### Community

Spanning throughout the State of Maine from Aroostook County to York County MEVA serves the educational needs of the entire State. The school is located in the state, Augusta in Kennebec County. The district enjoys a diversified economic base and is about 320 miles long and 210 miles wide, with a total area of 33,215 square miles. The student body is culturally diverse.

### School

Established in September, 2015, Maine Virtual Academy is a public charter school using an innovative education model to provide our students with the best education possible. As a statewide school available to Maine students in grades 7 to 12, our unique approach allows us to tailor an education that is specific to each learner.

### Curriculum

Maine Virtual Academy (MEVA) uses individualized curriculum from a variety of sources, including Accelerate, and SAVVAS. MEVA offers Early College, and AP4ALL courses from the University of Maine. MEVA students may take courses at Regional Career Technical Education Centers and/or engage in work-study activities.
