## Priority Statement:

1. CVIS will adopt and implement periodic benchmark (informal and formal) assessments that are aligned with curricula and state standards. These periodic assessments will assist in gauging student growth in specific areas. CVIS will, at least annually, analyze student data with a specific focus on areas of growth.

## Priority Statement:

2. CVSD acknowledges that students should be prepared for college and career workforce and by incorporating industry designations into our high school course curricula, it is the intent to not only increase the average but to prepare our students further to be productive members of society.

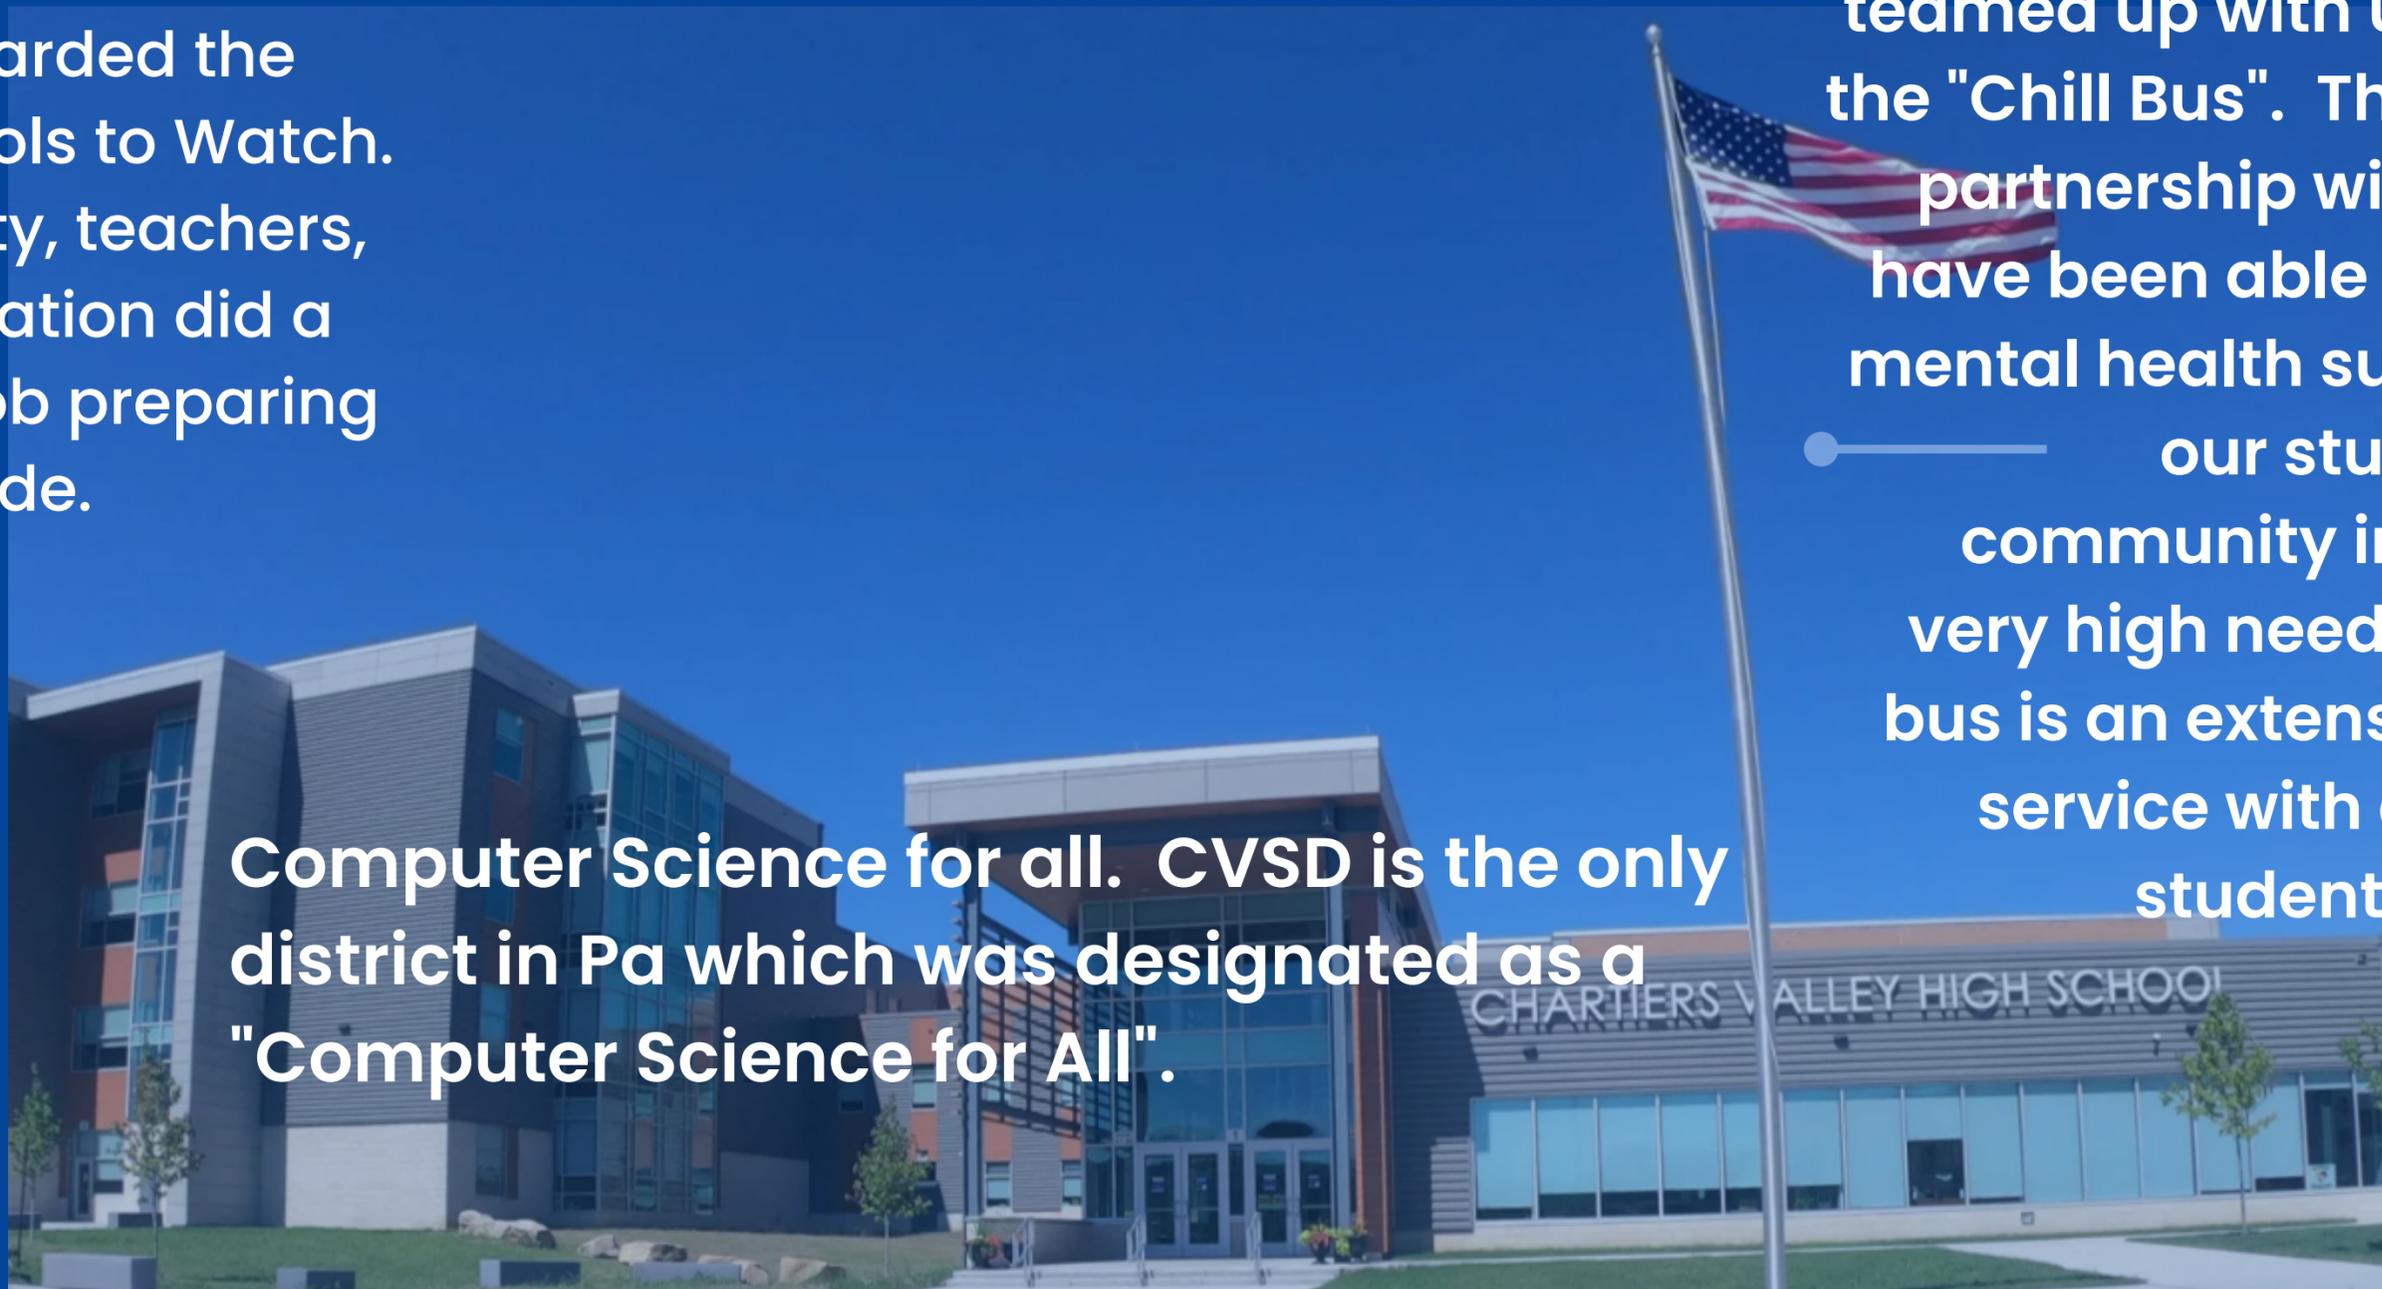

# CVSD RECENT RECOGNITIONS

---

CVMS was awarded the National Schools to Watch. The community, teachers, and administration did a tremendous job preparing for this accolade.

Computer Science for all. CVSD is the only district in Pa which was designated as a "Computer Science for All".

Allegheny Health Network teamed up with us to bring the "Chill Bus". Through our partnership with AHN we have been able to provide mental health supports for our students and community in a time of very high need. The Chill bus is an extension of this service with a focus on student athletes.

**Thank you.**
