Dear Counselor Applicants:

The Las Virgenes Outdoor Education Program is in its 44th year of operation. This program is designed to provide fifth graders with an opportunity to develop attitudes and skills that will enable them to have a greater appreciation for ecology and their environment.

One essential element of this program has been our Las Virgenes high school counselors. Their enthusiasm and dedication have added greatly to the success of Outdoor Education.

The program is held at King Gillette Ranch, a 600 acre facility in our beautiful Santa Monica Mountains. The program is offered in conjunction with the Mountain Recreation and Conservation Agency (MRCA).

All students, counselors, teachers and directors will live in a dorm. Each counselor is assigned between 7-10 students to help, support and guide through the week. A team of naturalists will lead all of the activities. The learning activities are hands-on and out on the trails. As a counselor you are expected to participate in all activities and monitor student involvement and behavior. You are also expected to be an excellent role model in all aspects of the program.

All applicants will attend a Counselor Training/Orientation/Interview process, which will be held at King Gillette Ranch. After the counselor interviews, the counselors and alternates will be selected, and all candidates will be notified of their status by email.

If you are selected as a counselor, you will be expected to arrive at King Gillette Ranch the first day of your week on Monday, by 7:30 a.m. and you will complete your assignment by Friday, at 12:00 p.m. Once you are at camp, you may not leave the premises unless prior arrangements have been made.

As a counselor you will work very hard. The program demands on you are great but you will be stronger because of your commitment. You won't get paid, but you will be appreciated and long remembered. We sincerely believe that this experience will be very meaningful and rewarding to you and to the students in your care. We will be happy to give you a letter for your 32 service learning hours.

If you are a person with energy, enthusiasm and patience with children, we want and really need you to help keep Outdoor Education a truly exceptional program for the students of Las Virgenes.
