The local department of social services (DSS) shall coordinate with the school district representative to ensure that the child in foster care is immediately and appropriately enrolled with all educational records provided to the new school ([Fostering Connections to Success and Increasing Adoptions Act of 2008 \(P.L. 110-351\)](#); [Social Security Act, Title IV, § 475 \(1\) \(G\) \(42 USC 6751\)](#)). The agency placing a child in any situation that requires changing school districts, must work with the schools to assure that all required school records, including confidential records, are transferred from the sending to the receiving school within three working days (Proviso 1.8).

This document provides all information required for the DSS to notify the school principal and school district superintendent and for the school to immediately enroll the child in compliance with ESSA (P.L. 114-95, Sec.1111(c)).

“Immediate” means no later than the beginning of the next school day after the presentment for enrollment. “Presentment” means the person enrolling the child has appeared at the school and presented best interest determination documentation and certifications (see next page). “Enrollment” means the child is attending classes and participating fully in school activities.
