Dear Parents of JXC Scholars,

All Jacksonville Academy teachers are responsible for continual improvement of their teaching skills and content area knowledge. They are expected to be experts in their subjects, have a sound grasp of classroom management, and model our Pillars of Virtue. All of our teachers engage in a weekly or biweekly cycle of observation and coaching meetings, attend our weekly professional development sessions, and are expected to continue their professional development through courses, seminars, readings, and other means. At Jacksonville Classical Academy, some of our teachers are participating in continuing education in order to expand their certification to include their current teaching assignment.
