the first week of school. Congratulations to Yariah Williams, August Akins, and Kate Pickett!

The Warrior Pack Program is currently serving 54 students per week.

We are excited to be able to contribute to our district families in a positive way. We would like to thank the volunteers who helped pack the school supply backpacks, the volunteers who pack food bags weekly, and the staff at Black Hawk who help distribute food bags to students. A special thank you to the generous monetary donations given by The Black Hawk Riders Snowmobile Club, Everett and Gail Thoreson, and Kirt and JoAnne Leuenberger. Also a special thank you to Kurt and Teri Ellefson for the donation of the Jacob SWAG pencil cases for the school supply backpacks. We could not continue to run this program without generous donations like these.

If you would like to contribute to the Warrior Pack Program, please mail donations to:

COLLEGE GOAL WISCONSIN 2022

FAFSA COMPLETION EVENT

Free assistance completing the FAFSA at 40+ Wisconsin locations

Do you have questions on how to complete the FAFSA (Free Application for Federal Student Aid)? The FAFSA is the form a student needs to complete to apply for financial aid, such as grants and loans. Plan to attend a College Goal Wisconsin event in-person or virtually to receive free information and assistance completing the FAFSA.

You will need the following items in order to complete your 2023-24 FAFSA. If you are considered a dependent student for financial aid purposes, you will also need these items for your parent(s).

- ☐ 2021 Federal Tax Return and W2s
- ☐ 2021 Untaxed Income Records, such as child support or veteran's non-education benefits
- ☐ Information on savings, investments, business assets and farm assets (if applicable)
- ☐ Driver's License (if you have one)
- ☐ Cell phone (if you have one)
- ☐ Social Security Number
- ☐ Alien Registration Card or Permanent Resident Card (if you are not a U.S. citizen)
- ☐ Date of birth for parents
- ☐ Month and year of parents' marriage, divorce, or separation
- ☐ FSA ID (if you have one). To create an FSA ID, please visit studentaid.gov. Every student and at least one parent if the student is considered a dependent student needs one

It is highly recommended that a dependent student attend the event with a parent so the FAFSA can be submitted that day.

Attention Senior Parents/Students-Financial Aid Night will be on **October 12th at 6 pm.** There is a change to the format this year. Southwest Technical College will be providing the financial aid presentation **via ZOOM.** You will receive a ZOOM link closer to the date of the event and can participate in this important meeting from the comfort of your home. Financial Aid is an important part of your child's application process for post-secondary schooling. During the presentation, the speaker will guide you through the FAFSA (Free Application for Federal Student Aid) application. Please plan to attend this ZOOM meeting to obtain information on the completion and submission of your son/daughter's financial aid document.

Other options for financial aid assistance are College Goal Wisconsin 2022 events. These are virtual and in-person events to obtain guidance in completing the FAFSA form. These events are held at various sites. See the College Goal Wisconsin 2022 flier or visit www.CollegeGoalWI.org for more details.

You can also seek financial aid help from the campus your child is planning to attend. Each campus has its own financial aid office/staff who are very knowledgeable about this process.

****You DO NOT need an Access Code. We have to approve your request and then you should be able to see your pictures.**

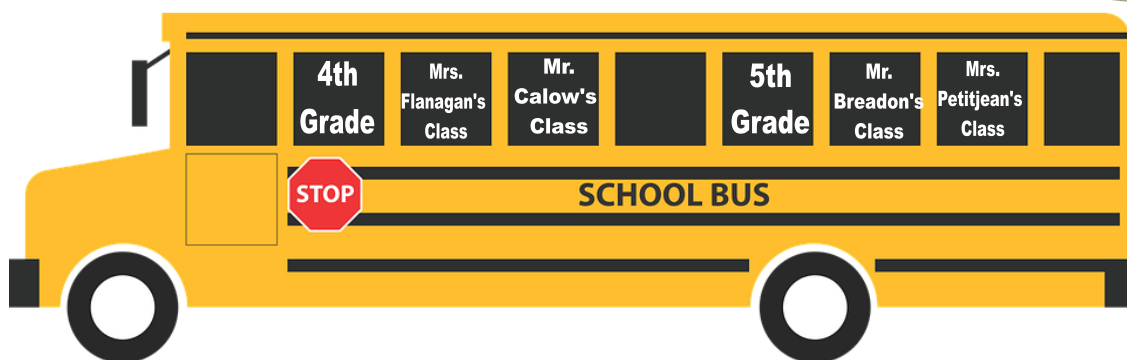

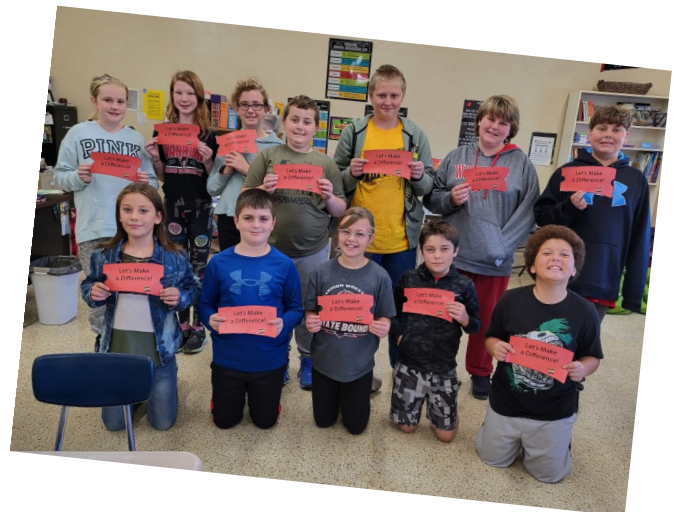

Black Hawk Schools is proud to be a Certified Energy Bus School!!

Check out Jon Gordon's book *"The Energy Bus"*.
Positive people = Positive Place = Positive Results!

During Elementary Guidance, we have been discussing The Energy Bus theme and reading through the Energy Bus Book. We have been talking about the importance of having positive thoughts and being in control of ourselves (the driver of your bus). The classes created short term and long-term visions/goals. We will continue to discuss the Energy Bus curriculum over the course of several months. The photos are of Mrs. Flanagan's, Mr. Calow's, and Mr. Breadon's students holding their tickets for the Energy Bus. Black Hawk Elementary students are getting on the bus!! Ms. Crotty & Mrs. Petitjean

Hartzell's

Dear Family and Friends:

We are excited to inform you that we are participating in an incredible program that allows us to ear **FREE** classroom equipment and supplies!

Here's How You Can Help!

- Shop at Hartzell's IGA from September 1st, 2022-April 28th, 2023
 - Shave your receipts and send them to school with your child
 - Your receipts will earn us points for free classroom equipment donated by the store!
- Please submit your receipts to school by **April 28th, 2023** in an envelope marked

Attention Mrs. Pickett. Thank you!

Recycling and Other Dumpsters

As always the staff and Board thank everyone who has donated to the metal/aluminum can drive. The funds have proven to be beneficial to the staff and students of the school district. The district greatly appreciates the efforts of Powers Auction Service in providing this opportunity.

A couple of notes that we would like to make:

Please do not place items with Freon/coolant in the recycling dumpster

Please do not place TV's or Computer/Related technology in the dumpster

Please do not place trash in the recycling dumpster

The other dumpsters (serviced by Faherty) are for school uses only

We do appreciate the donations. Improper use of the dumpsters costs the district and may result in a net loss.

Sincerely,
Willy Chambers

Fourth Graders Attended the Platteville Historic Re-enactment

Black Hawk fourth graders had their first field trip of the year to Platteville's annual historic re-enactment. There were many different stations in which the students learned about Colonial life. They listened to a Gaelic harpist play traditional melodies from the 18th century. They learned about woodworking as well as the types of tools that were used. There was a Colonial settler who demonstrated how cooking was done over fires. There were also presenters on hand to discuss the fur trade and the transportation used for that enterprise. One of the highlights of the day was watching (and listening to!) the firing of the cannons. The class enjoyed learning about and playing some Colonial-period games. Some students also enjoyed some root beer and kettle corn, which were just a couple of the items available for them to buy. The weather cooperated, and the students enjoyed having classes outside for the day.

is it BULLYING?

When someone says or does something
unintentionally hurtful
and they do it once, that's
RUDE.

When someone says or does something
intentionally hurtful
and they do it once, that's
MEAN.

When someone says or does something
intentionally hurtful and they *keep doing it*—
even when you tell them to stop or show
them that you're upset—that's
BULLYING.

Black Hawk FFA

September 2022

Officer Retreat

Over the summer the officer team traveled up to Whitewater where we camped at Kettle Moraine. Our days consisted of planning the year, getting to know more about each other, taking our team pictures, and much more. We did activities like going on hikes, working on our leadership skills, and improving our parliamentary procedure. We were able to come up with this year's theme as well which we decided to be, "If it doesn't challenge you, it doesn't change you."

from the great turn out and most of the kittens found their forever homes!

Petting Zoo

We kicked off the school year with a petting zoo! The petting zoo was held at the school during the open house. We had all sorts of animals some being a calf, sheep, goats, bunnies, and kittens. We thought it was very successful

First Chapter Meeting

Our first chapter meeting was on September 7th. We had a great turn out for the first meeting. We had 40 members attend. We talked about the old business which was the officer retreat, the petting zoo, Green County fair, Lafayette County fair, and the fish boil. The new business discussed was the back to school potluck, national convention applications, soils team sign up, chair sign up, and FFA apparel. The whole team was very happy to see that kind of attendance and we hope that it continues!

I believe in the future of agriculture

Back to School Potluck

We held our back to school potluck September 9th. It was a great way to start off the school year and to have good food with great friends!

Bring your ATV to School Day

September 30th was bring your ATV to school. This day will consist of everyone participating by either meeting at the park or at the school for a quick picture and then we had donuts and milk for them to enjoy.

State Soils

On September 21 we had a junior team and a senior team travel up to Southwest Tech to compete at state soils. The junior team consisted of Keira Brunner, Payton Stietz, Charlie Heimann, and Kaylee Hagen. The senior team was made up of Makayla Kammes, Stevie Cobb, Beau Bredeson, and Allyse Troemel. The senior team had great success with Beau

Bredeson receiving second place overall individually. The senior team also came home with second place overall advancing them to Oklahoma for the national contest. Congratulations to them on their success!

Sincerely, Allyse Troemel

FFA Reporter
2022-2023

I believe in the future of agriculture

The Esports Team is doing an apparel order. The online store will close on **Sunday, October 9th**.
A portion of each sale will go towards fundraising for the team.

Parents Club News

A new school year!! What an exciting time!! We have LOTS of things going on with the Parent's Club, and we can't wait for you to be a part of them! We are already in full swing with our Fall fundraiser. THANK YOU to all who ordered and participated! Also, thank you to all who added to their BH clothing collection and ordered from our Spiritwear fundraiser! We always love to see that BH pride! A reminder that the Parent's Club meets in the upper commons at 6:00 on the 1st Thursday of the month (we do not meet every month), below are the meeting dates for the remainder of the year: October 6, February 2, April 6, May 4.

A few things you can keep on doing to support the Parent's Club:

- Scan your box tops.. if you haven't downloaded the APP, please do so, it's a super easy way to help!
- The scrip program, grab some gift cards for birthdays, weddings, showers, the holidays coming up, or just for yourself, it's a great opportunity to support the Parent's Club!

Keep an eye out for future fundraisers and activities! A great way to do this is to follow our Facebook page (Black Hawk Parent's Club) Again, we want to thank you for your continuous support! As always, please feel free to reach out to any one of our officer team with any questions or concerns. We are wishing each and every one of you a happy and safe school year!

What Every Parent and Caregiver Needs to Know About **FAKE PILLS**

DRUG ENFORCEMENT ADMINISTRATION • Public Safety Alert

What is fentanyl?

- It is a deadly synthetic opioid that is being pressed into fake pills or cut into heroin, cocaine, and other street drugs to drive addiction.

FENTANYL IS

50x

**MORE POTENT
THAN HEROIN**

What are fake pills?

- The Sinaloa Cartel and Cartel de Jalisco Nueva Generacion are making fentanyl and pressing it into fake pills. Fake pills are made to look like OxyContin®, Xanax®, Adderall®, and other pharmaceuticals. These fake pills contain no legitimate medicine.
- Fentanyl is also made in a rainbow of colors so it looks like candy.

***FAKE**
rainbow oxycodone M30 tablets containing fentanyl

Why is fentanyl so dangerous?

- DEA lab testing reveals that four out of every ten fake pills with fentanyl contain a potentially lethal dose.

What are the physical and mental effects of fentanyl?

- Fentanyl use can cause confusion, drowsiness, dizziness, nausea, vomiting, changes in pupil size, cold and clammy skin, coma, and respiratory failure leading to death.

It only takes a very small dose of fentanyl – 2 milligrams – to be lethal, such as the amount found on the tip of a pencil.

Visit www.dea.gov/onepill for more information and resources for parents and caregivers

*Photos of fake pills do not represent all available fake pills.

**ONE
PILL CAN
KILL**

Data as of September 2022

How would my child get fentanyl?

- Drug traffickers are using social media to advertise drugs and conduct sales. If you have a smartphone and a social media account, then a drug trafficker can find you. This also means they are finding your kids who have social media accounts.
- To learn about emoji codes used on social media, visit Emoji Drug Code Decoded on www.dea.gov/onepill.

PERCOCET® & OXYCODONE®

XANAX®

ADDERALL®

Why you should be concerned.

- The drug landscape is dramatically different from when you grew up, or even from just a few years ago.
- All parents and caregivers need to be educated on current drug threats to be able to have informed talks with their kids.

Tips for Parents and Caregivers

- Encourage open and honest communication
- Explain what fentanyl is and why it is so dangerous
- Stress not to take any pills that were not prescribed to you from a doctor
- No pill purchased on social media is safe
- Make sure they know fentanyl has been found in most illegal drugs
- Create an “exit plan” to help your child know what to do if they’re pressured to take a pill or use drugs
- For more tips on how to talk to your child about drugs, read Chapter 4 of Growing Up Drug Free: A Parent’s Guide to Substance Use Prevention at www.getsmartaboutdrugs.com/publications

Visit www.dea.gov/onepill for more information and resources for parents and caregivers

JULY 13, 2022 - REGULAR MEETING

The meeting was called to order at 6:00 pm in the collaboration room. The following were present Jim Baumgartner, Val Dunlavey, Dee Paulson, Alicia Sigafus, Jessica Seffrood, Kerry Holland and Jason Figi. Also present was Administration Wily Chambers. Mr. Milz was absent.

Motion by Paulson and seconded by Sigafus to consent to agenda. Motion carried on a voice vote. Mr. Chambers Report
I have been working on getting preliminary bids for the garage. I talked to a Rep from Morton Buildings today. They will get me some costs in the next week.

Last weekend I took the opportunity to paint the north end gable of the gym. All in it cost the district around \$800 (lift rental, paint, brushes, misc. supplies).

A few of the tasks that are on my plate for summer include:

- 22-23 PLE Tool (Paid Lunch Equity)
- Skyward - Special Education Rollover
- FAST (Formative Assessment System for Teachers) rollover - progress monitoring for intervention
- Ready/I-Ready - rollover (math curriculum/intervention)
- Effective Educator rollover

I plan to revamp the intervention progress monitoring system and locate the data in one set of documents for easier reference.

I will be working on a preliminary revenue limit worksheet.

I got some numbers from Davis Bus Lines today to provide an option for running our shuttle route. I will likely place options on the August agenda, unless you suggest that it is not a good idea to look at options.

We currently do not have any applicants for the reading teacher or school psychologist positions. Jamie Nutter (CESA #3 director), Mike Beranek (Argyle superintendent) and I have been communicating about options for the school psychologist roll.

Mr. Milz Board Report

Accomplishments

BH 5th grader Ryan Curran's 4H photo submission to the Lafayette County Fair received a first place and other awards and was submitted to the Wisconsin State Fair photography contest. It is posted to our website if you are interested in seeing his project.

Events

I. Livestock showing at the county fairs. Ms. Jessica Nehs overseeing multiple FFA students at the various competitions and sales.

II. Summer Athletics—

o Mike Burke ran a two-day baseball camp for 5th-8th in June.

O Open Gyms being run for boy's basketball (Monday), volleyball (Thursday). o Girls basketball is hosting skills camps on Tuesday mornings.

o Girls basketball is running a fundraiser on July 24. Carwash from 9a.m. to 12 p.m., and free throw-a-thon.

o Weight Room hours in July M,W,F 8:00 a.m. – 11 a.m.

M-R 5:30 p.m. – 8 p.m.

* High school football contact days, 6 p.m. – 8p.m. July 11 – July 14.

* Sports Physical Clinic: July 27th from 3-5p at School District of Black Hawk .

* High school football practice begins on August 2.

Notifications

I. June "Dino – mite" Summer School

*14 teachers hosted 100 students over the 15 day period.

*2 high school teachers offered credit recovery to 6 students. Board of Education Report- Nothing to report Public comment was called for none. Discussion was had about doing a bonfire verse fireworks. More details to come. Motion by Paulson and seconded by Seffrood to approve Graduation date of May 26, 2023 and 8th Grade promotion on June 1, 2023. Motion carried on a voice vote. Motion by Figi and seconded by Sigafus to keep the Office Assistant at 25 hours per week. Motion carried on a voice vote. Motion by Sigafus and seconded by Paulson to approve the resignation of Dan Campbell as reading specialist. Motion carried on a voice vote. Motion by Paulson and seconded by Seffrood to approve Academic Standards for 2022-23 as presented. Motion carried on a voice vote. Motion by Paulson and seconded by Baumgartner to approve the 2022-23 Faculty Handbook with changes. Motion carried on a voice vote. Motion by Dunlavey and seconded by Baumgartner to approve Coaches Handbook. Motion carried on a voice vote. Motion by Baumgartner 2nd by Paulson to hire Roger Trame as Athletic Director for 2022-23 school year. Motion carried on a voice vote. Motion by Baumgartner and seconded by Sigafus to adjourn at 6:46pm. Motion carried on a voice vote.

Next Regular meeting Wednesday August 10th at 6:00 pm

Submitted by,
Jason Figi, Clerk

AUGUST 10, 2022 - REGULAR MEETING

The meeting was called to order at 6:04 pm in the Collaboration Room the following members were present: Jim Baumgartner, Val Dunlavey, Jason Figi, Kerry Holland and Dee Paulson, ABSENT Jessica Seffrood, Alicia Sigafus. Also present was administration of Willy Chambers and Cory Milz

Motion by Paulson and seconded by Baumgartner to consent to agenda. Motion carried on a roll call vote.

Chambers:

We have been working hard and attempting to think outside of the box to fill our vacant positions. We have reached out to subs that have filled similar rolls in the past, posted different vacancies to allow moving of staff to varied positions. Melissa Pickett has been reaching out to several people to assist with recruitment.

I have been working with the LION Electric company to write an EPA grant to possibly secure two electric busses.

- We do not have to purchase the buses if we do not choose too.
- The grant covers the cost of busses and charging stations
- I will reach out to Alliant to see if there is a need to upgrade supply lines, if they will cover that cost
- The configuration proposed for the buses would have warranties on the drive line for 230,000 miles
- Lamers will service except for batteries/drive components, LION has portable trucks that service the drive/battery components
- Insurance will cover buses
- Likely would not get buses in until fall of 2023
- Some information on the buses is included

I will discuss some thoughts on filling the music opening.

Tammy and I met with Matt Silkey from PMA yesterday and discussed the options we have to pay vendors for the building project. We would prefer that the amounts go directly from the accounts that PMA is managing to the vendors. Funds in these accounts may only be used for the construction project. Funds can either be wired or distributed through an ACH payment. There are no wire fees associated with any wires made from these accounts.

Tomorrow, I will be going to a meeting with our insurance co-op and representatives to discuss possible actions that Quartz may do to support staff mental health.

Friday, I will be attending the first WIAA Board meeting for the 2022-2023 school year.

Milz :

1. Football practice has successfully begun. There are:

7 seniors (3 Warren)

6 juniors (2 Warren)

12 sophomores (5 Warren)

16 freshman (4 Warren)

Total of 41 participants.

Thursday, Aug. 11– Family Picnic @ 6 p.m.

Friday – Scrimmage at Darlington, 5 p.m.

2. Volleyball practice begins August 15.

3. Jr. High Football began August 9. Jr. High Volleyball will begin August 22.

4. Gary Cooley, School to Work Coordinator, should be sending out messages very soon on a school to work meeting with those scheduled high school seniors and juniors.

5. BH Open House, August 24. 4 p.m. – 7 p.m.

6. Black Hawk is a Certified Energy Bus School. Jon Gordon “The Energy Bus”.

Positive People = Positive Place = Positive Results

7. After discussions, it was decided to discontinue the fireworks display at homecoming because it was fiscally sustainable. We will be asking for permission to renew the bonfire tradition.

Board of Education:

Question was asked about serving food at Open House and Chambers said we will be doing that and the Board is serving it. It was also mentioned that we should post on Social Media about the retired teachers and service awards for the public to see.

Public Comment was called for none.

Tim Ruppert from HSR gave a presentation on the update on the building project via zoom. Plans are still being worked on at this time and we will look at having things approved by board to put out for bids in January 2023.

Motion by Figi and seconded by Dunlavey to keep the shuttle route as is for 2022-23 school year. Motion carried on a voice vote.

Motion by Paulson and seconded by Dunlavey to approve rental of the Gratiot Gym at a cost of \$1000/year. Motion carried on a voice vote.

Motion by Dunlavey and seconded by Figi to approve the closing of the scholarship account #1721 and to combine the funds with the student activities checking account #5698. The auditors have recommend this action. All funds will still be tracked on an individual basis. Motion carried on a voice vote.

Motion by Paulson and seconded by Figi to approve the resignation of Elisa Mathys as the ECH - 4K teacher no fine will be imposed as her resignation was timely. Motion carried on a voice vote.

Motion by Paulson and seconded by Dunlavy to approve the resignation of Kim Haynes as Music Teacher and the \$300 fine has already been paid. Motion carried on a voice vote.

Minutes

Motion by Baumgartner and seconded Figi to approve hiring Brittany Leja as an ECH/4K teacher. At the same time Chambers recommend the Board approve a tuition reimbursement plan. The plan would have the following conditions: Ms. Leja would commit to working for the district for at least three years. The district will pay for necessary coursework for Ms. Leja to secure her cleared special education certification. (This would include programs offered at any of the CESA's or a state institution, if a private institution is chosen the state institution rate would be reimbursed). If Ms. Leja chose to leave the district before the 3 years is completed she will reimburse the district a prorated amount of the tuition. Motion carried on a voice vote.

Motion by Figi and seconded by Baumgartner to hire Claudia Gastel as a reading teacher. At the same time Chambers recommended the Board approve a tuition reimbursement plan. The plan would have the following conditions: Ms. Gastel would commit to working for the district for at least three years. The district will pay for necessary coursework for Ms. Gastel to secure her cleared reading teacher certification. (This would include programs offered at any of the

CESA's or a state institution, if a private institution is chosen the state institution rate would be reimbursed) If Ms. Gastel chose to leave the district before the 3 years is completed she will reimburse the district a prorated amount of the tuition. Motion carried on a voice vote.

Motion by Figi and seconded Paulson approve the hire of Brooks Duff as the gifted and talented coordinator. Motion carried on a voice vote.

Motion by Baumgartner and seconded by Paulson to hire Mr. Scott Cernek as a 50% FTE teacher. Motion carried on a voice vote.

Motion by Baumgartner and seconded by Dunlavy to hire Tara Kammes as Middle School Student Council Advisor. Motion carried on a voice vote.

Motion by Paulson and seconded by Baumgartner to hire Noah Steinmann as the Black Hawk head wrestling coach to serve the Darlington/Black Hawk co-op. Motion carried on a voice vote.

Motion by Baumgartner and seconded by Paulson to approve hiring Tara Kammes as a volleyball coach. Motion carried on a voice vote.

Motion by Paulson and seconded by Dunlavy to approve the CESA # 3 Addendum for Director of Special Education/School Psychologist for 2022-23. Motion carried on a voice vote.

Motion by Figi and seconded by Paulson to approve the contract for bus maintenance for 2022-23 - 2023-24. Motion carried on a voice vote.

Motion by Baumgartner and seconded by Figi to approve doing the fireworks this year. Motion carried on a voice vote. The board also stated that this would be the last year due increasing cost to continue doing them.

Motion by Figi and seconded by Dunlavy to approve the payment to HSR from the proceeds of the bonds issued as a result of the April 2022 referendum at a cost of \$51,658.80. Motion carried on a voice vote.

Motion by Paulson and seconded by Dunlavy to approve the payment to Point of Beginning from the proceeds of the bonds issued as a result of the April 2022 referendum at a cost of \$16,154.00. Motion carried on a voice vote

Motion by Dunlavy and seconded by Figi to approve payoff of the Bond note as outlined in the bank letter from Huntington National Bank in the amount of \$8,545,000.00. Motion carried on a voice vote.

Motion by Dunlavy and seconded by Figi to approve CGC, Inc. to perform the necessary geotechnical services for the building construction at a cost as outlined in the attached bid. Motion carried on a voice vote.

Motion by Figi and seconded by Baumgartner to allow Chamber s the authority to approve contracts if it is a timing matter and needs to be approved before meeting. But all contracts will be approved at regular meetings. Motion carried on a voice vote.

Motion by Dunlavy and seconded by Baumgartner to approve all building project services to be paid as they come due. All payments are made through PMA via an ACH or a wire payment arrangement. An account of the payments will be provided to the Board on the monthly statements. Motion carried on a voice vote.

Motion by Baumgartner and seconded by Dunlavy to approve payments to the businesses for staff recognition for years of service as presented \$635. Motion carried on a voice vote. IT was also talked about doing more like \$50 for 5 years and \$100 for 10 years etc.

Board will look into that more.Motion by Paulson and seconded by Figi to go into executive session at 8:08pm. President's announcement of the purpose of the executive session under 19.85(1) items b, c, and f, Wisconsin State Statues Motion carried on a roll call vote Baumgartner, Paulson, Figi, Holland, Dunlavy. NO _ NONE ABSENT Seffrood, Sigafus

Board returned to open session at 8:24pm

Act on matters deliberated in closed session- none

Motion by Baumgartner and seconded by Dunlavy to adjourn at 8:24pm

Submitted by,
Jason Figi, Clerk
