

TRIAD

LOCAL SCHOOL DISTRICT

Spring 2021 QUARTERLY LEARNING REPORT

Dear Community,

It is hard to believe that we are almost done with another year. To say that the 2020-21 school year was interesting is really an understatement. As a district and community we have done the unthinkable and it is great to see light at the end of the tunnel. When the year started I was fearful of how much school would need to be missed and concerned about how we would ensure our kids get everything they needed to be ready for the next grade/stage in life. I am proud to say that the Triad students were able to have face-to-face instruction for 172 of the 178 school days. I am so thankful for all that the staff did to ensure this could happen. Our staff has worked harder this year than they ever have and for that I am more than grateful. I feel truly blessed to work in a district where the staff, students and community can overcome any obstacle placed in front of us. Thank you for all that you have done.

As you may have heard, districts have been given funds to help close the gap created by the pandemic. On page two we have a document highlighting just some of the things that will be happening next year to continue supporting our staff and students. The first thing we will do is summer school. Triad will hold district wide summer school on June 8,9,10 - 15,16,17 - 22,23,24 from 9-noon. We are also providing transportation to those that requested it. I am excited to tell you that over 200 students have signed up to attend this great opportunity.

TRIAD SUMMER SCHOOL TRANSPORTATION TIMES

BUS #30	AM Pick Up	PM Drop Off
Cable Ball Field	8:30 am	12:23 pm
Mingo Market	8:38 am	12:16 pm
The Meadows	8:46 am	12:07 pm

BUS #25	AM Pick Up	PM Drop Off
Woodstock Post Office	8:35 am	12:18 pm
North Lewisburg Church	8:44 am	12:10 pm

TRIAD SUMMER SCHOOL DATES - JUNE 8,9,10 - 15,16,17 - 22,23,24

As we wrap up a year that we will never forget, we hope that you all get some much needed time with those you love. Enjoy your summer and we look forward to seeing you in the fall.

		August 17 & August 18 By appointments Look for more info in August

Sincerely,

Vickie Hoffman

Superintendent, Triad Local Schools

2021-2022 PLANNING

The federal government has prioritized the need for school districts to close the learning gap caused by the Covid-19 pandemic. In doing so, districts were given additional funds to think about education differently and be creative about gap closing measures. Triad Local Schools is excited about the district plan that has been created and the number of students that will truly benefit.

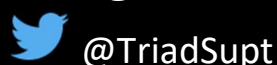

Increased Staffing

STUDENT SERVICES

Gifted Education

Many staff members are currently reading *Diving in to Strategic Thinking*. Participating in this book study will help staff members achieve their 30 hours of professional development to serve as the gifted intervention specialist in their classrooms.

Special Education

Students learn in small groups and one-on-one to master important concepts and skills.

Students learning by getting hands-on practice!

MORGAN FAGNANI

Chief Academic Officer
fagnanim@triadk12.org

@TriadCurriculum

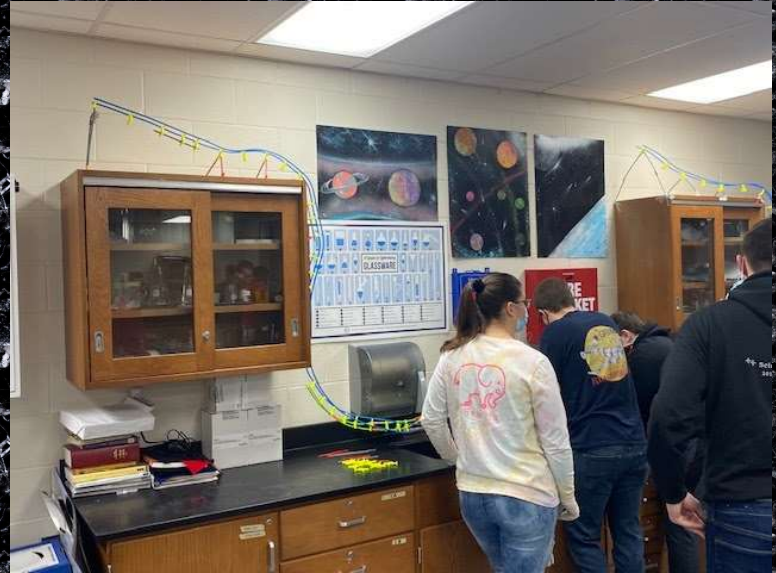

ERIN WEBB

Director of Student Services
webbe@triadk12.org

HIGH SCHOOL

Mr. Mutters' Physics class building roller coasters to demonstrate their knowledge and skills.

Students use items from a junk drawer to create new medium projects in art class.

Students use a new style of art medium... hot glue!

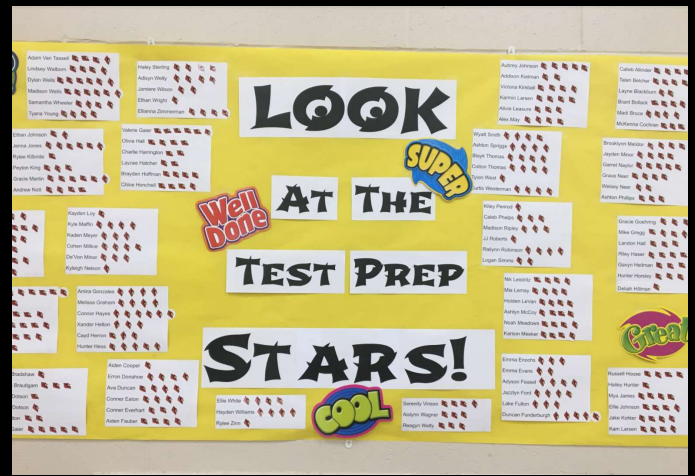

KYLE HUFFMAN

Principal

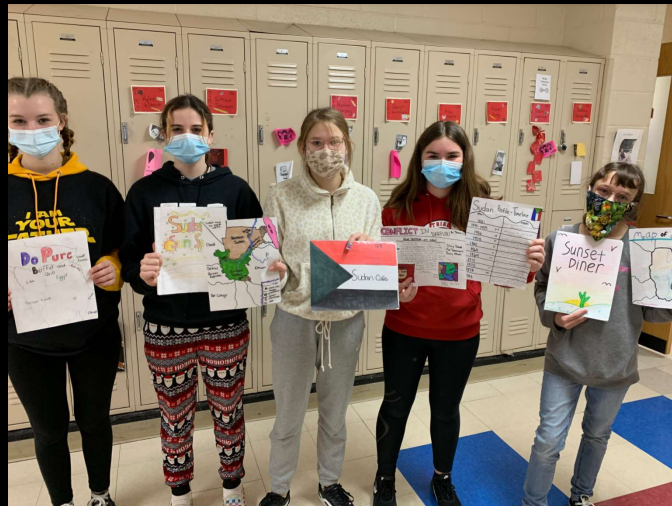

huffmank@triadk12.org

MIDDLE SCHOOL

Project Based Learning is a big part of the instructional model at Triad Middle School.

Students put in a lot of extra study time to prepare for the Ohio State Tests.

7th grade students began their novel, *A Long Walk to Water* by Linda Sue Park. In the novel, they read about one of the Lost Boys of Sudan. To begin the unit, they did a multi-genre project to learn about the history, geography, and culture of Sudan. Students had the chance to make menus, timelines, maps, postcards, newspaper articles and other projects to show what they learned!

DOUG LOWERY

Principal

loweryd@triadk12.org

ELEMENTARY

Practicing skill development not only works in sports; it also works in academics. As our third grade students prepare for State testing, they are tracking their practice with a baseball theme. Knock those tests out of the park, Triad Elementary!

Mental preparation is a big part of learning. Our preschool friends begin every day with yoga to prepare for their brains to stretch too!

How exciting to have Shine FM surprise our very own first grade teacher, Mrs. Ferguson with the honor of "Teacher of the Week"! Thank you for all your hard work for our students, Mrs. Ferguson!

On March 22nd, Mrs. Roose (2nd grade teacher) surprised her classroom with \$250 new classroom books. Mrs. Roose applied for a classroom grant from the Ohio Federation of Teachers First Book Grant and won! Her students were so excited!

LEE CLAYPOOL

Principal

TECHNOLOGY

We are exploring the possibility of bringing digital art to Triad Middle School next year!

Our technology was setup and ready to go to help ensure a smooth testing season!

We received the shipment of new Chromebooks that will be going to incoming 5th and 9th graders next year!
