When will Saints Club begin? The first day of school.

When can I request Saints Club? Saints Club must be requested at the time of registration. A registration fee of \$30.00 must be paid online or via check for registration to be completed. Please note that enrollment in the afternoon program does not guarantee morning care unless requested at registration.

Frequently Asked Questions

What if my child has previously arranged activities after school? Many activities are held after school. If your child will be signing out of Saints Club to participate in after school activities (i.e. music lessons, dance, sports, etc.) the Saints Club Director will need to be advised of your student's activities. State policy requires that students be signed out by the adult to whom care is being entrusted and that we receive, in writing, the name of the person that will be signing your child out for these extra activities. Arrangements must be made in advance for students needing to leave Saints Club to go to practices. Your child's coach/teacher is responsible for your child until practice is over. Please be sure that both the coach and the Saints Club teacher are aware of your child's practice schedule.

What are the weekly options for Saints Club? Saints Club offers three options for you to choose from: 5-days per week, 3-days per week, or 2-days per week. If you sign up for either the 2 or 3-day options, you must designate at the time of registration which days of the week they will attend. Due to staff scheduling, this cannot vary from week to week.

Is there a payment plan available? A payment plan has been developed to simplify our billing procedure and save you money. Payments may be made in one yearly payment or in ten equal installments (August-May). Saints Club fees are due at the beginning of each month.
