PARENT WAIVER FOR 18 YEAR OLD STUDENTS

STUDENT NAME _____

BIRTHDATE _____

AGE _____

ADDRESS _____

PHONE _____

Dear Parent:

While the State of California considers 18 year old students capable of assuming many responsibilities, we feel obligated to continue to keep communication lines open with parents about matters as long as the student is residing in the home of the parent.

We will, therefore, continue to communicate directly with you on these matters unless you request otherwise. In matters related to school attendance, specifically, we will expect that all "excuses" will come from the parent, and that "student" excuse notes will not be honored unless you indicate below that you wish to waive that responsibility.

If you desire to relieve us of our obligation to contact you about academic problems, school attendance, and school discipline, please sign this waiver form.

I hereby waive the obligation of Calabasas High School to notify me regarding the attendance, academic progress, and the other school matters affecting my student. The school may deal directly with my student.
