

2020-2021 *President's Report*

president's desk

Embedded in the mission of Nardin Academy is a commitment to serving others. For generations, alumni, families, and friends of Nardin have donated generously to ensure the sustainability, intention, and growth of the Academy today and for generations to come.

Throughout this past year, thanks in part to the unwavering efforts of the members of the

Board of Trustees and previous Administration, we have seen Nardin Academy reach new heights. As we embark on this final year of the Called to Connect Capital Campaign, there is less than \$3 million left to raise, and we are close to the finish line. We are most grateful for each donor who has already given to the Capital Campaign, and we encourage those who have yet to make a gift to please consider supporting this historic initiative which resulted in the expansion and modernization of our campuses.

The Competition Gymnasium and Wellness Center, a state-of-the-art, 20 thousand-square-foot athletic facility, officially opened last fall as the home court of the Nardin Gators. Through the generosity of the Keane family, the Kevin. T. Keane Sports Park, featuring two outdoor multi-use fields, lockers rooms, and stadium lighting, was unveiled in time to host countless soccer and softball games as well as Nardin's inaugural Homecoming event. Every day, new playgrounds at the Cleveland Avenue and West Ferry Street campuses provide outdoor fun and enjoyment during recess for our younger students. And, this spring, students will begin to utilize the new courtyard space for studying, socializing, and relaxation.

For me, it is inspiring that, despite the ongoing challenges of the pandemic, Nardin's fundraising campaigns saw more participation than

ever. The Nardin Fund, which directly supports the Nardin experience, or the unique programs which define a Nardin education, raised more than \$873,000 dollars in 2020-21. This fund supplements the true cost of a Nardin education not covered by tuition dollars alone. In addition, the Angel Fund, established in 2011 to assist Nardin families who face unforeseen financial hardship, has received more than 350 gifts from 183 different donors since its inception, and almost 400 alumni made a philanthropic commitment to Nardin during our 24-hour Alumni Challenge.

The 2020-21 President's Report is a celebration of each of you, our generous donors. It is through your commitment to financially support the Academy that Nardin thrives today and continues to deliver the highest standards in academics, the arts, athletics, and service for all students in the Montessori, Lower, Middle, and Upper Schools. Rooted in the Catholic faith and true to our value of "Embracing All," your essential support enables us to fully live our mission.

As we look ahead to the 2021-22 academic year, with your contributions, I am confident that the Academy's leadership will continue to build upon our strategic goals through the chorus of voices of various stakeholders who are participating in shaping the future of our school. In collaboration with the Board of Trustees, we are looking to fortify a future that encompasses both intentional growth in developing a robust curriculum, as well as building advanced systems to provide our community members and families with improved experiences across the Academy.

We gratefully acknowledge gifts of all sizes to Nardin and look forward to exciting days and years to come. You, our loyal partners of the past and our inspiring champions of the future, will together blaze a path to our bright future based in faith, compassion, strategy, and innovation for all members of our One Nardin Community.

Stay Well and God Bless,

Sandra E. Better

President

CONSTRUCTION UPDATE

After a summer of construction, students across Nardin's three campuses have been enjoying this school year's additions of our competition gymnasium, wellness center, and adaptive playground, complete with pickleball and four square courts. Upper School students anxiously await warmer weather and the completion of our outdoor courtyard with seating and study areas. We invite you to visit our new spaces and learn how the Called to Connect campaign has enhanced the educational and co-curricular experience of all Nardin students.

JACQUELYN V. ZANGHI GYMNASIUM

Nardin has initiated an effort to name our new competition gymnasium after **Jackie Zanghi**, the longest tenured athletic director in the school's history. She was the face, the voice, and the vision of Nardin Athletics for over three decades.

A loyal, major donor has offered to make a gift of \$200,000 and is challenging Nardin alumni and friends to match, or even exceed, that amount in the effort to name the new gymnasium after our cherished teacher and coach. To date, we have \$80,000 more to raise in order to meet this time-sensitive matching gift.

To learn more about this naming opportunity or pledge your support, contact AnneMarie Haumesser, Vice President for Institutional Advancement, at ahaumesser@nardin.org or 716-881-6262 Ext. 1110.

From the Vice President of Institutional Advancement

Thank you for taking time to read Nardin Academy's 2020-2021 President's Report. Through the generosity of alumni, parents, families, faculty, staff, and friends, we continue to meet and exceed our annual giving goals. Each gift supports and sustains Nardin's mission to "inspire hearts and minds to do amazing things for the world through faith, character, academic excellence, and service."

The 2020-2021 academic year presented the challenge of delivering our mission in constantly evolving circumstances. Although our daily lives were difficult, every member of our Nardin family met and exceeded these challenges. With selfless

commitment, our faculty lived the mission and led by example. The generosity of the Nardin community was essential to their continued success. Your contributions helped ensure our faculty had the tools necessary to continue offering quality educational experiences for our students amidst these extraordinary times.

This report demonstrates Nardin's continued loyal culture of philanthropy. As stewards of the Academy's mission, Nardin's Board of Trustees and Academy Leadership are committed to continued strategic financial planning, and providing the opportunity of a Nardin education to a diverse group of students across Western New York. Your continued support guarantees our ability to enhance our facilities, enrich our co-curricular programs, and provide unmatched educational experiences for our students.

Thank you for making Nardin Academy a philanthropic priority. We are grateful for your support.
