

Human Services

Career Plan of Study—Baker High School

Pathway Options: Early Childhood Development and Services, Counseling and Mental Health Services, Family and Community Services, Personal Care Services, Consumer Services

Overview: Jobs in the human services career cluster involve tending to families and to human needs.

This plan of study should serve as a guide, along with other career planning materials, as you continue your career path. Courses listed within this plan are only recommended coursework and should be individualized to meet each learner’s educational and career goals. All plans should meet high school graduation requirements as well as college entrance requirements.
