Fall 2021 QUARTERLY LEARNING REPORT

Dear Community,

Welcome back to the 2021 - 2022 school year. Even with the continued uncertainty with the coming year, we are excited to have our buildings filled with excitement, learning and laughter. We have many exciting things happening in the district.

In the coming month, we will be releasing our Strategic Plan. The plan focuses on 2 big areas and has 3 goals. The district and each building have set goals then created objectives and action steps for each one.

1 - Personalized

- Reframing Education - Define, refine and calibrate the reframing of education at Triad Local Schools.
 - Objectives and action steps aligned with this goal focus on using data, high-impact instructional strategies and career development.
- Whole Child - Through versatile Triad experiences each student will achieve their fullest potential leading to post graduation success.
 - Objectives and action steps aligned with this goal focus on soft skill development, social-emotional learning and student _____.

2 - Connected

- Connected- Foster an engaged Triad community where students, staff and families feel a sense of belonging, unity and pride.
 - Objectives and action steps aligned with this goal focus on communication, celebrating successes and staff/student/community involvement.

Last year we released our Portrait of a Graduate. This is an important part of our strategic plan. The Portrait of a Graduate explains traits that we want our students to leave Triad with after their PreK-12 education. It is not a HS focus but something we are dedicated to working on the whole way through. You will see more from this in the upcoming year and also in years to come.

I have been blown away by the amount of community/parent support since my very first day at Triad. Our Red White & Cards event in July had more than 5,000 in attendance which more than exceeded my expectations. I also appreciate all of the support with things like the Strategic Plan, Portrait of a Graduate, Fair gates, Athletic events, Art shows, Band and Choir concerts and so much more. You are always so supportive and helpful in anything we need. Please know that all you do is appreciated! Thanks for supporting our staff and thanks for all of the love that you give our kids.

Have a wonderful year!
Sincerely,

Vickie Hoffman
