Fall 2020 QUARTERLY LEARNING REPORT

Dear Community,

Welcome back to the 2020 - 2021 school year. Even with all of the uncertainty with the coming year, we are excited to have our buildings and online instruction filled with excitement, learning and laughter. We have many exciting things happening in the district.

To begin with, we are now releasing our Portrait of a Graduate. This is something that we have been working on for more than a year. We spent the year surveying parents, students, staff and community members to learn what we all see as important. The Portrait of a Graduate explains traits that we want our students to leave Triad with after their PreK-12 education. It is not a HS focus, but something we are dedicated to working on the whole way through. You will see more from this in the upcoming year and also in years to come.

Next, I am excited to tell you that our construction is nearing completion. We have some final things to wrap up and the track will not start to go in until September but we are more than excited to have everyone visit the new and exciting new facility. We will have a ribbon cutting event in the near future so you can share in our excitement.

The district will be working on our strategic plan throughout the coming year. The team of staff members and parents will work together to take our Portrait of a Graduate and instructional audit (also completed last year) to create a 4-year plan on how the district will move forward in improving things that we can do better.

Since at Triad, I have been blown away by the amount of community/parent support. From the Portrait of a Graduate and Strategic Planning, to athletic events and band/choir concerts. You are always so supportive and helpful in anything we need. Please know that all you do is appreciated and that although this might be a very different year than we are accustomed to having, we cannot wait to get back to normal. Thanks for supporting our staff and thanks for all of the love that you give our kids. For the past 6 months they have needed you more than ever. Thank you!!!

Have a wonderful year!

Sincerely,

Vickie Hoffmann

HIGH SCHOOL

Despite the Covid pandemic, Triad High School found various ways to honor the class of 2020 as the most unusual school year in recent memory came to an end. Seniors were allowed to paint wall blocks, received yard signs, had a parade in their honor as well as a graduation ceremony approved by the Champaign County Health District.

MIDDLE SCHOOL

Middle School teacher, Stacie Dundon, was very creative in encouraging our Middle School art students during remote learning this past spring.

Zoom meetings were a common occurrence for teachers to connect and help students with school work or any questions they may have had.

Our students are awesome, and they appreciated all of the help and support they received from teachers and staff during our time away from the building.

ELEMENTARY

We want to wish Mrs. Karen Herndon a wonderful retirement! We will miss her warm, sweet smile and her amazing teaching, but we know she has many wonderful adventures ahead!

Thank you for making our Reverse Parade such a success!
The elementary school staff was so happy to be able to wish you a happy summer!

Our learning looked very different in 2020, and we could not have done it without the help of our parents and caregivers! Parent, Emily Krempasky, hosted the second grade virtual field trip - a virtual fossil dig!

PORTRAIT OF A GRADUATE

During the 2019-2020 school year, Triad Local Schools began working on a Portrait of a Graduate. This process engaged students, staff, and community members in determining the assets that are necessary for all Triad graduates. The final product, shown above, displays the assets that will be strategically taught to all K-12 Triad students.

By the numbers...

- 28 initial assets, ending on the 6 seen above
- Initial Survey Responses
 - 105 adult responses (community & staff)
 - 487 student responses
- 6 team meetings
- 7.5 hours of team meetings
- 5,035 individual asset responses
