

SCIENCE EDUCATION

Code **IHAD** Issued **3/13**

Purpose: To establish the board's vision for science education.

Science education is a general educational activity for all pupils. The primary goal of the district's science program is to develop a scientifically literate citizen. The activity-oriented science program is designed to promote the development of skills, concepts and attitudes which will help the students to discover, interpret and control natural phenomena as well as the products of technology which confront them daily.
