

Growing Proficient Readers: Dr. Ehri's Phases of Development Module Syllabus

AIM PATHWAYS

AIM Pathways is an interactive, digital, professional development platform designed to strengthen educators' knowledge and skills in the science of literacy instruction. Course content is aligned to the International Dyslexia Association's *Knowledge and Practice Standards for Teachers of Reading*. Online coursework is accessible at your convenience—24 hours a day, 7 days a week, anywhere there is an internet connection. In order to translate theoretical models into classroom practice, AIM Pathways courses are designed to follow a Learn, Practice, and Apply cycle:

- **Learn** – Participants acquire knowledge by interacting with video lectures, articles, animated videos, and more.
- **Practice** – Participants practice newly acquired knowledge through card-sorting exercises, quizzes, and surveys.
- **Apply** – Participants apply their understanding of the content to real-life simulations and case studies. These in-depth, multi-step scenarios give educational leaders a chance to hone their diagnostic and prescriptive decision-making skills for instructional programming. In this module, participants receive the *AIM Animated Alphabet* to develop grapheme-phoneme connections with their learners.

MODULE DESCRIPTION

This AIM Pathways module dives into the research legacy of Dr. Linnea Ehri's Phases of Word Reading Development. The content of this module explains the developmental progression of foundational literacy skills, key milestones and behaviors within each phase, and the instructional focus that moves learners forward to the next phase of word reading and spelling.

PRE- AND POST-MODULE KNOWLEDGE INVENTORY

Before starting the module, participants take a pre-knowledge inventory in order to establish a baseline of their current mastery of the content.

Upon completion of the module, participants take a post-knowledge inventory in order to assess their mastery of the content and their knowledge gains from the baseline assessment.

CERTIFICATE OF COMPLETION AND CONTINUING EDUCATION UNITS

Participants who complete the online *Growing Proficient Readers: Ehri's Phases of Development* module will receive a certificate of completion and are eligible for 4 hours for continuing education units (CEUs).
