

Career Plan of Study—Baker High School

Pathway Options: Lodging, Recreation, Amusements and Attractions, Restaurants and Food/Beverage Services, Travel and Tourism

Overview: Jobs in the Hospitality and Tourism career cluster involve planning, managing, and providing lodging, food, recreation, conventions, and tourism, and related planning and support services such as travel-related services.

This plan of study should serve as a guide, along with other career planning materials, as you continue your career path. Courses listed within this plan are only recommended coursework and should be individualized to meet each learner's educational and career goals. All plans should meet high school graduation requirements as well as college entrance requirements.
