

BEAVERTON SCHOOL DISTRICT

WELCOME...to a special meeting of the
Beaverton School District.

The Elementary School Boundary Advisory
Committee welcomes written comments and
questions. When finished please place your
sheet in the labeled basket on the table near
the entrance.

Date: November 3, 2016

Name: Teresa Cawthra-Cornelius
(like the town)

Address: 115 SW 132nd Avenue
Beaverton, OR 97005
City State Zip

Phone: 503-644-5998 I teach at Springville (2nd year in, 3rd years that I'm the 3rd grade teacher on the stage)

School attendance area: My daughter attended 6-8 here at Springville in Options program

Question /Comment: _____

Comment: I could not be here for the 6:00 meeting but came in early to review the maps. Thank you so much for providing maps of potential roads, developments & walk ways to help us see if the prototype will "work."

On current map, I am pleased with the efforts to avoid unsafe walking routes while keeping portions of neighborhoods from becoming islands. Nice job in evening out the demographics, too. I still believe that student growth is underdefined in many of the neighborhoods but feel this is a solid possible map. Biggest concern continuing

to be safety of students ^{en route to school} ~~en route to school~~ Thanks for your work!
Not an easy job!

building of
PS: Anyway, this school could push forward ~~the~~ the extreme need for a stop light on Kaiser + Springville?

WELCOME...to a special meeting of the
Beaverton School District.

The Elementary School Boundary Advisory
Committee welcomes written comments and
questions. When finished please place your
sheet in the labeled basket on the table near
the entrance.

Date: Nov. 3, 2016

Name: Stephanie Ciftei

Address: 15722 NW Graf St.
Portland, OR 97229
City State Zip

Phone: 503-539-0674

School attendance area: Springville

Question /Comment: The projections show a decrease
in attendance at Jacob Wismer. The
Southern end of Springville boundaries could
shift to Jacob Wismer to help relieve
the pressure at Kaiser Elementary. It
would help with the long term plans.

WELCOME...to a special meeting of the
Beaverton School District.

The Elementary School Boundary Advisory
Committee welcomes written comments and
questions. When finished please place your
sheet in the labeled basket on the table near
the entrance.

Date: 3rd Nov. 2016

Name: ARCHANA KUMAR

Address: 16223 NW FESQUE CT

PORTLAND OR 97229

City

State

Zip

Phone: 503-799-7357

School attendance area: SPRINGVILLE K-8

Question /Comment: _____

→ We believe the Jacob Wismer can accomodate more kids and reduce the burden for Springville and ~~Jacob~~ Kaiser school.

→ we are less than a mile away Springville school and still we are proposing them to move to Kaiser (farther away)

→ Dividing the boundaries East to west instead of North to South makes more sense considering the neighborhoods division.

→ Lets think about the long term solutions rather than short-term.

→ New Kaiser school will be over crowded

within two years and we might have to
adjust the boundaries again. This is
short-term.

WELCOME...to a special meeting of the
Beaverton School District.

The Elementary School Boundary Advisory
Committee welcomes written comments and
questions. When finished please place your
sheet in the labeled basket on the table near
the entrance.

Date: 11/3

Name: Bharani Manavalan

Address: 17029 NW Trillium St

Portland OR 97229

City

State

Zip

Phone: 561-866-6950

School attendance area: SPRINGVILLE

Question / Comment: _____

① ~~Agenda~~ 3 presented as of 11/3 is perfect
& Good recommendation by the Committee.

② From Trillium St, we will continue to walk &
continue to stay @ Springville.

THANK YOU...!!

~~Question:~~

→ Provide more lunch time for kids...!!

BEAVERTON SCHOOL DISTRICT

WELCOME...to a special meeting of the
Beaverton School District.

The Elementary School Boundary Advisory
Committee welcomes written comments and
questions. When finished please place your
sheet in the labeled basket on the table near
the entrance.

Date: 4/3/16

Name: RAJESH POORNA CHANDRAN

Address: 15317 NW TWD POND DR

PORTLAND OR 97229
City State Zip

Phone: 602 330 4925

School attendance area: JW

Question / Comment: I really appreciate all your efforts. Thanks very much.

I really like the modified scenario #3. Please stick to that.

Thanks again

BEAVERTON

SCHOOL DISTRICT

WELCOME...to a special meeting of the
Beaverton School District.

The Elementary School Boundary Advisory
Committee welcomes written comments and
questions. When finished please place your
sheet in the labeled basket on the table near
the entrance.

Date: 11.3.2016

Name: Nandakumar Rangaswamy

Address: 17130 NW Trillium St

Portland OR 97229
City State Zip

Phone: 408 429 5251

School attendance area: Springville

Question / Comment: I really like modified Scenario 3

proposed on 11.3.2016 meeting. Adding the
north part of the ~~area~~ shackelford
neighborhood to springville naturally fits in
the board policy criteria. Any changes
in the ~~this~~ boundary change will not make
sense. So please keep this area in the
springville boundary. Also my kid love the
EL a lot.

Thank you!

WELCOME...to a special meeting of the
Beaverton School District.

The Elementary School Boundary Advisory
Committee welcomes written comments and
questions. When finished please place your
sheet in the labeled basket on the table near
the entrance.

Date: 11-3-16

Name: Lori Tewksbury

Address: 116093 NW Graf St

Portland

OR

97229

City

State

Zip

Phone: 503-929-7721

School attendance area: Springville

Question /Comment: _____

It appears that Jacob Wismar enrollment
is on the decline and might continue
to decline as there are not new houses
being build built and those kids will
move on to middle school & HS.

Why can't Jacob Wismar extend their
boundary and absorb some kids?

The neighborhoods along the greenway
and powerline trails have good
access to Jacob Wismar via the
trail system and safe crossing of
Bethany Blvd with crossing guards.
Please consider expanding Jacob Wismar
boundary

WELCOME...to a special meeting of the
Beaverton School District.

The Elementary School Boundary Advisory
Committee welcomes written comments and
questions. When finished please place your
sheet in the labeled basket on the table near
the entrance.

Name: Lori Tewksbury

Address: 16093 NW Graf St
Portland OR 97229

City

State

Zip

Phone: 503-929-7721

School attendance area: Springville

Question /Comment: _____

I would strongly encourage you to
not divide the boundary on the powerlines.
This is a huge division of neighborhoods.
Most of us in those neighborhoods
are not opposed to going to a
different school, however, we would like
to stay together for community &
neighborhood unity.

I also feel like we will be
the area that is moved again if
the boundaries are changed in a few
years. It seems we are in a
zone that is not being fully considered
regarding future impact. The district
should not keep change the southern
most boundary every few years.
