Dear Parents/Guardians,

As you may be aware, the State of Connecticut General Assembly voted on Thursday in favor of legislation to fund the extension of the state-wide free school lunch program for all students through the current academic year.

We are currently awaiting further guidance from the state as to the official start date for this extension. Once this date is determined, we will provide immediate notice to our East Lyme families. In the interim, breakfast and lunch meals will remain available under current full-price costs.

Should you have any questions or require any further information please do not hesitate to contact me at 860-739-3966 ext. 5602.

Sincerely,

Jeffrey R. Newton  
Superintendent
