Question /Comment: _____

Of all the map submittals, Submittal #2 is the
BEST optional. The reason for choosing submitted #2
are

⇒ Keep's the close PROXIMITY area with Springville.

⇒ Keep's Pilot park community together

⇒ Open's Kaiser Rd K-5 with very good number of student's

⇒ Keep's the number in all three school in manageable
range.

Also map submittal #3 has some major drawback's

⇒ It ignore's School Attendance Policy JC of PROXIMITY &
SAFETY

⇒ Kaiser Rd K-5 open's with low student number and quickly
passed its capacity within in 5 years.

⇒ Student body composition is not ~~even~~ even as Springville
and Jacob Wismor.

⇒ Block # 68 & #39 are very very far from Kaiser Rd K-5.

better student body ratio, better transportation routes.

Question /Comment: _____

Even though I am not in pirate park community, ~~but~~ I
can feel their pain of moving them from one school to another &
then again this impact their unity, children's emotions etc.

I will recommend not to move pirate park community from
Springville ~~the~~ school, this time.

Ⓢaid that I will recommend for map-submittal #3 where
all pirate park community stay with springville.

with this there is chances of overcrowding of Kaiser, but this is
based on new construction and assuming they will have ~~at~~ projected
numbers.

Same comment for jacob-wismer, recommend to keep it intact.

at the End, have minimum impact on existing school & kids, wherever
possible
