PTC BOARD MEETING

- **Treasurers Report** per Kristen Zuazo. No printed PNL at the meeting due to the fact that it is hard for her to reconcile the PTC account because she doesn't have detailed reports from Optima at this time. She has a scheduled call with accountant from Optima on Monday. She has requested to meet with him every month.

- \$1,213 from Bingo Sales/\$340 from food trucks from Bingo night. T-shirts in the future will be a one time payment to relieve teachers from the duty of collecting it. The profit from those has dwindled compared to the beginning of the school year.

- Education Foundation Of Martin County Basket - April 1st @ Harbor Ridge. They ask all Martin County Schools to donate a raffle basket minimum \$200 value. Vote was given to PTC members present who agreed to do the basket. The theme decided was Family Summer Fun. Donations due by the end of February to be able to submit the basket by March 1st. Sign up genius will go out via email to PTC members.
