Good evening Leopard Families,

This is superintendent Michele Shaffer.

Here are a few reminders regarding our next few weeks of school. Our kindergarten registration for the 2023-2024 school year is now open. If your child is five or will be five on or before August 1 of this year, he or she is eligible for kindergarten. Even though online registration is open, we also have our kindergarten fair on Saturday, March 11 from 9:00-11:00 a.m. at North Nim Elementary. This is an opportunity to meet with our secretaries to ensure all online paperwork is complete, or a time to receive 1:1, in-person assistance with registration. To add an extra special welcome for our future Leopards, community partners, staff, and fun take-home items will be part of this event. Please reach out to either of our elementary schools with questions.

I'd like to take a moment to congratulate Louisville Middle School's sixth grade intervention specialist, Chelsea Ball for not only winning Teacher of the Month, but also winning Stark County Teacher of the Year. We are excited to share her next accomplishment at tomorrow's Board meeting; however, you can read all about Mrs. Ball's accomplishments in our upcoming Paw Prints newsletter, which should be in mailboxes around February 17.

Our winter Louisville Community Academy classes are underway, and we still have spots available for Geocaching parent-child class and our card-making adult-only class. You can register by going to the Community section of our website.

Finally, we do not have school this Friday, February 17 and Monday, February 20.

Enjoy the rest of your evening, and Go Leopards!

Michele Shaffer
