REPORTS

MAINTENANCE

All the custodians have started to deep clean and now are in the gymnasium.

TECHNOLOGY

Chromebooks are being distributed and 107 have been given out as of today and packet pickups in the elementary went well.

PRINCIPALS

BO LINGLE, ELEMENTARY PRINCIPAL

Teachers have done a great job with turning around getting instruction out and ready to students.

DAVID BREITBACH, HIGH SCHOOL PRINCIPAL

Only have about 8 packets still to get out to students but otherwise instruction material is getting out to the students very well.

JAKE GION, HIGH SCHOOL VICE PRINCIPAL

Still navigating some issues with students not logging into their classrooms online and packets but working through it.

SUPERINTENDENT

Currently, our staff is doing a great job and ahead of the game with instruction. Right now, we are anticipating longer closure from the Governor but the bigger issue will be the employer side of things with working hours, but we will take the week to figure things out. Bus service – we are not running the routes right now, but might have to reopen the transportation contract with Spartan Bus Lines during closure.

Chairperson Varner calls for a Special Meeting on March 27, 2020 at 1pm.
There being no other business, meeting adjourns at 5:43 pm.
