Walled Lake, MI 48390  
Phone: 248-956-2013

Michael Lonze, Ph.D.  
Deputy Superintendent of Schools

Dear Parents/Guardians:

Health education is a regular part of the Walled Lake Schools curriculum. This includes reproductive health, personal care, and HIV/AIDS. The curriculum approved for this instruction is developed at the State level and approved by our elected school board.

If you are interested in previewing the materials that will be covered in class, please contact the office to set up an appointment during school hours.

As a parent, you have the right to have your child Opt Out of receiving all or any portion of this instruction. If you choose this option, an alternative assignment will be provided for your son/daughter in an alternative location. Please know that our teachers receive special training in handling these sensitive topics and our teachers provide unbiased information.

Please review the bottom portion of this letter, indicating your preference related to your child's participation in Reproductive Health and HIV/AIDS instruction.

Sincerely,

Michael Lonze, Ph.D.  
Deputy Superintendent of Schools
