

ENVIRONMENTAL EDUCATION

Code **IHAO** Issued **3/13**

Purpose: To establish the board's vision for environmental education.

The administration will assist and support the teaching staff in developing and coordinating programs and activities relevant to environmental education. The board supports the use of, and inservice education in, existing programs in environmental education where these programs meet district criteria concerning program quality and orientation.

Adopted 6/01/98; Issued 3/4/13
