

With Love Book Scholarship

2023-2024

This scholarship is worth **\$500!** This scholarship was established thanks to the generosity of DECA High class of 2014 alumna, Sakinah Ali. The With Love Scholarship will be awarded to one DECA alumni pursuing a STEM degree at an accredited 2-year or 4-year institution. All of the qualifications and requirements to be considered for this generous scholarship are detailed below.

Please send all questions to DECA High's College Liaison, Ashley Overman at (937)-229-5775 or aoverman@daytonearlycollege.org

Qualifications

- DECA High alum
- Major requirement: Science, technology, engineering or mathematics.
- Must show a financial "gap" in order to apply. (Apply all available aid and still have a remaining balance)

Requirements

- Completed Application submitted by **August 10, 2023**
- Updated Bursar Statement (Fall 2023)
- List of required books and prices
- Essay: In the book, *The Self-Aware Leader* by John C. Maxwell, he explains how true leaders are the ones who not only conquer the world but also conquered themselves in the process. He speaks on how most of the world's highest-appointed leaders fall from grace due to the lack of understanding of their weaknesses. Maxwell employs the wise words of William Saroyan who said, "Good people are good because they have come to wisdom through failure. We get very little wisdom from success.". **Using this quote, you need to write a 1 page double spaced response identifying a lesson you thought you would learn by succeeding. Then expand on it by identifying a lesson you learned from exclusively failing.** Remember, success is in the efforts.

Requirements for the winner

- A thank you note to the donor, Ms. Sakinah Ali.

*All required documentation will be submitted to Mrs. Overman.
