

Policy

OCCUPATIONAL-TECHNICAL EDUCATION

Code **IHAI** Issued **3/13**

Purpose: To establish the board's vision for occupational-technical education.

The district provides preparatory courses in occupational-technical education at the middle school and high school levels (industrial technology, drafting and applied academics courses). The district provides technical-occupational training in occupational completion programs both at Woodruff High School and R.D. Anderson Technology Center.

Adopted 6/1/98; Issued 3/4/13
