Study Options

PRIVATE LESSONS: The one-on-one instruction between teacher and student in the traditional private lesson allows the technique to be catered to the student's unique needs. This is the best choice for motivated students at any level of experience. Private lessons are scheduled once each week for 30 minutes (\$360 per trimester).

PAIR LESSONS: Two students and a teacher meet for 30 minutes once each week in pair lessons. This arrangement offers the flexibility of allocating part of the lesson to each student, working with both students together, and having the students coach each other under the direct supervision of a teacher. The social aspect of pair lessons is motivating to many students (\$250 for each student per trimester).

CLASS LESSONS: Small groups of students work with the teacher and each other in-class lessons. The teacher sets the pace for each student. Older, more advanced students build their mastery by coaching younger, less experienced students. This provides an ideal introductory experience for many students (\$150 per trimester).

Dear CSL Parents,

In today's progressively interconnected and interdependent world, proficiency in other languages is a crucial skill that allows us to engage with the world in a more meaningful and immediate way while better preparing to compete and succeed in the global economy. Research shows that people who speak more than one language have improved memory, enhanced concentration, and better listening, problem-solving, and critical-thinking skills.

The Community School of Languages is offering a variety of classes to provide children in our community with these benefits. We understand that the face-to-face interactions our students and teachers enjoy each day are better in-person than those occurring remotely.

A few reminders:

- 1. Dismissal and drop-off will take place in the Middle School office or Elementary office, depending on the class.
- 2. CSL Teachers will be responsible for picking up and dropping off children at Extended Day as needed.
- 3. Extended Day is offered to Corbett Prep families who require a later start time or pickup. Extended Day is pre-registered only!
- 4. FOR OUR CORBETT PREP FAMILIES, please register for our CSL classes at, https://www.corbettprep.com/parent
- 5. For all others, please email csl@corbettprep.com to get the registration form.

For questions, please contact csl@corbettprep.com.

Sincerely, Valeria Wolters CSL Program Director
