

PROFESSIONAL STAFF LEAVES AND ABSENCES

Code **GCC** Revised **10/18**

Purpose: To establish the basic structure for all types of professional staff leaves and absences.

- the uninterrupted continuity of education
- greater teacher-student contact time
- appropriate role-model emulation
- consistent classroom discipline
- reduced cost
- prompt service by all departments

Therefore, the board expects employees to come to work as scheduled. The board recognizes, however, that certain absences are unavoidable. At such times, employees should take leave in accordance with this policy and its accompanying administrative rule.

Absent employees must comply with procedures set out in the administrative rule which accompanies this policy.

Sick leave

Accrual of sick leave

All full-time employees of the district will accrue sick leave on the basis of one and one-fourth days of sick leave for each month of active service. This will provide 12 days for nine months (190 days), 13 days for 10 months (210 days), 14 days for 11 months (220 days) and 15 days for 12 months (240 days). An employee may accumulate up to 90 days of sick leave which is accrued but not used provided that such employee does not violate his/her respective contract.

For the purposes of this policy, a full-time employee will mean any person employed in a position for which certification is required by the South Carolina State Department of Education or a person who has been employed in the school district and works at least 30 hours per week.

Use of sick leave for absences

- personal illness
- illness in the immediate family – Immediate family in this provision will mean parent, spouse, child, brother, sister or any other person living in the house who is dependent on the employee for care.

- death in the immediate family – Immediate family in this provision will mean parent, spouse, child, sister, brother, grandparent, aunt, uncle, mother-in-law, father-in-law, sister-in-law, brother-in-law, niece, nephew, grandchild or grandparents-in-law.
- an employee will be allowed to use four days per year of the sick leave for personal reasons other than the following:
 - personal illness
 - illness in the immediate family
 - death in the immediate family

Personal leave must be approved by the immediate supervisor. Such days will not be cumulative. In accordance with Type III below, no employee will be expected to request such a day for personal leave on the last day before holidays officially begin, or, on the first day after holidays officially end. (An employee will also not be expected to request such a day during the first two weeks or the last two weeks of the school session.)

If an employee is absent due to one of the reasons listed as Type I, there will be no salary deduction until all cumulative days have been taken. (Exception: not more than 12 days per year can be used for reasons other than personal illness.)

When an employee's absence is classified as Type I leave, the day or days will be deducted from the cumulative leave regardless of whether a substitute is secured.

Type II

The district may deduct the daily cost of a substitute or one-half day pay up to the current substitute pay, whichever is less, for three days from the employees salary when he/she is absent for the following reasons.

- wedding in the immediate family
- death of persons not mentioned in Type I
- other causes approved by the superintendent

The district may deduct the full daily salary for each day more than three that the employee is absent for one of the foregoing reasons.

Type III

The district may deduct the full daily salary for each day of absence if an employee is absent for one of the following reasons. (This does not affect sick days.)

- personal business (other than the four days granted)
- leaving before holidays have officially begun or returning after holidays have officially ended
- other causes which in the opinion of the superintendent are not legitimate

Principals or immediate supervisors should discuss the request for a Type III absence with the superintendent prior to such an absence.

PAGE 3 – GCC - PROFESSIONAL STAFF LEAVES AND ABSENCES

The district reserves the right to require documentation or justification of absences in Type I, II, or III.

When the employee makes a request in writing, the superintendent may grant an employee leave without pay for personal illness following the exhaustion of all accrued sick leave. Leave with and without pay will not extend beyond the immediate school year.

The district will assign an employee who returns to work the same or similar duties which he/she performed prior to going on leave, if such assignment is in the best interest of the district. If the administration does not consider it to be in the best interest of the district to assign the employee to the position he/she had prior to going on leave or to a similar position, the district will offer the employee a position for which he/she is qualified. The district will place the employee on the payroll at his/her pre-leave salary status.
