

TRIAD

LOCAL SCHOOL DISTRICT

Winter 2021 QUARTERLY LEARNING REPORT

Dear Community,

It is the time of year when I always think about just how blessed I am. I have a loving, supportive family, good health, and an amazing career that allows me to give to others. I learned at a very young age just how important giving was. My parents taught me that a simple smile, thank you or holding the door could not only impact the life of the receiver, but also mine. Giving to others is one of my favorite things to do. Many people assume giving means gifts or money. I see giving as so much more. I decided to give some ideas for giving that will not cost you a thing.

- Commit to smiling at every stranger you pass.
- Write a note of gratitude to a person that has impacted your life.
- Help an elderly person load groceries into their car.
- Go to your local animal shelter and spend time with the animals that need a home.
- Call someone just to let them know you are thinking of them.
- Volunteer for a local charity or church.
- Give someone a hug.
- Visit a local senior home and listen to their stories.
- Hold the door open for people.
- Make homemade cards for a senior center.
- Leave a letter to your postal worker saying thank you.

I am sure you could add many more things to the short list above. My only hope is that as you go through this very busy time of year, that you can pick just one thing and use that gift to brighten someone else's day.

"It's not how much we give but how much love we put into giving." Mother Teresa

If you would prefer to donate through gifts and/or financially we do have many families that have requested support. Please contact Mrs. Tera Malone if you would like to adopt a family or make a donation.

STUDENT SERVICES

Gifted Assessments

Each year, Triad Local Schools assesses 2nd and 5th grade students for gifted qualification in the area of superior cognitive and creative thinking. These tests were completed the week of November 8th. We also assess students in reading and mathematics through iReady benchmarks, three times per year.

Special Education

Elementary students are working hard on computer skills, specifically writing and voice typing. Hands on activities in math, practicing letters and reading.

MORGAN FAGNANI

Chief Academic Officer
fagnanim@triadk12.org

@TriadCurriculum

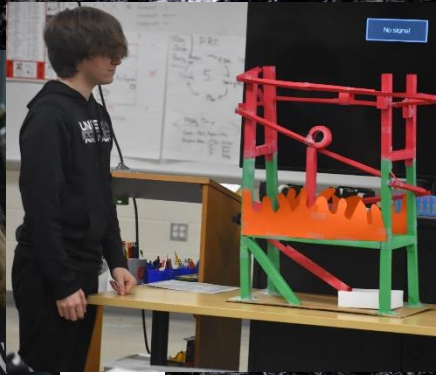

ERIN WEBB

Director of Student Services
webbe@triadk12.org

HIGH SCHOOL

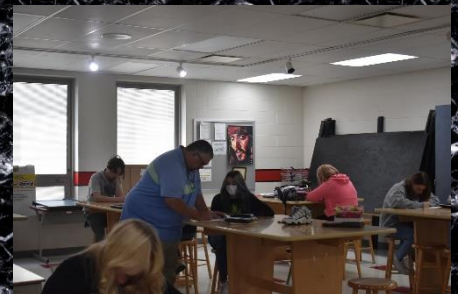

Triad High School students in Zoology class dissect and label the internal and external features of Batoidea (stingrays) in order to better understand their functions and how they assist the stingray in living in its habitat.

HS students enrolled in Intro to Design and Development worked in collaborative teams to utilize the design process to build a thematic rollercoaster with a variety of requirements using paper and tape. Students provided class presentations and were scored on a multitude of design factors.

Art 1 working on their shoe project using new skills involving transitioning with graphite from dark to light using shading technique on a still life drawing.

MIDDLE SCHOOL

Students in 7th grade
Mathematics work on a
rich math task!

On October 28th, Triad Middle School was awarded the
state award for student and staff recognition by the
Ohio Middle Level Association.

ELEMENTARY

School Resource Officer, Deputy Bryan Dixon, meeting with our kindergarten students to help them be prepared for safety drills in our school. The students enjoy meeting a police officer, and they always have interesting questions to ask!

Mrs. Gualtieri, Triad Elementary School Counselor, uses literature to help first grade students develop friendship skills!

LEE CLAYPOOL

Principal

claypool@triadk12.org

GRADUATE SPOTLIGHTS

**Garret Talbot,
Class of 2021**

**Ryland Smiles,
Class of 2021**

Garret Talbot, THS Class of 2021, is currently working for Davis Custom Harvesting located in Denton, Kansas. Presently he is helping to harvest over 5,000 acres of corn and beans in Eastern Kansas. After completion, they will travel to Missouri and Western Kansas to harvest corn, beans and milo.

Garret knew at a young age that he wanted to be involved in the agriculture business and enjoyed the hands-on part of it. Looking back at his years at Triad, his Capstone Project through FFA helped him fulfill his dream. During his Senior year of high school, he was able to work with Ed and Wes Funderburgh and Mike Perry. This experience allowed him to not only learn what it takes to run a grain farm but how to repair the equipment, along with the harvesting aspect of it as well.

Garret hopes to travel to California in January for the harvest season of peas and then return to Kansas in the Spring.

Ryland Smiles, THS Class of 2021 is currently employed at Bundy Baking Solutions. He is doing a great job!
