

STUDENT CODE OF CONDUCT REGULATIONS

Note: This discipline continuum cannot cover all disciplinary situations which may arise, and, therefore, is not intended to be exhaustive. Moreover, modifications to the discipline continuum will be made depending upon the facts of an individual case at the discretion of the administration. Any violation may lead to suspension or removal from extra-curricular programs, including athletics and activities. As part of working with the student, actions may include any/all of the following: Substance Abuse Counseling, General Counseling related to an incident, Student Re-Entry Meeting, Student Safety Plan, Student Support Plan as well as Restitution.

Multiple violations of these infractions (noted with an *) do not start over at the beginning of the student's school year. Students will be held accountable and violations will accrue during each phase level (K-2, 3-5, 6-8, 9-12).
