In 2022, Corinth’s archery team ended the season at the State Championships in Jackson. They placed ninth in Division 2, which is aligned with MHSAA 3A and 4A schools. The 2022 season had a team of 25 archers with varying levels of skill and experience. Corinth High School (CHS) hosted their first ever home match, which was met with great crowds of parents and fans.

Brisanda Luna-Lopez was the first archer from CHS to sign a collegiate scholarship and she is performing well for Blue Mountain Christian University this season. Several former CHS archers have joined the club team at Northeast Mississippi Community College, which won the Mississippi State Championship.

Almost 60 archers tried out for the 2023 season and 36 archers made the team. Archery is the fastest growing school sport in the state. North Mississippi boasts eight of the top 10 schools in Mississippi for archery, meaning CHS is in a competitive division.

“It’s really an honor to get to coach this great group of athletes,” said Head Coach Brent Johnson. “This is my first year as head coach and Coach Lyles left some big shoes to fill. My message to the team has always been and will continue to be one of constant improvement. We are proud to have earned a spot in Jackson last year and were happy to be in the top 10, but we are not satisfied. This year we need to continue to progress. This year is our last year in Division 2 due to reclassification. Therefore, we want to end it again in Jackson and higher than ninth place.”

MIDDLE SCHOOL BASEBALL

Front Row, L to R: Hudson Marolt, Brody Robbins, Chase Kiddy, Elijah Null, Cason Ashe, Jaquarius Patterson, Braxton Quinn; Back Row: Coach Seth Kennedy, Noah Latch, Jacob-Isaac Pierce, Brooks Bain, Ty Crawford, Christian Butler, Colte Ashmore, Jax Wigginton, Michael Guare

The Corinth Middle School baseball team is coming off of a pair of strong campaigns where they have lost only one game in each of their last two seasons.

This year’s team features five 8th graders and twelve 7th graders. Although the 8th grade class is small in number, they return valuable experience at the plate and on the mound. They are accompanied by a 7th grade group that has a wealth of talent and versatility.

Head Coach Seth Kennedy enters his third year with this team and Blake Hendrix enters his second year working with both the middle school and high school teams at Corinth.

The Middle School Warriors have a wonderful opportunity to play against some of the best baseball programs in the area this season which will prepare them for the high school level. Much like the high school, the Junior High Warriors play an energetic, hard-nosed brand of baseball where they play fundamental defense and are aggressive on the base paths.

“Our main purpose is to prepare our kids for the next level on the field, in the classroom, and most importantly in life,” said Coach Kennedy. “We have a great group of athletes with a very high ceiling. We look forward to working with these athletes in our program over the next 5-6 years.”

In 2022, the varsity baseball team finished second in Division 1-4A with an overall record of 19-17. They competed in the third round of the state playoffs. The team also had two student-athletes selected as all-stars by the Northeast Mississippi Coaches Association for Better Baseball (NEMCABB) and one student-athlete selected as an all-star by Mississippi Association of Coaches (MAC)

This season, the team returns six of nine starters, making it a strong lineup. Seniors on the team include Broderick Alexander, Devon Jones, Samuel Curtis, Blake Briggs, Carson Kiddy, Jaxson Laster, Ethan Huff and John Neal Welch.

Additionally, three of those seniors have signed scholarships to play college baseball: Samuel Curtis at Northeast Community College; Ethan Huff at Itawamba Community College; and John Neal Welch at Northeast Community College.

"I am excited about this group of young men," said Head Coach Kevin Williams. "Last year we had a lot of inexperience, and they really grew up right in front of us. By the end of the year, we were playing great baseball and getting outstanding performances and contributions from a number of players. These guys have worked extremely hard this off-season, and I am very excited to watch them compete on the field this spring."

Last year, the Lady Warriors finished the season with a 17-8-1 record. They captured the Division 1-4A Championship before falling in the playoffs to the Lady Knights of West Lauderdale.

The Lady Warriors had strong performances on the mound throughout the season from Carys Goodwin and Kinley Pittman. Corinth was able to rack up in division awards with Goodwin honored as Division 1-4A Pitcher of the Year, Pittman honored as Division 1-4A MVP, and Crista Wilson honored as Co-Defensive Player of the Year. After a heartbreaking ending to the season, the Lady Warriors are looking to bounce back even stronger this season.

Anna Hudson is the only senior on this year’s team. The rest of the team is comprised of juniors, sophomores, freshman and a few 8th graders.

“After last season’s success, I have high expectations for this year’s group,” said Head Coach Maggi Vondenstein. “These student-athletes are working extremely hard preparing for the season and have set some big goals. I expect some of our younger athletes to really step up and fill the shoes of our seniors from last year. This group has a lot of talent and depth and I’m excited to see where this year takes them.”

Also, this year for the first time, the school district has a middle school softball team. In previous years, the middle school students have played on the high school team. This new team is comprised of ten 7th and 8th graders.

Front Row, L to R: Jenniyah Harris, Abigail Patterson, Lainey Briggs, Ansley Tyson, Marley Dixon, Gabriela Gee, Zacara Hill-Moore; Back Row: Chloe Sanders, Callie Pounders, Takhia Crump, Sophie Bonds, Alexis Pech, Jaylee Hendrix

Last year, both the girls and boys powerlifting teams had a strong showing. The girls team had four lifters who medaled at State and three lifters who won first place in their weight class. Overall, the girls team finished with 28 points overall, only one point shy of the first-place team at 29 points.

The 2021-22 season was a rebuilding year for the boys powerlifting team. As a team, they won the Division and Region, as well as placed second at North Half. At the State Championship, the team had one lifter who placed in the top three spots.

The expectations and excitement are high for both teams. “My expectations, as well as my lifters’ expectations, is to compete for a State Championship as a team,” said Head Coach Justin Dye. “It’s always an accomplishment for an individual to win their weight class. But for the team to win as a whole is the goal and it’s what we strive for. I have some great returning lifters for both boys and girls and some really promising newcomers in both groups. I can’t wait to see what the season holds for us as we begin competing.”

Last season, the tennis team finished strong as the Division 1-4A Champions. The team made it to the second round of the playoffs finishing the season with a 10-4 record. Our starting varsity lineup for the 2022 season included Girls Singles: Alexis Price; Boys Singles: John Parker; Mixed Doubles: Pierce Peterson and Witt Dalton; Boys Doubles: Brooks Pratt and Occoe Pina; Boys Doubles: McTyeire Davis and Luke Mitchell; Girls Doubles: Cate Rivers Shipp and Grace Villaflor; and Girls Doubles: Cora Johnson and Annie Stanley.

In individuals, the Corinth Warriors took three individual events to State: John Parker, Boys Singles; Alexis Price, Girls Singles; Witt Dalton and Pierce Peterson, Mixed Doubles. Our Girls Singles: Alexis Price and Mixed Doubles: Witt Dalton and Pierce Peterson advanced to the semi-finals.

For this season, the team is excited to have eight seniors. They have many returning players and a few new faces from both the middle and high school.

This year, the schedule has a few new opponents. They are excited to face these larger school teams in hopes of improving their skills and strengthening the team.

"I am very excited about working with this team," said Head Coach Taylor Moak. "We have a great group of seniors that I will miss tremendously but I know they are going to do great things this season. Growing together as a team is something that is very important. We are working hard to help our players become great teammates and better players every day. We are hoping to take more individual events to state this year and are working hard to keep the Division title."

The 2022 CHS Warrior Golf team had a really good year. Despite several cancellations early on due to the wet and cold start to the spring, both the boys and girls team had a lot of success! Coach Martha Talent and her boys team hosted the boys Regional Tournament at Shiloh Ridge Athletic Club. They played well enough to qualify for the State Tournament held in Pontotoc, Mississippi.

The girls team won their Regional Tournament held at Iuka Country Club and moved on to play for a State Championship in Grenada, Mississippi at Hugh White State Park Golf Course. Both teams had strong showings in their respective state tournaments.

This year, the coaches are looking forward to a great year. “Our goal is to build on last year’s success,” said Head Coach Rob Scarbrough. “We’d love for both teams to qualify and make another run at a State Championship. With the experience we have coming back from last year’s teams, we are excited about the possibilities ahead of us for the 2023 golf season!”

Last year, our 4x800m girls team (Elsie Wilbanks, Catherine Grisham, Andi Kate Holley and Emma Hall) won the State Championship and set a school record of 10:34. Our 4x800m boys team (Clark Carmichiel, Ross Evans, Sam Evans and Parker LeGoff) finished second at State, just .17 seconds shy of first place and set a school and State records.

The following athletes also went to State: Pierce Peterson and Briley Briggs (pole vaulters); Jack Gibson (pole vaulter) won silver; Ricardo Venegas (3200m) won 4th place; Clark Carmichiel (4x800m, 400m, 4x400m); and Emma Hall (4x800m, 1600m, 800m).

"This year my expectations are very high," said Head Coach Luke Hatcher. "We have added Coach Ryan Summers who has helped coach many teams to State Championships. We are bringing back a core boys sprinting group in the 100, 200, 4x100, and 4x200. We are also bringing back both the 4x800m relay squads that made big impacts at State last year. Also, our pole vaulting crew is bringing back everyone so I look for more success from them this year. From sprints to jumps to throws to distance, we should have some great athletes see success in their events."

The Corinth High School (CHS) Theatre Program proudly presents their 2023 musical, *Mamma Mia!* Over 66 high school students are involved in this musical production.

"I haven't seen students so excited for a production like this in a very long time," said Journey Bennett, CHS theatre teacher. "From the reveal of the show to the first rehearsal to now, students maintain an energy that is positive. They are eager to learn what is next, whether that be the next dance, song or scene.

"I originally chose *Mamma Mia* for the fun music and dancing that is included throughout the show. However, I am now seeing that this show is bringing kids of all different backgrounds, friendships, and grade levels together to form a musical that CHS will never forget. This show has created so many friendships and memories already. It has been my greatest pleasure to direct this production and I look forward to our show dates!"

Mamma Mia Description:

Set on a Greek Island, bride-to-be Sophie attempts to discover who her father is by using her mother's diary. She invites three possible fathers to her wedding in hopes that she will know which man is her father. The musical includes songs from ABBA, a popular 1970s music group, including "Dancing Queen," "Mamma Mia" and "Take a Chance on Me."

The Corinth Chorus is open to students in grades 7-12. Students learn all styles of music: classical, Broadway, current popular, older styles and spirituals. They develop musicianship by improving singing techniques, dynamic enunciation, reading music and sight-singing.

The chorus performs fall and spring concerts, a community Christmas concert at the Coliseum and at graduation. They also attend mass choir events, festival, honor choir opportunities and adjudication events. Honor Choir is designed for high school choral students who have been specifically referred by their choral directors. The group travels to a college and performs in front of a college director.

Mass choir is a gathering of all district high school chorus groups who travel to a certain place and a director will practice to present a concert for parents and the public. Choral Arts Festival is an adjudicated event where the group is graded on their performance and sight singing.

“Chorus has made an impact on our lives, not only in helping improve our voices but in building strong connections and friendships,” said choral students Adriana Pech and Anahi Rivera.
