

OUR PRIMARY MISSION

DEVELOP STUDENTS

Nearly all NVCA's resources support the school's primary mission to educate students. Of the \$7,036,613 million in annual expenses, approximately 81 percent supports education comprising faculty and staff salaries, benefits, and instructional support. The remaining 19 percent of NVCA's expenditures includes facilities maintenance and debt service.

EXCEED GOALS

The cost of an NVCA education significantly exceeds the full cost of tuition for each student. To supplement the additional 36 percent needed to pay for each student's education, NVCA relies on the generous donations of current parents, grandparents, board members, churches, and community members.

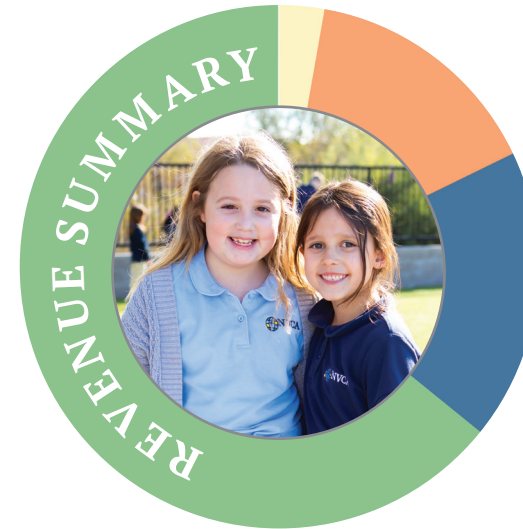

PRAISE & THANKS

We give praise to God for His many blessings and thank you, our faithful donors, for your generosity.

With your help, we were able to provide:

- Curriculum directors
- Classroom paraprofessionals
- A new playground structure
- Artificial turf on the south field

FINANCIAL OVERVIEW

- Tuition & Fees: \$4,815,236 | 64%
- Donations/Fundraising: \$1,348,038 | 18%
- Government Grants: \$1,125,858 | 15%
- Programs/Other: \$196,889 | 3%

- Salaries & Benefits: \$3,475,372 | 50%
- Facilities/Debt Service: \$1,317,140 | 19%
- Depreciation: \$994,876 | 14%
- Programs: \$874,798 | 12%
- Administrative: \$374,427 | 5%

ACCOMPLISHMENTS 2021-2022

During the 2021-2022 school year, we celebrated many achievements and firsts:

- Graduated 14 students with \$1,138,000 in scholarship offers;
- Established a waitlist for admission;
- Opened two classes for all grade levels; and
- Middle school and high school STEM competition teams competed in the ACSI Regional STEM Competition taking first place in both the Aerospace Glider (HS) competition and the IT Coding (MS) competition. Both teams qualified for the International Finals at GCU where the HS team finished third in the Aerospace Glider competition.

TOGETHER WE CELEBRATED

MORE WAYS TO HELP PAVE THEIR FUTURES

We are looking forward to the next phase of our high school expansion construction project.

If you would like to donate to help support the new high school campus, options for giving, including purchasing a commemorative brick, are available on our website at: www.northvalleyca.org/giving.

We pray that God will richly bless you in 2023 as He has richly blessed NVCA.

"Now to him who is able to do far more abundantly than all that we ask or think..." (Eph. 3:20).

MESSAGE FROM THE BOARD CHAIR

Dear NVCA Families and Friends:

Your generous support for NVCA™ has made an incredible difference for students this past year. The support and commitment from the NVCA community helped us to thrive advancing our mission to develop students who aspire to achieve their greatest potential, ready to face challenges with competence, character, and faith. Over the past several years, NVCA has been blessed with significant growth to near campus capacity. The growth has been a blessing by providing the programs and resources necessary to meet the evolving needs of our students. Please join me in lifting NVCA in prayer and celebrating all that the NVCA community accomplished this past year. God is at work on our campus!

Gary Yiatchos,
Board Chairman

OUR MISSION

Develop Christ-centered students
who *aspire* to excellence
and *impact* their communities for Him.
