

SCHOOL CEREMONIES AND OBSERVATIONS

Code **IMD** Issued **3/13**

Purpose: To establish the board's vision for school ceremonies and observations.

Pledge of allegiance

State law requires that all students say the pledge of allegiance at a specific time during each school day. Each school will designate this time.

Any person who does not wish to say the pledge of allegiance does not have to participate. The district will not penalize him/her for failing to participate.

Any person who does not wish to participate may leave the classroom or remain in his/her seat. The person may express his/her non-participation in any form which does not materially infringe upon the rights of others or disrupt school activities.
