III. ADJOURNMENT (Action)

In May 2020, The Office of the Superintendent of Public Instruction (OSPI) convened a stakeholder workgroup to create recommendations and guidance for school districts as we plan for the reopening of Washington's schools in the 2020-2021 school year.

The Steilacoom Historical School District has created our own planning workgroups, replicated after OSPI's identified themes. Our workgroups are in alignment with the District's Strategic Vision focal areas: Achieve, Plan, Support, and Connect.
