

PROFESSIONAL STAFF CONTRACTS AND COMPENSATION

Code **GCB** Revised **10/18**

Purpose: To establish the basic structure for professional staff contracts and compensation.

Compensation

The board will attempt to pay its professional employees at a level that will attract and hold personnel dedicated to education.

The compensation of certificated personnel is based on the state salary schedule with local supplements as approved by the board. The schedule takes into consideration the levels of professional training and year of service.

The effective date for all salary changes as determined by the salary schedule or by action of the board is July 1.

Contracts

Upon recommendation of the superintendent, the board will notify teachers in writing of their employment status ~~on or~~ before May 1 (i.e., by April 30) for the following school year. This includes both the issuance of employment contracts and notice of decisions of the superintendent's recommendation not to renew employment contracts. Employees must give written acceptance of their contracts to the superintendent before May 11 (i.e., by May 10). Failure to give such notification constitutes contract rejection.

The board will award administrative contracts on the recommendation of the superintendent.

An administrator employed by the district on a contract will retain his/her rights as a teacher under state law. However, state law does not grant these rights to the position or salary of an administrator (for example, if he/she is returned to the classroom).

Contract releases

For release of teachers from contracts, see policy GCQC/GCQD.
